Re: 145 Leucadendra Drive, Coral Gables Florida.

145 Leucadendra Holdings LLC (the “Applicant”) is the owner of the property located at 145 Leucadendra Drive, in Coral Gables, Florida, which has a Folio number of 03-4132-019-0600 (the “Property”). The lot size is 36,098 SF consisting of lot 22, block B, as noted in plat book 60, page 37, of the public records of Miami-Dade County. To the west of the property is Leucadendra Drive and to the east is Coral Gables Waterway which ultimately feeds into Biscayne Bay. The Property is currently inhabited.

The proposed project consists of a single-family residence. The house is in the tropical modern style and uses landscaping and natural elements to seamlessly transition from inside to out. Planters integrated into the structure throughout the second story soften the elevations which complements the saw cut oolite stone cladding. Cumaru wood is used to bring warmth to the project and is used extensively in the eaves, screens, and columns. Other materials include dark bronze metal used on the doors and windows.

The Project of 145 Leucadendra works well with its natural environment and surrounding context. The project is a considerable improvement and addition to the fabric of this city. We respectfully request your favorable consideration of this submittal and look forward to continuing to work with the City on this Project.

Sincerely,

Cesar A Molina
Principal
