**Letters Received from Property Owners – Planning Department**  
**Application No. 07-08-072-P (Building Site Separation and Tentative Plat Review)**

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
1.	09 15 09	Vilma Banks 410 Zamora Avenue Coral Gables, FL 33134		X	
2.	09 14 09	Ramon (+) Maria Z. Moreda 526 Madeira Avenue Coral Gables, FL 33134	X		Overcrowding and overbuilding in an already busy area of the City should not be allowed in our town. Business is not everything in our community.
3.	01 14 09	Gregory and Anna Rockett 520 Madeira Avenue Coral Gables, FL		X	Do not object provided that.....appropriate parking of work vehicles is arranged such that Madeira Avenue entrance west of LeJeune is <u>NOT</u> blocked.
4.	01 13 09	Robert Parise & Linda Basmajian Parise 4232 S.W. 15 Street Miami, FL 33134		X	I Linda Basmajian Parise have known the Pilafian for over fifty years. Their profound reputation always exceeds the excellence of what Coral Gables represents.
5.	01 12 09	Sara M. Bulnes 300 Madeira Avenue, #204 Coral Gables, FL 33134	X		Do not want any more new construction in the Gables.
6.	01 08 09	Angie Herrera Mailing Address: P.O. Box 260185 Miami, FL 33127	X		We do not object to the single family but seriously object to any form of multi-family dwelling which will motivate rental resident who do not adhere to the City ordinances and restrictions. It also promotes a more transient profile of residents.
7.	01 07 09	Katharin Westie & Fred Tasker 510 Madeira Avenue Coral Gables, FL 33134	X		Do no want duplex homes/multi-family homes built on our street/residential neighborhood. I understand that some were 'grandfathered' in – but do we need to build more? If a duplex must be built – it should be the lot <u>on</u> Le Jeune. BUT PREFER <u>NONE</u> ??
