Notice of Violation

April 15, 2026

Case #: NOVI-26-04-12881

PROPERTIES 4 US INC or
R/A:
DIAZ, RICHARD JP.A.
4800 LEJEUNE RD
MIAMI, FL 33146

Folio #: 0341200224000

Dear Property Owner and/or Occupant:

This letter constitutes a notice that a violation(s) exists on the premises at:

4800 LE JEUNE RD, Coral Gables, FL 33146---0000

The violation(s) found was:

Landscaping - Plant Materials - Ground cover - Section 6-103. Landscape general requirements v. Ground cover. A combination of vegetative ground cover, lawn grass, mulch or other City approved ground cover shall be provided on all exposed earth. The intent is to provide one-hundred (100%) percent ground coverage. If vegetative ground covers are provided, the vegetation shall provide complete coverage within three (3) months after planting.

Code Enforcement Officer Comments: Rocks installed on commercial property swale without a permit

The following steps should be taken to correct the violation:

Comply with Section 6-103, Section 6. Plant materials, Sub-section V

Must obtain an after the fact permit for the White and Gray Stone Gravel you installed on your commercial Property Swale. As the city usually requires a combination of vegetative ground cover, to go along with the gravel on Private or commercial property swales.

The regulations enforced by the City have been adopted in order to protect the public and assure continuing high property values. Your immediate attention to correcting the violation(s) listed above is required.

The Code Enforcement Division will re-inspect the property on 5/16/2026 to determine if corrective measures have been completed. If the violation(s) has not been completed at the time of inspection, your case will be presented to the Code Enforcement Board for review and possible action. At that time, you will have the opportunity to explain to the citizens serving on the Board the reasons why the violation(s) has not been corrected. The Board has the authority to assess a fine against you for as long as the violation continues.
