**WHEREAS**, on December 12, 2001, the City Commission approved an agreement for application software support with Open Software Support Solutions, d/b/a SunGard Public Sector, Inc. with option to renew after the first year of the contract; and

**WHEREAS**, this agreement has been renewed each year for a period of ten (10) years; and

**WHEREAS**, contracts may not be extended for more than ten (10) years under Section 2-825 of the Procurement Code, a new five (5) year contract is proposed in order to maintain this proprietary software; and

**WHEREAS**, under Section 2-678 (10) of the Procurement Code entitled "Exemptions," this new Application Software Support Agreement is exempted from the Procurement Code as "copywrite material" and thus, is not subject to the formal solicitation requirements; and

**WHEREAS**, it is also in the best interest of the City to enter into this new agreement for application software support instead of abandoning the current computer aided software that has been in place for ten (10) years in favor of soliciting a new and potentially more costly and unproven software product: and

**WHEREAS**, the Chief Procurement Officer recommends that a new application software support agreement be authorized for a period of five (5) years; and

**WHEREAS**, Section 2-650 of the Procurement Code authorizes the City Manager to delegate authority to the Chief Procurement Officer to administer and make recommendations on City contracts;

**SECTION 1.** The foregoing “Whereas” clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.
