Hello Lynn,

I'm Rogelio Villanueva, owner of 617 Zamora Ave. I found this attached notification on my main door about the expired permit for the pool and I see I have 8/25/21 as the deadline to solve it.

The reason why the pool permit is expired is because the permit for the fence (pool enclosure) has been taking so long (since Jan 2021). I finally got it approved and I'm waiting for my contractor to install the fence; hopefully in September but it might be later.

Since the pool permit renewal is for 3 months, and my fence contractor has not been very fast and responsive, I'd like to request some extra time prior to renewing the pool permit until I have more certainty about the actual fence installation date.

Please let me know if that's ok with you.

Thanks
Rogelio
