Commissioner Anderson: G-2 – Want to make sure we're on track here with Dover Kohl's study on Biltmore Way and the bicycle circulation pattern over to the Mobility Hub on Andalusia Avenue and possibly Valencia Avenue. Give us an update.

Public Works Director Diaz: Yes. Unfortunately, Melissa DeZayas is under the weather, so she couldn't be here today.

Commissioner Anderson: Sorry to hear that.

Public Works Director Diaz: In fact, I asked her to please do not come.

Commissioner Anderson: I've told that to employees too. Keep your germs.

Public Works Director Diaz: So, we're moving along. I think we are currently working on finding a location for the public meetings to happen in early December and we've had some discussions with Dover Kohl. I think the idea is to do the Biltmore Way path that we discussed, but if for some reason that's not well received then we can pivot into your suggestion of looking into Andalusia and Valencia.

Commissioner Anderson: Right. Do we have any draft drawings that you can share with the Commission?

Public Works Director Diaz: Absolutely. Not here, but we can start sharing those with all of you.

Commissioner Anderson: If you can circulate it, that would be nice to be at least able to look at it ahead of time.

Public Works Director Diaz: Absolutely.

Mayor Lago: Commissioner, anything else?

Commissioner Anderson: That's it. Just wanted an update and hopefully we'll put it on the next agenda to make sure that we're on track.

Mayor Lago: Perfect. Mr. Clerk.

City Clerk Urquia: Will do.

Mayor Lago: Thank you.
