ITEM TITLE:

Presentation of 25 year service pin to Dallas C. Brown, Public Works Department

BRIEF HISTORY:

On July 27, 1989, Dallas joined the City as a part-time Carpenter's Helper in the Public Works/Maintenance Department. As time went by, he accepted new challenges on February 24, 1992 as a Special Projects Construction Worker. His talents were recognized again on October 10, 1994 when he was promoted to a full-time Maintenance Repair Worker. Dallas' background, knowledge, skills and initiative through the years has allowed him and his team to accomplish many job demands Citywide with ease and finesse. Understandably, through his hard work, perseverance and dedication, Dallas accepted another promotion on April 25, 1999 to Maintenance Division Superintendent, a position he maintains to this day.

The City recognizes and appreciates Dallas as an excellent employee who is a productive individual, dependable, resourceful and consistent. Congratulations on your past 25 years of loyal and dedicated service as we look toward future accomplishments.
