Public Speaker(s)

Agenda Item H-2 [2:32:54 p.m.]

A Resolution accepting the recommendation of the Chief Procurement Officer to award the Citywide Infiltration and Inflow Abatement contracts to EnviroWaste Services Group, Inc., for Excavated Point Repairs, Lateral Lining, and Sectional Lining (Group A) in the amount of \$776,462, and for Manhole Rehabilitation (Group B) in the amount of \$238,558; and to Insituform Technologies, LLC, for Mainline Lining (Group C) in the amount of \$1,206,082; pursuant to Invitation For Bids (IFB) 2015.10.07, and Section 2-828 of the Procurement Code entitled "Contract Award," for a total project amount of \$2,221,102.

Mayor Cason: Alright, let's move on to H-2. This is a resolution, Procurement.

Chief Procurement Officer Pounds: Mike Pounds, Chief Procurement Officer. The purpose of the comprehensive infiltration and inflow IFB is to rehabilitate deteriorated sanitary sewer systems within the City, which are average age, about 50 years old. The project was divided up into three workgroups. The first group was excavated point repairs, lateral lining and sectional lining. That was Group A. Manhole rehabilitation was Group B, and Mainline lining was Group C. On October 7, Procurement Division issued the Citywide Infiltration and Inflow Abatement IFB. And on October 21, we had a pre-bid conference, and we only had one prospective bidder attend out of the eighteen that picked up the package. On December 10, we had nine bids submitted on this IFB. EnviroWaste Services Group, which was a firm we have used for various services on our sanitary system in the past, was determined to be lowest responsible responsive bid for excavated point repairs, later lining, and sectional lining, Group A, with a total bid of \$776,462 and also for manhole rehabilitation, Group B, with a total bid of \$238,558. The lowest responsive responsible bidder for mainline lining group, Group C, was Insituform Technologies, with a total bid of \$1,206,082. The total cost of the project is \$2,221,102. The City's consultant, Hazen and Sawyer, and the Public Works Department concur with this recommendation to award to EnviroWaste and to Insituform.

Mayor Cason: Motion?

Commissioner Lago: I'll make the motion.

Commissioner Slesnick: Second.

Mayor Cason: Commissioner Lago makes the motion. Commissioner Slesnick seconds. City Clerk.

Commissioner Lago: Yes

Commissioner Slesnick: Yes

Commissioner Keon: Yes

Mayor Cason: Yes

(Vote: 4-0)

Mayor Cason: Thank you.

[End: 2:35:19 p.m.]
