Natural green patina

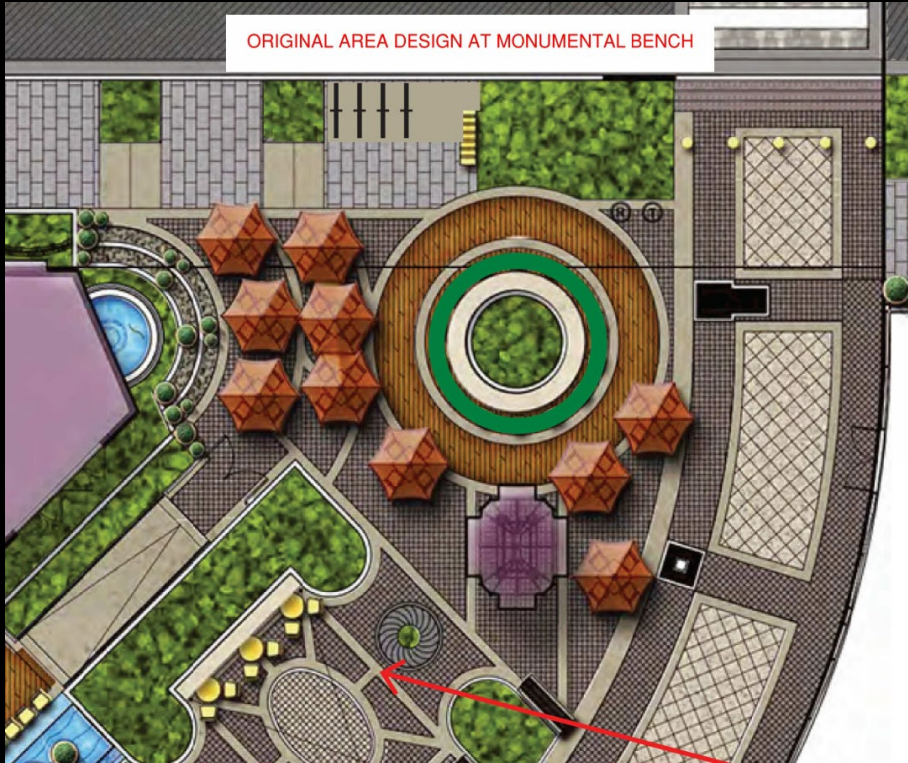

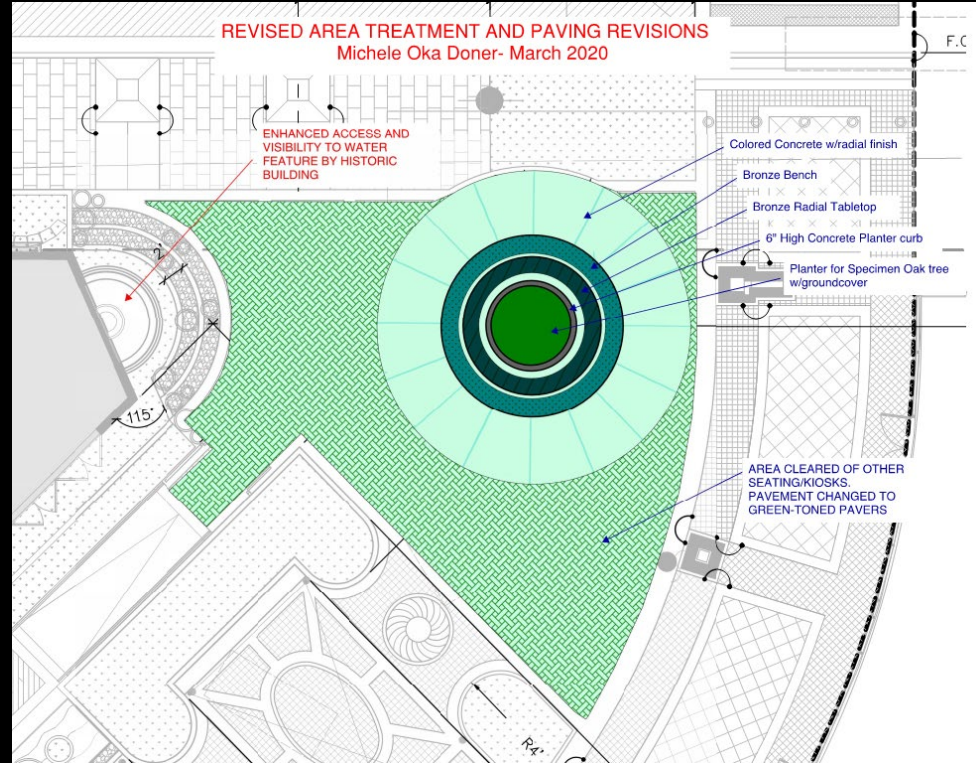

Revise planter to a low
6" high

March 2020 revisions

ORIGINAL AREA DESIGN AT MONUMENTAL BENCH

REVISED AREA TREATMENT AND PAVING REVISIONS
Michele Oka Doner- March 2020

March 2020 revisions – Proposed 6 Lanterns @ Specimen Tree - Inspiration

The hanging lanterns would follow the concept from the sculpture but would be fabricated in copper, providing a hollow internal area where the light source will be located. They will have electrical power and internal LED outdoor weather-rated light fixtures.

THE PLAZA CORAL GABLES - Art In Public Spaces

Monumental Bench + Radial Ring- Michelle Oka Doner Studio
