SEGOVIA PLAZA ARTWORK

---

On October 16, 2014, the Historic Preservation Board met to review an application for a Special Certificate of Appropriateness for Segovia Plaza, a Local Historic Landmark located at the intersection of Coral Way, Segovia Street, and North Greenway Drive. The application requested design approval for the installation of a sculpture in the roundabout in Segovia Plaza. We are pleased to inform you that the Board approved the application for the design proposal for the installation of the proposed sculpture.

The Historic Preservation Board found that the proposed work does not destroy or detract from the integrity of the historic building, and is minimal in impact, which is entirely consistent with the Secretary of the Interior's Standards for Rehabilitation.

A Certificate of Appropriateness is hereby issued. You may now proceed with the permitting process. Please be advised that any changes or alterations to the approved plans will need to be submitted to this office for a revision to the Certificate of Appropriateness.
