**A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA AMENDING THE COMMUNITY RECREATION FEE SCHEDULE TO PROVIDE FOR A ONE-YEAR TRANSITION AND EVALUATION PROGRAM ALLOWING THE CONTINUATION OF ANNUAL GOLF MEMBERSHIPS AT THE GRANADA GOLF COURSE IN PLACE AS OF MARCH 10, 2026; PROVIDING FOR UPDATED RATES; AND PROVIDING FOR REPORTING OF DATA AT THE CONCLUSION OF THE ONE-YEAR PERIOD.**

**. (SPONSORED BY COMMISSIONER CASTRO)**

**BRIEF HISTORY:**

The City recently amended the Community Recreation Fee Schedule pursuant to Resolution No. 2026-79 which, among other things, discontinued the exclusive golf annual memberships at the Granada Golf Course which provided for unlimited rounds, to instead establish a Golf Membership at the Coral Gables Golf & Country Club which entitles members to thirty (30) free rounds, priority access to tee times, and \$5.00 off resident rates for any additional rounds. Resolution No. 2026-79 also adopted a new fee structure for golf at the Granada Golf Course which represents an approximately 40% increase.

Prior to the adoption of Resolution No. 2026-79 on March 10, 2026, there were 86 annual memberships at the Granada Golf Course.

The proposed resolution amends the Community Recreation Fee Schedule to provide for a one-year transition to allow annual golf memberships at the Granada Golf Course to continue for those 86 individuals with memberships as of March 10, 2026 (to include a maximum of three (3) rounds per week with no rollover of unused rounds) at the following rates:

Single: \$2,100 (residents); \$5,000 (non-residents)

Couples (2-person): \$3,434 (residents); \$9,500 (non-residents)
