7. The term of this Agreement shall begin upon the date of signature of the last party to sign this Agreement (“Effective Date”) and continue through June 30, 2025. Execution of this Agreement by both parties shall be deemed a Notice to Proceed to the Recipient for work to begin on the Project. Any work performed prior to the execution of this Agreement is not subject to reimbursement.
8. The Department agrees to reimburse the Recipient in an amount not to exceed \$15,000.00 for actual costs incurred, excluding Recipient’s overhead costs. Project costs eligible for reimbursement will be allowed only from the Effective Date of this Agreement. Such information will be posted by the Department to the Florida Accountability Contract Tracking System maintained pursuant to Section 215.985, Florida Statutes, and must additionally be posted to the Recipient's website, if the Recipient is a non-profit organization and maintains a website. The Recipient shall utilize FDOT Form No. 350-090-19, Compensation to Non-Profits Using State Funds, for purposes of documenting the compensation. The subject Form is required for every contract for services executed, amended, or extended on or after July 2024, with non-profit organizations.

The term does not include funds used for the state Medicaid program.
- f. Supporting documentation must establish that the deliverables were received and accepted in writing by the Recipient and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Exhibit "A" has been met. All costs invoiced shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of charges as described in Exhibit F – Contract Payment Requirements for Cost Reimbursement Agreements.
 - g. Bills for travel expenses specifically authorized in this Agreement shall be submitted on the Department's Travel Form No. 300-000-06 and will be paid in accordance with Section 112.061, Florida Statutes and the most current version of the Disbursement Handbook for Employees and Managers.
 - h. This Agreement does not involve the purchase of Tangible Personal Property, as defined in Chapter 273, F.S.
 - i. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. If the Department determines that the performance of the Recipient is unsatisfactory, the Department shall notify the Recipient of the deficiency to be corrected, which correction shall be made within a time frame to be specified by the Department. The Recipient shall,

within five (5) days after notice from the Department, provide the Department with a corrective action plan describing how the Recipient will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Recipient will not be reimbursed to the extent of the non-performance. The Recipient will not be reimbursed until the Recipient resolves the deficiency. If the deficiency is subsequently resolved, the Recipient may bill the Department for the unpaid reimbursement request(s) during the next billing period. If the Recipient is unable to resolve the deficiency, the funds shall be forfeited at the end of the term of this Agreement.

The Recipient providing goods and services to the Department should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than 5 working days unless the bid specifications, purchase order, or contract specifies otherwise. (Any deviations should be referenced in the agreement or an addendum in accordance with Section 2.1.) The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved. If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to **Section 55.03(1), F.S.**, will be due and payable, in addition to the invoice amount, to the Other Party. Interest penalties of less than one (1) dollar will not be enforced unless the Other Party requests payment. Invoices that have to be returned to an Other Party because of Other Party preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department. A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Other Party who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

- j. The Recipient shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately.
- k. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five (5) years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred include the Recipient's general accounting records and the project records, together with supporting documents and records of the Recipient and all subcontractors performing work on the Project, and all other records of the Recipient and subcontractors considered necessary by the Department for proper audit costs.
- l. Upon request, the Recipient agrees to provide progress reports to the Department in the standard format used by the Department at intervals established by the Department. The Department will be entitled at all times to be advised, at its request, as to the status of the Project and of details thereof. Either party to this

Agreement may request and shall, within a reasonable time thereafter, be granted a conference with the other party.

- m. In the event this Agreement is in excess of \$25,000.00 and a term for a period of more than one (1) year, the provisions of Section 339.135(6)(a), Florida Statutes, are incorporated as follows:

“The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000.00 and which have a term for a period of more than one (1) year.”

- n. The Department’s obligation to pay under this Agreement is contingent upon an annual appropriation by the Florida Legislature.
 - o. All costs charged to the Project and the grant match of in-kind services shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in proper detail the nature and propriety of the charges as described in the Contract Payment Requirements, Exhibit “F”, which is attached and incorporated into this Agreement.
 - p. Any Project funds made available by the Department pursuant to this Agreement which are determined by the Department to have been expended by the Recipient in violation of this Agreement or any other applicable law or regulation shall be promptly refunded in full to the Department. Acceptance by the Department of any documentation or certifications, mandatory or otherwise permitted, that the Recipient files, shall not constitute a waiver of the Department's rights as the funding agency to verify all information at a later date by audit or investigation.
9. The administration of resources awarded through the Department to the Recipient by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the additional audits or evaluations of state financial assistance or limit the authority of any state agency inspector general, the Auditor General, or any other state official. The Recipient shall comply with all audit and audit reporting requirements as specified below.
- a. In addition to reviews of audits conducted in accordance with Section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site

visits by Department staff, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the state Chief Financial Officer (CFO) or Auditor General.

- b. The Recipient, as a non-state entity as defined by Section 215.97, Florida Statutes, and as a recipient of state financial assistance awarded by the Department through this Agreement is subject to the following requirements:

Exhibit “B” to this Agreement provides the specific state financial assistance information awarded through the Department by this Agreement needed by the Recipient to further comply with the requirements of Section 215.97, Florida Statutes. In determining the state financial assistance expended in a fiscal year, the Recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.
 - ii. In connection with the audit requirements, the Recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2)(e), Florida Statutes, and Chapters 10.550 (local government entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General.
 - iii. If the Recipient expends less than the threshold established by Section 215.97, Florida Statutes, in state financial assistance in a fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required; however, the Recipient must provide to the Department a certification of exemption to FDOTSingleAudit@dot.state.fl.us no later than nine (9) months after the end of the Recipient’s fiscal year for each applicable audit year. In the event that the Recipient expends less than the threshold established by Section 215.97, Florida Statutes, in state financial assistance in a fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the Recipient’s resources (i.e., the cost of such an audit must be paid from the Recipient’s resources obtained from other than State entities).

- iv. Copies of financial reporting packages required by this Agreement shall be submitted to:

Office of Comptroller, MS 24
605 Suwannee Street
Tallahassee, FL 32399-0450
Email: FDOTSingleAudit@dot.state.fl.us

 - vi. The Recipient, when submitting financial reporting packages to the Department for audits done in accordance with Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, shall indicate the date the reporting package was delivered to the Department in the correspondence accompanying the reporting package.
 - vii. Upon receipt, and within six (6) months, the Department shall review the Recipient's financial reporting package, including the management letters and corrective action plans, to the extent necessary to determine whether timely and appropriate corrective action has been taken with respect to audit findings and recommendations pertaining to the state financial assistance provided through the Department by this Agreement.  - viii. As a condition of receiving state financial assistance, the Recipient shall allow the Department, or its designee, the CFO or Auditor General access to the Recipient's records, including project records, and the independent auditor's working papers as necessary. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved.
- c. The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five (5) years from the date the audit report is issued, and shall allow the Department, or its designee, the CFO or Auditor General access to such records upon request. Contract Payment Requirements for Cost Reimbursement Agreements Florida Department of Financial Services, Reference Guide for State Expenditures

Invoices for cost reimbursement agreements must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

- (1) Salaries: Timesheets that support the hours worked on the project or activity must be kept. A payroll register, or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with s. 112.061, F.S., which includes submission of the claim on the approved state travel voucher along with supporting receipts and invoices.
- (4) Other Direct Costs: Reimbursement will be made based on paid invoices/receipts and proof of payment processing (canceled/processed checks and bank statements). If nonexpendable property is purchased using state funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with DMS Rule 60A-1.017, F.A.C., regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in s. 273.02, F.S., for subsequent transfer to the State.
- (5) Indirect Costs: If the contract stipulates that indirect costs will be paid based on a specified rate, then the calculation should be shown. Indirect costs must be in the approved agreement budget and the entity must be able to demonstrate that the costs are not duplicated elsewhere as direct costs. All indirect cost rates must be evaluated for reasonableness and for allowability and must be allocated consistently.
