CITY COMMISSION MEETING
June 8, 2021

ITEM TITLE:

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, DIRECTING THE CITY CLERK AND CITY MANAGER TO SCHEDULE CERTAIN ITEMS, OF GREAT PUBLIC IMPORTANCE, FOR CERTAIN CITY COMMISSION MEETINGS THAT BEGIN AT 5:00 P.M.

(Sponsored by Commissioner Anderson)

(Sponsored by Mayor Lago)

BRIEF HISTORY:

The City of Coral Gables has historically held its regular City Commission meetings on Tuesdays, at approximately 9:00 A.M. The City has an established open public comment section at the beginning of each meeting as well as the public comments that occurs with particular agenda items. Prior to the COVID-19 pandemic the City Commission had established an avenue by which the public may comment virtually or by email. However, even with those avenues available many members of the public who may wish to speak on certain agenda items may be unable to attend the City Commission meetings in person or virtually as they are held during regular working hours.

The City Commission wishes to adopt objective guidelines for which items before the City Commission should be heard at a meeting beginning at 5:00 P.M. at least once before final action of this Commission. Adoption of these guidelines confers no additional jurisdiction to the City Commission and does not add additional requirements for items that do not regularly come before the City Commission.

If adopted the following items before the City Commission would be heard at a meeting beginning at 5:00 P.M. at least once prior to final action:
