D. OLD BUSINESS

D-1 Discussion on the Coral Gables History Tour (Facilitated by Winnie Chang, Chairperson)

Board Members reviewed the original History Tours Resolution and the new Museum tour offerings via their website.

Sam Joseph reiterated that the original program and resolution was intended to focus on the history of the City of Coral Gables and not focus on the museum itself. He mentioned that History Miami has the staff and resources to possibly take this over from the museum.

April Jones stated that another issue would be that since the current museum offered tours have a 30 student limit, multiple field trips would be needed to cover one school.

Board Member Slesnick states that it should be kept local to Coral Gables and brings up changing the history tours to the Merrick House. Board Member Lam used to sit on the Merrick House Board and states that this might be possible. The use of trolleys is brought up but after discussion it is decided this would not be an option due to several issues including the District not allowing the use of trolleys as they have no seatbelts.

Sam Joseph stated that what is needed is a tour operator. History Miami, Dade Heritage Trust and some other private companies offer these services.

Board Member Slesnick mentioned that even with a scaled down walking version, four staff members would be needed to handle these tours. There are five 4th grade classes at Coral Gables Prep, etc. While the tours are a want, schools have other needs that the current earmarked monies can go towards.

Board Member Lam mentioned the purchasing and use of an app that incorporates QR codes at landmarks. Chairperson Chang asks if Board Member Lam wants to take the lead on this initiative. Board Member Lam will work with Sam on this initiative. Whatever version this takes it needs to continue to be tied to the curriculum.

This item will be revisiting in the Jan. 12, 2024 SCRC meeting.

E. ONGOING BUSINESS

E-1 Review and discussion on proposed Resolution regarding an education strategic plan survey (Facilitated by Winnie Chang, Chairperson)

The SCRC reviewed the two different versions of the draft resolution being proposed and additional language in a third draft shared on screen. Board Member Goodman stated that they should ask for more. Vice Chairperson Dimitris mentioned that they should ask in stages.

April Jones stated that it is important to keep in the language about making education part of the city strategic plan. Chairperson Chang agreed on the topic of the strategic plan but would separate the chief education officer request, Board Member Slesnick seconds this thought.

Board Member Slesnick mentioned that there are two different items being discussed, the survey and the initial conversation about funding current programmatic needs. She reiterates the possibility of using the \$20,000 earmarked for the history tours as a starting point for now. Vice Chairperson Dimitris agreed that the resolution needs to be split but agrees with the others on the language relating to the strategic plan.

Sam Joseph mentioned that in his opinion, discretionary funds to the schools would receive a no vote from the Commission. Sam agrees that there should be one staff member focusing on education in the city. Estelle Lockhart stated she attended the Chamber of Commerce presentation from yesterday and that education was not mentioned as a livable pillar from the city.

Vice Chairperson Dimitris stated that it is important to have an educational professional oversee the survey. Board Member Goodman stated that he is okay with dropping the chief officer in this resolution for now.

There is mention of Catherine Raymand, a Coral Gables resident and possible future consultant on this topic.

Vice Chairperson Dimitris motions to request a time certain on the resolution as approved by the SCRC for 10 a.m. at the Dec. 12 Commission Meeting, Board Member Goodman seconded. Motion passed.
