Firefighter Christopher Ayala
Battalion C

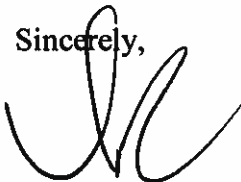

Dear Firefighter Ayala:

Congratulations! You have been selected February's Firefighter of the Month for your outstanding display of individual initiative surpassing job requirements and concern for the department, specifically for your knowledge of EMS protocol and how you operate on rescue calls. You seem to be a walking encyclopedia of knowledge when it comes to medication and medical treatment and you love to share your knowledge with all the new firefighters. We have experienced a number of cardiac arrest emergencies where you have been the acting Lieutenant and before any guidance could be given to you on running the code, you already initiated the proper treatment and began your medical report to properly document the incident. Furthermore, you have been a member of the SRT competitive team and enjoy teaching all new probationary and seasoned firefighters everything you know and learn when dealing with extrication tools.

Despite the overwhelming amount of work that everyone has, you consistently find ways to help your co-workers and keep training with all firefighters. Your willingness to assist others and your commitment to educating all firefighter is unequalled.

Firefighter Ayala you are well deserving of this honor and we congratulate you for your efforts. Your willingness to provide direction to all fire department staff is unparalleled. The Fire Department has recognized you for your inspiring efforts and selected you as Firefighter of the Month for February 2021.

Once again, the City of Coral Gables and the Firefighter of the Month Selection Committee congratulate you on being chosen the Firefighter of the Month for February 2021.

Sincerely,

Marcos De La Rosa
Fire Chief
