**PLANNING AND ZONING BOARD RECOMMENDATION:**

The Planning and Zoning Board at their June 8, 2022, meeting recommended approval of the proposed Alley Vacation, Receipt of Transfer of Development Rights (TDRs), and Tentative Plat (4-1). The Board also made separate motions to recommend denial for the proposed Comprehensive Plan Map Amendment and the Mixed-Use Site Plan (3-2), which is no recommendation. The Board convened again on July 13, 2022, and recommended denial of the proposed Change of Land Use (5-2).

**BRIEF HISTORY:**

The proposed project, known as “Ponce Park Residences,” is on the corner of University Drive and Ponce de Leon Boulevard, within walking distance of Ponce Circle Park. RC Acquisitions, LLC and P&J Enterprise Holdings, Inc. submitted for the review of a proposed redevelopment with a mixed-use building to be located fronting Ponce de Leon Boulevard, Catalonia, University Drive, and Malaga. The proposed project consists of the east half of the block and totals to approximately 42,950 square feet (0.99 acres) in size. The proposed building consists of 80 residential units, ground floor commercial uses of approximately 15,671 square feet, and a parking structure with 173 parking spaces. The proposed building height is 149 feet to the top of the habitable space.

The Applicant is proposing an alley vacation, Comprehensive Plan Map amendment, Receipt of Transfer of Development Rights (TDRs), Conditional Use Site Plan review, and Tentative Plat.

### **Off-Site University Drive Condition of Approval**

The Applicant had originally proposed to close the slip lane at the intersection of University Drive and Ponce de Leon Boulevard for use as a public park. Currently, the Applicant has proffered \$1,000,000 of in-kind improvements for the proposed “park area” on University Drive abutting the property. The design of the park area – either with or without the slip lane – is at the sole direction of the City Commission. The Applicant has agreed to build and maintain the park area.

### **Planning & Zoning Board Meetings**

At the June 8, 2022, Planning & Zoning Board meeting, the Board members reviewed the proposed revised project. Members of the public expressed concerns related to the inability to currently cross University Drive and the conditions worsening with a potential increase of vehicular traffic. Others were concerned with the proposed building’s impact on the neighborhood as the Plaza is still under construction. After lengthy discussions, the Board recommended approval of the proposed Alley Vacation, Receipt of Transfer of Development Rights (TDRs), and Tentative Plat (4-1). The Board made a motion to recommend denial for the proposed change of land use and the Mixed-Use Site Plan (3-2), which is no recommendation.

After the June 2022 PZB meeting, the City Attorney opined that the requested Comprehensive Plan Map Amendment requires a recommendation to the City Commission, per City Attorney Opinion 2022-004. Therefore, only the Comprehensive Plan Map Amendment request was considered again at the July PZB meeting.

At the July 13, 2022, PZB meeting, the public expressed similar concerns for the scale of the building being close to the street and not compatible with the Mediterranean-style of the single-family neighborhood to the east and south. The Board members discussed the history of development changes in the area and the possible additional public benefits that could be gained for the neighborhood, such as beautification of University Drive and side streets. Many members of the Board were concerned about the requested 149’ of building height. The Board recommended denial of the proposed change of land use (5-2).

The previous proposed project was continued from the February 2021 Planning & Zoning Board meeting, and later received a recommendation of denial for all requests – including a proposed vacation of the street - at the August 2021 Planning & Zoning Board meeting.

The applicant’s submittal is provided as Exhibit A. The draft Ordinance for the Alley Vacation is provided as Exhibit B. The draft Ordinance for the Comprehensive Plan Map amendment is provided as Exhibit C. The Staff Report from the July 13, 2022, PZB meeting which includes the June 8, 2022, Staff Report is provided as Exhibit G.
