Good morning Mr. Nguyen,

I am sorry to bother you again. After our last conversation I felt better knowing a case was never started against me. Would you be able to have the detective that was assigned to my case send me a quick email advising nothing came from the claims. I was requested by my Supervisor to try and have something in writing clearing my name for today's zoom meeting where all the public will be able to hear the conversation.

Thank you so much.
