**Re: Notice of violations and further enforcement action regarding real property located at 134 Florida Avenue, Coral Gables, FL 33133-4860 ("Property")**

Dear Mr. Pavlovsky:

This office represents the City of Coral Gables, Florida ("City"). You are listed as the owner of the Property in the office of the Property Appraiser and in the Public Records of Miami-Dade County.

As such, the City has brought or is bringing code enforcement actions against you for failure to maintain the Property. In spite of the City's efforts, the Property remains in violation of the City Code and constitutes a public nuisance. Specifically, the Property is in violation of the City Code for reasons including, but not limited to, those set forth in the list of violations attached to the attached cease and desist letter ("Violations").

You are hereby notified that the City will file a lawsuit or otherwise pursue further enforcement action, which may include any or all of the following: 1) an injunction requiring that the responsible parties maintain the Property in compliance with the City Code; 2) the code enforcement and special assessments liens, if any; 3) foreclosure pursuant to the City's code enforcement and special assessments liens, if any; 4) forfeiture pursuant to applicable law; 5) the issuance of a code enforcement citation imposing a fine of \$500 per day, as stated in the attached cease and desist letter, pursuant to §§ 2-252 (c)(1) and 2-254 of the City Code or 6) an attached cease and desist letter, as applicable. Please be advised that the City's code enforcement liens attach to all non-exempt real and personal property of the violator(s) named in the code enforcement order and that the City will seek its attorneys' fees and costs.

Since the violations pertain to the failure to maintain a structure that has been designated a Local Historic Landmark, please be advised that:

- You may be subject to substantial fines that may not be mitigated.
- You may also be required to repair or restore the historic structure.
- If the historic structure is allowed to deteriorate to the point where it must be demolished:

- the City Code requires that you replace the structure with a similar historically-appropriate structure; and
- the property will no longer qualify for an historic preservation tax exemption.

Should you wish to bring this property into compliance voluntarily and possibly avoid further enforcement action, you must contact me within seven days of the date of this letter. Please provide a plan of action and a timeline, including how you intend to obtain any necessary development approvals and commence and complete the work to correct the Violations.

Please govern yourself accordingly.

Very truly yours,
