RE: 1100 SALZEDO ST,CORAL GABLES, FL  
Folio # 03-4108-052-0001  
Recertification of Building 40 Years or older

Gentlemen:

This Department has been advised that the subject building is forty (40) years old, or older, having been built in year 1974.

In accordance with the Miami-Dade County Code, Chapter 8, Section 8-11(f), a Florida Registered Architect or Professional Engineer must inspect said building and a report must be furnished to this Department with ninety (90) days from the date of this letter, indicating that the building meets the requirements of building recertification under the Code. In the event that repairs or modifications are found to be necessary resulting from the recertification inspection, the owner shall have a total of 150 days from the date of this Notice in which to complete indicted repairs or modifications.

The architect or engineer that you choose to do the inspection may obtain the required forms: "*Minimum Inspection Procedural Guidelines for Building Recertification*," from this link: <http://www.miamidade.gov/building/form-checklist.asp> to access the interactive structural and electrical forms. In addition to the forms, a cover letter must state that that the property meets the requirement for building recertification; no additional documents or photographs are necessary.

The certification report, along with the filing fee in the amount of \$380.63; plus, \$2.45 per page document preservation fee must be paid with a check, or credit card payment to the "City of Coral Gables," and sent/delivered to:

Dear Property Owner:

In a certified letter dated 4/1/2014, this Department notified you the property referenced above requires a 40-year building recertification pursuant to Miami-Dade County Code, Chapter 8, Section 8-11(f). The letter informed you it was necessary to furnish this Department a report prepared by a licensed architect or engineer within 90-days specifying the building meets the requirements for building recertification provided under the Minimum Inspection Procedural Guidelines for Building Recertification.

Please be advised that as of 7/1/2014 the report will be overdue and this building will be deemed to be in NON-COMPLIANCE. This may result in the revocation of the Certificate of Occupancy, as well as, being subject to other penalties as provided in the Code.

**Failure to contact us before 10/22/2014, will result in our forwarding this building information to the Miami-Dade County Unsafe Structures Board for further determination.**

Please govern yourself accordingly.

Sincerely,

*Manuel Z. Lopez*

**Therefore, this matter is set for hearing before the City's Construction Regulation Board ("Board") in the Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida 33134, on December 14, 2015, at 2:00 p.m.**

You may appeal the decision of the Building Official to the Board by appearing at the hearing. You have the right to be represented by an attorney and may present and question witnesses and evidence, however, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Please be advised that, if someone other than an attorney will be attending the hearing on your behalf, he or she must provide a power of attorney from you at the time of the hearing. Requests for continuance must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134, [bgarcia@coralgables.com](mailto:bgarcia@coralgables.com), tel: (305) 460-5229.

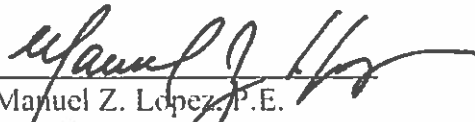

If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted (including, but not limited to,

requesting the electric utility to terminate service to the Structure) to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and recover the costs incurred against the Property and the Owner of record.

If the Property Owner or other interested party does not take all Required Action or appeal the decision of the Building Official, the Construction Regulation Board may enter an order of demolition and assess all costs of the proceedings and demolition and other Required Action for which the City shall have a lien against the Property and the Property Owner.

#### NOTICES

Any person who acts as a lobbyist pursuant to the City of Coral Gables Ordinance No. 2006-11, must register with the City Clerk, prior to engaging in lobbying activities before the city staff, boards, committees and or the City Commission. A copy of the Ordinance is available in the Office of the City Clerk, City Hall.

Pursuant to Section 286.0105, Florida Statutes, if a person decides to appeal any decision made by the Board, with respect to any matter considered at such hearing or meeting, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made; which record includes the testimony and evidence upon which the appeal is to be based. Although a court reporter usually attends the hearing at the City's cost, the City is not required to provide a transcript of the hearing, which the Respondent may request at the Respondent's cost.

**ADA Assistance:** The City complies with the provisions of the American with Disabilities Act. Individuals with disabilities requiring special accommodations or assistance should contact Ernesto Pino, Assistant Public Works Director, at (305) 460-5004, with requests for auxiliary aids or services at least one business day before the hearing in order to request such assistance.

**ORDER DECLARING STRUCTURE UNSAFE**

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on December 14, 2015, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered the evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

**Findings of Fact**

1. The City properly served the Notice on the owner, Salzedo Plaza, a Condominium Association, Inc. ("Owner"), and any lienholders of record of the three-story multifamily condominium building consisting of 11 units ("Structure") built in 1974 (40-year recertification required) and located at **1100 Salzedo Street**, Coral Gables, FL 33134-2844, legally described as Lot A and South 10 feet of Lot 1, Block 10, and Lot 10, Block 18 of REVISED PLAT CORAL GABLES DOUGLAS SECTION, according to the Plat thereof, as recorded in Plat Book 25, Page 6, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-052-0001 ("Property").

2. The Notice alleges that the Structure is unsafe because on April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code ("Report").

3. On July 22, 2014 and June 2, 2015, the City sent the Property Owner the City sent the Property Owner notices that the Report was past due.

4. To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

#### **Conclusions of Law**

5. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

#### **Order**

It is, therefore, ORDERED:

6. *Required Action.* **The Owner shall submit, by 4 p.m. on Thursday, December 17, 2015, to the City's Development Services Department a signed and sealed preliminary letter from a licensed architect or engineer stating whether the Structure may safely be occupied ("Letter"). The Owner shall also submit a contract signed by the Owner and a licensed architect or engineer in which the architect or engineer agrees to provide the Owner with a report that the Owner can file prior to the January 11, 2016 hearing of the Construction Regulation Board. If the Owner does not timely take the foregoing action, the City shall serve a 10-day notice on the Owner stating that the Building Official will request that the electric utility terminate service to the Structure. The Building Official, in his sole and absolute discretion, may suspend the termination process, if he determines that the Owner has taken sufficient action to establish that the Structure may safely be occupied. The Owner shall also take the Required Action as follows: a) the Owner shall submit the Report prior to the January 11, 2016 hearing of the Construction Regulation Board; b) the Owner shall apply for all required permits to meet the minimum requirements as noted in the Report ("Permits") within 30 days of the date the Report is submitted, and, in any event, no later than 60 days of the date of this Order; c) the Owner shall obtain all Permits within 30 days from the date that the application is complete and, in any event, no later than 90 days from the date of this Order; and d) the Owner shall pass final inspection on all Permits and shall submit a Compliance Report within 30 days from the date that the Permits are issued and, in any event, no later than 120 days from the date of this Order.**

7. *Demolition by Owner.* **If the Owner elects instead to demolish the Structure: a) the Owner shall apply for all required permits to totally demolish the Structure within 15 days of the date of this Order ("Demolition Permit"); b) the Owner shall obtain the Demolition Permit within 15 days from the date that the application is complete and, in any event, no later than 30 days from the date of this Order; and c) the Owner shall pass final inspection on the Demolition Permit, including by laying sod on the Property and removing the construction fence, within 15 days from the date that the Demolition Permit is issued and, in any event, no later than 45 days from the date of this Order.**

8. *Request for compliance inspection.* **It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order and to notify the City of any compliance action taken.**

9. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. **Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of the Order.**

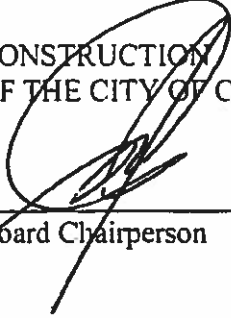

10. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

11. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

12. **NOTICE: If the Respondent does not comply with the terms of this Order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, [bgarcia@coralgables.com](mailto:bgarcia@coralgables.com), tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.**

Re: The three-story multifamily condominium building consisting of 11 units ("Structure") built in 1974 (40-year recertification required) and located at 1100 Salzedo Street, Coral Gables, FL 33134-2844, legally described as Lot A and South 10 feet of Lot 1, Block 10, and Lot 10, Block 18 of REVISED PLAT CORAL GABLES DOUGLAS SECTION, according to the Plat thereof, as recorded in Plat Book 25, Page 6, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-052-0001 ("Property").

BEFORE ME, the undersigned authority, personally appeared Manuel Z. Lopez, P.E., Building Official for the City of Coral Gables ("City"), Florida who, after being duly sworn, deposes and says:

1. I am the City Building Official.
2. On December 14, 2015, the City Construction Regulation Board ("Board") held a public hearing and issued an Order Declaring Structure Unsafe, in the above-styled matter ("Order").
3. The Order found the Structure to be unsafe and ordered the above-listed owner of the Property ("Owner") to take action to recertify the Structure ("Required Action") or to demolish the Structure and pay the administrative costs by a certain deadline.
4. The deadline to take the Required Action or to demolish the Structure expired at 2:00 p.m. on February 14, 2016.
5. On February 22, 2016, I completed a review of the relevant City records and determined that the Owner has not taken the Required Action or demolished the Structure and that the Owner has not paid the administrative costs.
6. **NOTICE: The Owner may request an administrative hearing which shall be strictly limited to determining whether and when the Owner took the Required Action or demolished the Structure and paid the administrative costs as required by the Order. The Owner may file a written request for hearing within seven (7) days of the date of this notice. Failure to timely request an administrative hearing shall constitute a waiver of the Owner's right to the administrative hearing. The Owner shall be liable for the reasonable costs of the administrative hearing if the Owner is unsuccessful at the hearing.**
7. Requests for a hearing must be made in writing and addressed to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134, [bgarcia@coralgables.com](mailto:bgarcia@coralgables.com), tel: (305) 460-5229.

FURTHER AFFIANT SAYETH NOT:

**NOTICES**

Any person who acts as a lobbyist pursuant to the City of Coral Gables Ordinance No. 2006-11, must register with the City Clerk, prior to engaging in lobbying activities before the city staff, boards, committees and/or the City Commission. A copy of the Ordinance is available in the Office of the City Clerk, City Hall.

Pursuant to Section 286.0105, Florida Statutes, if a person decides to appeal any decision made by the Board, with respect to any matter considered at such hearing or meeting, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made; which record includes the testimony and evidence upon which the appeal is to be based. Although a court reporter usually attends the hearing at the City's cost, the City is not required to provide a transcript of the hearing, which the Respondent may request at the Respondent's cost.

**ADA Assistance:** The City complies with the provisions of the American with Disabilities Act. Individuals with disabilities requiring special accommodations or assistance should contact Dona M. Spain, ADA Coordinator, at (305) 460-5095, TTY/TDD (305) 460-5010, with requests for auxiliary aids or services at least three business days before the hearing in order to request such assistance.

**NOTICE OF UNSAFE STRUCTURE VIOLATION FOR FAILURE TO RECERTIFY  
AND NOTICE OF HEARING**

Date: March 23, 2016

Re: **1100 Salzedo Street**, Coral Gables, FL 33134-2844, legally described as Lot A and South 10 Feet of Lot 1, in Block 10, and Lot 10 in Block 18, of REVISED PLAT CORAL GABLES DOUGLAS SECTION, according to the Plat thereof, as recorded in Plat Book 25, Page 6, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-052-0001 ("Property").

The City of Coral Gables ("City") Building Official has inspected the records relating to the Structure in accordance with Article III, Chapter 105 of the City Code, pertaining to unsafe structures, and Section 8-11 of the Miami-Dade County Code, as applicable in the City, pertaining to existing buildings. The Structure is hereby declared unsafe by the Building Official and is presumed unsafe pursuant to Section 105-1 86(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

**Therefore, this matter is set for hearing before the City's Construction Regulation Board ("Board") in the Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida 33134, on April 11, 2016, at 2:00 p.m.**

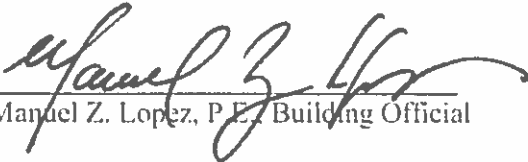

You may appeal the decision of the Building Official to the Board by appearing at the hearing. You have the right to be represented by an attorney and may present and question witnesses and evidence; however, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Please be advised that if someone other than an attorney will be attending the hearing on your behalf, he or she must provide a power of attorney from you at the time of the hearing. Requests for continuance must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134, bgarcia@coralgables.com, tel: (305) 460-5229.

If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted (including but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and the City may recover the costs incurred against the Property and the Owner of record.

If the Property owner or other interested party does not take all Required Action or prevail at the hearing, the Construction Regulation Board may impose fines not to exceed \$250 for each day the violation continues past the date set for compliance and may also enter an order of demolition and assess all costs of the proceedings, in an amount not less than \$600, and the costs of demolition and other required action, for which the City shall have a lien against the Property owner and the Property.

Please contact Virginia Goizueta, Building Services Coordinator, tel.: (305) 460-5250, email: [vgoizueta@coralgables.com](mailto:vgoizueta@coralgables.com). The Development Services Department's hours are Monday through Friday, 7:30 a.m. to 3:30 p.m.

Please govern yourself accordingly.

**NOTICE OF ORDER DECLARING STRUCTURE UNSAFE**

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on April 11, 2016, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered any evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

**Findings of Fact**

1. The City properly served all required notices on the owner, Avelino Martinez and Leslie Martinez, and any lienholders of record for the structure located on the property at **1100 Salzedo Street**, Coral Gables, Florida, 33134-2844, and having folio number 03-4108-052-0001 (the "Structure").
2. As of the date this Notice the Structure has failed to comply with the inspection report requirement and minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, required by Section 8-11 of the Miami-Dade County Code ("Report"). Therefore, the Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j) (13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Order

3. It is, therefore, **ORDERED**: The Owner shall take the Required Action as follows: a) the owner shall recertify the property within 30 days of the date of this Order; to include permits and inspections, if applicable, and submittal of Recertification Report; b) if all requirements are not completed within the 30 days the owner shall pay a daily fine of \$250 for each day the violation continues.

4. *Request for compliance inspection.* It is the responsibility of the Owner to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order and to notify the City of any compliance action taken.

5. *Payment of costs, fines, and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. In addition, the Owner shall pay a fine of \$250 for each day the violation continues past the date set for compliance, for which the City shall have a lien against the Owner and the Property. The Board may also enter an order of demolition and assess all costs of the proceedings and demolition and other required action for which the City shall have a lien against the Owner and the Property. Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of this Order.

6. Lien for costs and notice to subsequent purchasers. The City shall have a special assessment lien for its administrative costs, the costs of corrective action, and any fines imposed by the Board, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

7. City's remedies are cumulative. This Order notwithstanding, the City may enforce its code by any other lawful means.

8. **NOTICE:** If the Respondent does not comply with the terms of this Order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, bgarcia@coralgables.com, tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

Dear Ms. Urbay:

I saw your name on a letter in the recertification file for the above property. I would like to let you know that the City is preparing this case for the December 14, 2015, Construction Regulation Board hearing at 2p.m. If you have the recertification report, please submit it. Please feel free to contact me, if you have any questions or concerns.

Thank you.

Ms. Urbay's father just dropped off the Report and paid the fees. The Report is rejected by both of their engineers; therefore, our Officials will reject. I explained to the gentleman they will now need permits to make the necessary repairs. Regardless of a rejected Report I still disregard the Notice, correct? I just want to make sure to not make a mistake.

Hello Gonzalo,

Subsequent to our telephone call this morning I went thru my files and found the email (below) that the building management sent back in December regarding repairs which says "while there are no major issues with the structure of the building, several smaller things needs to be addressed".

The email also mentions that further updates will be coming at a budget meeting that was supposed to be scheduled. Have you had any news from clear sky management regarding this budget date?

Please keep us posted on this.

Dear Salzedo Plaza Unit Owners:

We would like to thank all of you for your wonderful cooperation for the unit inspections that took place yesterday. We were able to access every single unit without any issues. Please thank your tenants for their cooperation on our behalf.

The Engineer will now be preparing a report to submit to the Board and the City. Your Property Manager, Jose Alfonso, was also there and both he and the inspector made notes on their assessments of the building. While there are no major issues with the structure of the building, several smaller things will be addressed.

Additionally, a thoughtful unit owner took the time and effort to clean and paint the heavily stained wall in the entrance of the foyer. By doing this he saved the association quite a bit of money, as the quotes we have been obtaining are coming in pretty high. It is obvious that this owner of Salzedo Plaza and all owners care a great deal about the integrity of your community. As our weekly inspections of Salzedo Plaza continue, we will be discussing with the Board how we can coordinate our inspections to meet with a unit owner who lives in the building and can work closely with us in being mutually informed and updated on everyday issues.

The next update that we will provide will be a detailed outline of the date of the next budget meeting, so be on the lookout for that as it will be sent out very soon.

Thank you for your cooperation once again and wishing each and everyone of you a healthy, happy, and safe holiday season!

Good morning Gonzalo,

A recertification report was received for 1100 Salzedo however; it required repairs to be performed to comply with the minimum criteria outlined by Miami-Dade County.

A new report must be provided after the repairs are done. To date, we have not received this revised report therefore; the property has been scheduled for the Construction Regulation Board.

Re: Building Recertification  
1100 Salzedo Street  
Folio # 03-4108-073-0020

Dear Inspector Lopez,

The final notice for the above referenced caught me off guard as I was not aware of this issue with the Salzedo Plaza Condominium's 40 Year re-certification. I am now overseeing this building in tandem with my field manager Ana Pou and we located previous notices that were being sent to 1514 Salzedo Street #2 and had somehow made their way to one of the Board members that brought it to our attention.

I do apologize for this issue and we have contacted an engineer to provide his proposal for the cost to evaluate the building and provide a report for submission to your department.

We ask that you please provide us with an extension of 120 days and not transfer this building to Unsafe structures.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ketty M. Urbay".

40 Year Recertification**

Dear Jose:

We thank you for this opportunity to assist you, and we respectfully submit this proposal for structural and electrical engineering services for the proposed 40-year recertification services at the property located at 1100 Salzedo Street, in Coral Gables.

#### **SCOPE OF BASIC SERVICES**

U.S. Structures, Inc. will provide the following engineering services:

1. Review of available drawings for the existing construction (for the purpose of coordinating it with the proposed observations and report),
2. Visual observation of the existing structure,
3. Consultation and coordination with you and other consultants,
4. Preparation of the structural and electrical portions of the 40-year recertification report (including photographs) for submission to the Coral Gables Building Department,
5. Preparation of parking lighting observation and certificate, and
6. Up to one (1) follow-up meeting at the site to review deficient items with Owner observed during our initial visit(s) (if required). Additional observations or site visits after the completion of the report in excess of one (1) will be billed at our standard hourly rates with a minimum \$250.00 per visit.

All intended services are limited to the items discussed above. Any additional items requiring structural or electrical engineering will be considered an *Additional Service*.

#### **ADDITIONAL SERVICES**

Services not specifically indicated in the "*Scope of Basic Services*," any significant additions to the project, preparation of repair details or specification, quantification of repairs, structural engineering analysis or design, electrical design, preparation of permit drawings, repair cost analysis, and any changes to work already accomplished will be considered additional services. *Additional Services* will only be performed with your written authorization.

### LIMITATIONS

It must be understood that our review of the existing drawings will be only for the purpose of aiding us with our site observations. We will not be verifying its adequacy and will not assume any responsibility for the original design.

It is also understood that all areas of the building will be made accessible to our office as necessary to complete our services. This may include unlocking doors, providing access openings, ladder to access the roof, access to units, etc. If during the course of our observations it is determined that debris or obstructions impede our access within areas of the structure, it may be necessary to employ the services of a laborer to expose certain areas, or rent equipment to access the roof, etc. These items will be considered an additional service.

It is further understood that if deficient items are noted during our initial observation(s), the Owner will have up to 6-months from the date of the report to repair such items. If certification is not accomplished within this 6-month period, the report prepared by this office and sub-consultant will become void, and a new observation of the property will be required to verify the current condition of the structure at that time.

Finally, please note that submission of reports and fees to Miami-Dade County or the City of Coral Gables is not included in the base fee.

### DESIGN FEES

Our fee for the performance of the "Scope of Basic Services" for both the structural and electrical portions of the 40-year recertification will be a lump sum fee of **\$1,200.00**.

A deposit in the amount of **\$600.00** will be required to begin our services. The balance of the fee will be due upon receipt of signed and sealed documents.

### STANDARD TERMS & CONDITIONS

All services proposed under the provision of this Agreement are subject to the "Standard Terms and Conditions" as outlined on the attached sheet.

### CONCLUSION

It will be a pleasure to work with you on this project. U.S. Structures is committed to providing courteous service, sound engineering design and practical solutions, all in efforts to making this a successful project for you and the Association.

Please acknowledge your acceptance of this proposal by completing and signing the enclosed "Proposal Acceptance Agreement" and returning a copy to us. We will begin work upon receipt of the deposit and completed agreement.

Respectfully submitted,  
U.S. STRUCTURES, INC.

José A. Toledo, P.E.  
President

## STANDARD TERMS AND CONDITIONS

### 1.0 DEFINITIONS

- 1.1 The term "Engineer" is hereby defined as U.S. Structures, Inc.
- 1.2 The term "Client" or "Owner" is hereby defined as Salzedo Plaza Condominium Association.

### 2.0 DESIGN CRITERIA

All designs will be based on the current edition of the 2014 Florida Building Code, Residential Code or Existing Building, as required.

### ~~3.0 GEOTECHNICAL ENGINEERING~~

~~It will be necessary for the Owner to obtain the services of a geotechnical engineer to perform soils exploration, testing and analysis and to prepare a written report of findings and foundation recommendations. Engineer will coordinate with this consultant to provide suggested boring locations and provide projected structural requirements. Services related to soil borings, soil testing, soil compaction, pile certifications, etc. are not provided by Engineer.~~

### 4.0 LIMITATIONS

For projects consisting of additions or renovations to existing construction, Engineer's review of the existing construction will be solely for the purpose of coordinating it with the proposed construction. Engineer is not verifying the original design and/or conditions, and is not assuming any responsibility for there adequacy under current code requirements. Engineer's observation of existing construction at the time of design will be for the purpose of coordinating it with the proposed work. Engineer will not destroy any existing finishes to gain access to existing members unless authorized to do so. Assumptions will be made at the time of design based on the information provided to Engineer. Therefore, at the time of construction, conditions may be exposed that were not anticipated. Changes to the original design based on actual field conditions will be considered Additional Services.

### 5.0 ADDITIONAL SERVICES

The following items are considered additional services unless specifically indicated in the "Scope of Basic Services."

- 5.1 Any significant additions to the project such as increase in square footage.
- 5.2 Structural systems different from those specifically described in "Description of Project."
- 5.3 Construction phase observations, including special inspections.
- 5.4 Construction management.
- 5.5 Value engineering.
- 5.6 Building permit processing or expediting.
- 5.7 Services by other consultants such as architectural, electrical, mechanical, plumbing, civil, landscape, etc.
- 5.8 Changes to work already accomplished.
- 5.9 Preparation of shoring and re-shoring drawings.
- 5.10 Preparation of pool drawings.
- 5.11 Preparation of specialty engineering drawings such as prefabricated trusses, precast concrete, prefabricated stairs, railing, windows, doors, life safety, etc.
- 5.12 Testing services such as concrete cylinders, soil compactions, lead, asbestos, etc.

- 5.13 Expert testimony, subpoenas, etc.

If desired, Engineer can negotiate a lump sum fee for any significant additional services. Additional services will only be performed with Client's expressed authorization.

### 6.0 ADDITIONAL SERVICE RATES

Standard hourly rates used to compute hourly or Additional Services if necessary are as follows:

Senior Professional Engineer	\$200.00
Professional Engineer	\$150.00
Project Engineer	\$110.00
Threshold / Special Inspector	\$110.00
Draftsperson	\$ 85.00
Clerical	\$ 50.00

### 7.0 REIMBURSABLE EXPENSES

Engineer will bill Client at cost plus 0% for out-of-pocket project expenses. These expenses may include printing, copies or other reproductions, photographs, mileage or travel expenses, courier's services, over-night deliveries, etc.

### 8.0 PAYMENT

Unless otherwise noted on page 2 herein, Engineer will invoice approximately monthly. The amount of each invoice will be based Engineer's estimated percent complete of the "Basic Services" plus any appropriate charges for additional services and out-of-pocket project expenses. Payment of invoices will be due upon receipt. Engineer reserves the right to withhold services and documents, and/or file a lien on the real property pending receipt of appropriate payment. Any invoices, which remain unpaid after sixty days from the date of the invoice, will accrue interest at the rate of 1.50% per month.

### 9.0 LIABILITY

To the fullest extent permitted by law, the Engineer's liability under the terms of this contract is limited to the "Design Fees" noted herein. The Client and Owner further agree to indemnify, defend and hold harmless Jose A. Toledo (personally) from and against all claims, damages, costs, liabilities, and expenses ("Claims") resulting from the work described under this Agreement, including any such Claims arising from his own negligence.

PURSUANT TO FLORIDA STATUTES, SECTION 558.0035, AN INDIVIDUAL AGENT OR EMPLOYEE OF ENGINEER MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE. THE FOREGOING SHALL BE CONSTRUED AS BROADLY AS PERMITTED BY LAW TO EXTEND TO ANY INDIVIDUAL AFFILIATED WITH ENGINEER

**PERFORMING SERVICES IN CONNECTION WITH THIS AGREEMENT AND TO EXTEND TO NEGLIGENCE OR ANY BREACH OF THIS AGREEMENT.**

**10.0 CONTRACT TIME**

If Client has not executed this proposal within three (3) months of the proposal date, Engineer reserves the right to equitably adjust its fees or to cancel or declare this proposal void. The hourly rates noted herein are effective for up to two (2) years from the date of contract. The hourly rates will increase by 5% for each calendar year thereafter.

**11.0 TERMINATION**

This Agreement may be terminated by either party upon not less than seven (7) days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement. In the event of termination, Engineer shall be compensated for services performed and reimbursable expenses incurred prior to termination, together with collection fees and/or attorney's fees associated with collections or disputes.

**12.0 OWNERSHIP OF DRAWINGS**

Record drawings and cad files are instruments of Engineer's service. They shall remain the property of Engineer whether the project is executed or not. Original cad files will not be released to Client unless otherwise agreed to. Client may retain copies of the drawings and plot files for information and records.

Good afternoon,

In addition to Ms. Urbay's e-mail below, in which she attached a cover letter, the signed contract with the engineer, and his first letter, please find attached a revised letter from Mr. Toledo, stating that "We will continue our observations during the forthcoming days and will submit our final reports upon completion (on or before January 11, 2016, to the extent reasonably possible)". He was able to expedite this letter to us for the Board to review. Please note that we are in compliance with the Board's requests in submitting this information on Thursday, December 17, and are making the efforts necessary to continue to comply. Mr. Toledo has offered to begin the work on Monday, as Ms. Urbay wrote, in which access will be necessary to each of the units of the Condominium.

Thank you all for your attention,

Dear Attorney Palenzuela, et al

Please see attached cover letter accompanied by the signed agreement with the building's engineer and his letter confirming that he has done a preliminary inspection of the building and confirms that the building is structurally sound.

Mr. Toledo at this time is not at his office to add in the wording about the January 11, 2016 deadline for submission of the report but will add the wording for us in the letter to state that every effort will be made to have the completed report made by that time considering that timely access is provided by all of the unit owners. Please note that this coming Monday we are already scheduling the unit inspections and are notifying all of the owners.

I do not believe that it would be a fair step for the Board to take to send a notice to shut off power and cause hysteria in a building where we as representatives of the building have been in communication with the City, have attended the hearing and have contracted an engineer and began the steps needed to begin the inspections for said report to be compiled by the engineer.

Please note that the engineer is copied as well as a Boards member for their awareness of my communication on their behalf.

I thank you for your time and attention.

My Best Regards,

To Whom It May Concern:

The following is to inform you that we, U.S. Structures, Inc. have been retained by the Salzedo Plaza Condominium Association to provide the structural and electrical reports of the 40-year recertification at the above noted property.

As requested by the City of Coral Gables, we have provided a preliminary cursory review of the existing conditions. Based on our visual observations to date, we have not observed any structural deficiencies that require immediate actions. We will continue our observations during the forthcoming days and will submit our final reports upon completion (on or before January 11, 2016, to the extent reasonably possible).

As a routine matter, in order to avoid possible misunderstanding, nothing in this report should be construed directly or indirectly as a guarantee for any portion of the structure.

Please do not hesitate to contact us if you have any questions.

To whom it concern,

Attached to this cover letter is the signed contract for the 40-year re-certification report for 1100 Salzedo Street. Additionally, please find a signed letter from the engineer stating that, during his preliminary walkthrough of the building, he noted the building to be in safe conditions. The engineer will begin the work on Monday, December 21, 2014, during which he will be accessing all 11 units to complete his report. Due to the holiday season, and the need to coordinate access into all units, it is a process that cannot be guaranteed to finish at a specific date. However, we will work closely with him to expedite the work and make all possible efforts to comply with the deadline from the City of January 11, 2016 for submission of the engineer's report to the Building Department and the Board for the next hearing.

**RE: 40 Year Re-certification at 1100 Salzedo  
FOLIO #: 03-4108-052-0001**

Dear Building Official:

Based on our observations, there are structural items that require immediate action. Therefore, this building cannot be certified until the issues noted are addressed. Please refer to attached report (pages 1-7) and supporting photographs (8-12).

As a routine matter, in order to avoid possible misunderstanding, nothing in this report should be construed directly or indirectly as a guarantee for any portion of the structure. To the best of my knowledge and ability, this report represents an accurate appraisal of the present condition of the structural systems for this building based upon careful evaluation of observed conditions, to the extend reasonably possible.

Respectfully submitted,

Today I received a letter from the City of Coral Gables notifying me that the building is declared unsafe and a possible eviction or demolition is coming. In talking to the City of Coral Gables they tell me the reason for this is that Clear Sky has not complied with the requirement of supplying a report (structural and electrical) for buildings 40 years and older.

I have been trying to contact your office by phone but your office is not answering phone calls.

I am demanding that you tell me what actions are you taking to resolve this situation.
