(D) Any and all leases, subleases, tenancies, licenses, occupancy agreements or agreements to lease all or any portion of the Real Estate, Improvements, Service Equipment or all or any other portion of the Property and all extensions, renewals, amendments, modifications and replacements thereof, and any options, rights of first refusal or guarantees relating thereto (collectively, the **“Leases”**); all rents, income, receipts, revenues, security deposits, escrow accounts, reserves, issues, profits, awards and payments of any kind payable under the Leases or otherwise arising from the Real Estate, Improvements, Service Equipment or all or any other portion of the Property including, without limitation, minimum rents, additional rents, percentage rents, parking, maintenance and deficiency rents (collectively, the **“Rents”**); all of the following personal property, to the extent assignable (collectively referred to as the **“Contracts”**): all accounts maintained by Mortgagor relating to the Real Estate, general intangibles and contract rights (including any right to payment thereunder, whether or not earned by performance) of any nature relating to the Real Estate, Improvements, Service Equipment or all or any other portion of the Property or the use, occupancy, maintenance, construction, repair or operation thereof; all management agreements, franchise agreements, utility agreements and deposits, building service contracts, maintenance contracts, construction contracts and architect’s agreements; all maps, plans, surveys and specifications; all warranties and guaranties; all permits, licenses and approvals; and all insurance policies, books of account and other documents, of whatever kind or character, relating to the use, construction upon, occupancy, leasing, sale or operation of the Real Estate, Improvements, Service Equipment or all or any other portion of the Property;

(E) Any and all estates, rights, tenements, hereditaments, privileges, easements, reversions, remainders and appurtenances of any kind benefiting or appurtenant to the Real Estate, Improvements or all or any other portion of the Property; all means of access to and from the Real Estate, Improvements or all or any other portion of the Property, whether public or private; all streets, alleys, passages, ways, water courses, water and mineral rights relating to the Real Estate, Improvements or all or any other portion of the Property; and all other claims or demands of Mortgagor, either at law or in equity, in possession or expectancy of, in, or to the Real Estate, Improvements or all or any other portion of the Property (all of the foregoing described in this subsection E herein called the **“Appurtenances”**); and

(F) Any and all “proceeds” of any of the above-described Real Estate, Improvements, Service Equipment, Leases, Rents, Contracts and Appurtenances, which term “proceeds” shall have the meaning given to it in the Uniform Commercial Code, as amended, (the **“Code”**) of the State in which the Property is located (collectively, the **“Proceeds”**) and shall additionally

include whatever is received upon the use, lease, sale, exchange, transfer, collection or other utilization or any disposition or conversion of any of the Real Estate, Improvements, Service Equipment, Leases, Rents, Contracts and Appurtenances, voluntary or involuntary, whether cash or non-cash, including proceeds of insurance and condemnation awards, rental or lease payments, accounts, chattel paper, instruments, documents, contract rights, general intangibles, equipment and inventory.

Notwithstanding anything herein to the contrary, the “**Property**” shall not include any property belonging to tenants under Leases except to the extent that Mortgagor shall have any right or interest therein, and any distributions made by Mortgagor to its direct and indirect members that are not in violation of the Loan Documents are not subject to the lien of this Mortgage and can be retained by such direct and indirect members free and clear of such lien.

TO HAVE AND TO HOLD the above granted and conveyed Property unto and to the proper use and benefit of Mortgagee (for the benefit of Mortgagee and the Lenders) and its successors and assigns, forever.

PROVIDED ALWAYS, and these presents are upon the express condition, that if (i) all the Liabilities, including without limitation, all termination payments and any other amounts due under or in connection with any swap agreements secured hereunder, if any, are paid in full, (ii) each and every representation, warranty, agreement and covenant of this Mortgage and the other Loan Documents are complied with and abided by, and (iii) any swap agreements secured hereunder have matured or been terminated, then this Mortgage and the estate hereby created shall cease and be null and void and canceled of record.

The terms of the Loan Documents are hereby made a part of this Mortgage to the same extent and with the same effect as if fully set forth herein. All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Loan Agreement.

AND Mortgagor covenants and agrees with and represents to Mortgagee and the Lenders as follows:

1. FUTURE ADVANCES; PROTECTION OF PROPERTY. This Mortgage shall secure any and all present or future advances and readvances under the Liabilities made by Lenders to or for the benefit of Mortgagor or the Property within twenty (20) years from the date hereof (whether such advances are obligatory or are made at the option of Lenders or otherwise), including, without limitation: (i) principal, interest, late charges, fees and other amounts due under the Liabilities or this Mortgage; (ii) all advances by Mortgagee and/or the Lenders to Mortgagor or any other person to pay costs of erection, construction, alteration, repair, restoration, maintenance and completion of any improvements on the Property; (iii) all advances made or costs incurred by Mortgagee and/or the Lenders for the payment of real estate taxes, assessments or other governmental charges, maintenance charges, insurance premiums, appraisal charges, environmental inspection, audit, testing or compliance costs, and costs incurred by Lenders for the enforcement and protection of the Property or the lien of this Mortgage; and (iv) all reasonable legal fees, reasonable and actual costs incurred by Mortgagee and/or the Lenders by reason of any default or otherwise in connection with the Liabilities. The total amount of the

Liabilities that may be so secured may decrease to a zero amount from time to time, or may increase from time to time, but the total unpaid balance secured at any one time shall not exceed One Hundred Fifty Million and No/100 Dollars (\$150,000,000.00).

Mortgagor agrees that if, at any time during the term of this Mortgage or following the commencement of a foreclosure action hereunder (whether before or after the entry of a judgment of foreclosure), Mortgagor fails to perform or observe any covenant or obligation under this Mortgage including, without limitation, payment of any of the foregoing, Mortgagee may (but shall not be obligated to) take such steps as are reasonably necessary to remedy any such nonperformance or nonobservance and provide payment thereof. All amounts advanced by Lenders shall be added to the amount secured by this Mortgage and the other Loan Documents (and, if advanced after the entry of a judgment of foreclosure, by such judgment of foreclosure), and shall be due and payable on demand, together with interest at the Default Rate (as defined in the Notes), such interest to be calculated from the date of such advance to the date of repayment thereof.

2. REPRESENTATIONS, WARRANTIES AND COVENANTS.

2.1. **Payment and Performance.** Mortgagor shall (a) pay to Mortgagee (for the pro rata benefit of the Lenders) all sums required to be paid by Mortgagor under the Loan Documents, in accordance with their stated terms and conditions; (b) perform and comply with all terms, conditions and covenants set forth in each of the Loan Documents by which Mortgagor is bound; and (c) perform and comply with all of Mortgagor's obligations and duties as landlord under any Leases in all material respects, subject to Mortgagor's reasonable business judgment.

2.2. **Seisin and Warranty.** Mortgagor hereby warrants to Mortgagee and Lenders that (a) Mortgagor is seized of an indefeasible estate in fee simple in, and warrants the title to, the Property, subject to the Permitted Encumbrances; (b) Mortgagor has the right, full power and lawful authority to mortgage, grant, convey and assign the same to Mortgagee (for the benefit of itself and the Lenders) in the manner and form set forth herein; and (c) this Mortgage is a valid and enforceable first lien on the Property. Mortgagor hereby covenants that Mortgagor shall (a) preserve such title and the validity and priority of the lien of this Mortgage, subject to the Permitted Encumbrances, and shall warrant and defend the same to Mortgagee and Lenders during the term of the Loan against all lawful claims whatsoever, subject to Permitted Encumbrances; and (b) execute, acknowledge and deliver all such further documents or assurances as may at any time hereafter be reasonably required by Mortgagee to protect fully the lien of this Mortgage.

2.3. **Taxes and Other Charges.** Mortgagor shall promptly pay and discharge all taxes, assessments, water and sewer rents, and other governmental charges imposed upon the Property prior to delinquency, but in no event after interest or penalties commence to accrue thereon or become a lien upon the Property. Notwithstanding the foregoing, Mortgagor shall have the right to contest, at its own expense, by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of such taxes, assessments, water and sewer rents, or other governmental charges in accordance with the terms of the Loan Agreement.

2.4. **Intentionally Omitted.**

2.5. **No Encumbrances.** Other than Permitted Encumbrances, Mortgagor shall not create or permit to exist any mortgage, pledge, lien, security interest (including, without limitation, a purchase money security interest or a Property-Assessed Clean Energy loan (“**PACE Loan**”)), encumbrance, attachment, levy, distraint or other judicial process on or against the Property or any part thereof (including, without limitation, fixtures and other personalty), whether superior or inferior to the lien of this Mortgage, without the prior written consent of Mortgagee. For the avoidance of doubt, Mortgagor shall not obtain any PACE Loan against the Property without prior written consent of Mortgagee, and any PACE Loan incurred without the Mortgagee’s consent shall cause a default hereunder. Neither Mortgagor nor its constituents shall obtain any mezzanine or other secondary financing.

2.6. **Intentionally Deleted.**

2.7. **Intentionally Deleted.**

2.8. **Maintenance and Repair; Alterations.** (a) Mortgagor shall (i) abstain from and not permit the commission of any material physical waste in or about the Property; (ii) keep the Property, at Mortgagor’s own cost and expense, in good and substantial repair, working order and condition (normal wear and tear excepted); and (iii) make or cause to be made, as and when necessary, all repairs and replacements, whether or not insurance proceeds are available therefor. All alterations, replacements, renewals or additions made pursuant hereto shall automatically become a part of the Property and shall be covered by the lien of this Mortgage, to the extent of Mortgagor’s interest therein (and excluding any property owned by tenants under the Leases).

(b) Mortgagee, and any persons authorized by Mortgagee, shall have the right, but not the obligation, to enter upon the Property at any reasonable time and upon reasonable prior notice to inspect and photograph its condition and state of repair, subject to the rights of tenants under the Leases. In the event any such inspection reveals, in the reasonable discretion of Mortgagee, the necessity for any repair, alteration, replacement, clean-up or maintenance, Mortgagor shall cause such work to be effected promptly to bring the Property in compliance with Section 2.8(a) above.

2.9. **Compliance with Applicable Laws.** Mortgagor agrees to observe, conform and comply, and to use commercially reasonable efforts to cause its tenants to observe, conform and comply in all material respects with all federal, state, county, municipal and other governmental or quasi-governmental laws, rules, regulations, ordinances, codes, requirements, covenants, conditions, orders, licenses, permits, approvals and restrictions, including without limitation, Environmental Laws (as defined below) and the Americans with Disabilities Act of 1990 (collectively, the “**Legal Requirements**”), now or hereafter affecting all or any part of the Property, its occupancy or the business or operations now or hereafter conducted thereon and the personalty contained therein, within such time as required by such Legal Requirements.

Notwithstanding anything to the contrary contained herein or in the other Loan Documents, all representations which are made “to Mortgagor’s knowledge” or qualified with words of similar

import, shall be deemed made to the actual knowledge of Mortgagor, without investigation or inquiry except as otherwise expressly provided herein or therein.

3. SECURITY AGREEMENT. This Mortgage constitutes a security agreement under the Code and shall be deemed to constitute a fixture financing statement. Mortgagor hereby grants to Mortgagee (for the benefit of Mortgagee and the Lenders) a security interest in all of Mortgagor's right, title and interest in the fixtures, personal and other property (other than real property) included in the Property, and all replacements of, substitutions for, and additions to, such property, and the proceeds thereof. Mortgagor shall, at Mortgagor's own expense, execute, deliver, file and refile any financing or continuation statements or other security agreements Mortgagee may reasonably require from time to time to perfect, confirm or maintain the lien of this Mortgage with respect to such property. Without limiting the foregoing, during the existence of an Event of Default, Mortgagor hereby irrevocably appoints Mortgagee attorney-in-fact for Mortgagor to execute, deliver and file such instruments for or on behalf of Mortgagor at Mortgagor's expense, which appointment, being for security, is coupled with an interest and shall be irrevocable.

4. ASSIGNMENT OF LEASES AND RENTS.

4.1. Subject to Legal Requirements, Mortgagor hereby absolutely, presently and unconditionally conveys, transfers and assigns to Mortgagee (for the benefit of Mortgagee and the Lenders) all of Mortgagor's right, title and interest, now existing or hereafter arising, in and to the Leases and Rents. This assignment is intended to be and shall constitute an unconditional, absolute and present assignment from Mortgagor to Mortgagee (for the benefit of Mortgagee and the Lenders) of all of Mortgagor's right, title and interest in and to the Leases and Rents, and not an assignment in the nature of a pledge of such Leases and Rents or the mere grant of a security interest therein. Notwithstanding that this assignment is effective immediately, so long as no Event of Default exists, Mortgagor shall have the privilege under a revocable license granted hereby to operate and manage the Property and to collect, as they become due, but not prior to accrual, the Rents. The license herein granted to Mortgagor shall automatically, without notice or any other action by Mortgagee, terminate upon the occurrence and during the continuance of an Event of Default, and all Rents subsequently collected or received by Mortgagor shall be held in trust by Mortgagor for the sole and exclusive benefit of Mortgagee. Nothing contained in this Section 4.1, and no collection by Mortgagee of Rents, shall be construed as imposing on Mortgagee any of the obligations of the lessor under the Leases.

4.2. Mortgagor shall timely perform all of its obligations under the Leases in all material respects. To Mortgagor's knowledge, Mortgagor represents and warrants that: (a) Mortgagor has title to and full right to assign presently, absolutely and unconditionally the Leases and Rents; (b) no other assignment of any interest in any of the Leases or Rents has been made by Mortgagor; (c) there are no leases or agreements to lease all or any portion of the Property now in effect except the Leases, true and complete copies of which have been furnished to Mortgagee, and no written or oral modifications have been made thereto, except as disclosed to Mortgagee; (d) as of the date hereof and except as set forth in any estoppels previously delivered by Mortgagor to Mortgagee, there is no existing default by Mortgagor or by any tenant under any of the Leases, nor has any event occurred which due to the passage of time, the giving

or failure to give notice, or both, would constitute a default under any of the Leases and no tenant has any defenses, set-offs or counterclaims against Mortgagor; (e) as of the date hereof, the Leases are in full force and effect; and (f) Mortgagor has not accepted Rent under any Lease more than thirty (30) days in advance of its accrual (unless expressly contemplated under the terms of the Lease), and payment thereof has not otherwise been forgiven, discounted or compromised.

4.3. Intentionally Deleted.

4.4 Mortgagor covenants and agrees to furnish to Mortgagee, on request: (i) a complete list, as of the date of such request, of all existing Leases and the Rents payable thereunder, and providing such further detail as Mortgagee may reasonably request; and (ii) executed copies of all existing Leases and any modifications or amendments thereto.

4.5 Mortgagor shall, from time to time (but not more than once in any twelve (12) month period unless an Event of Default exists), without charge and within ten (10) Business Days after written request by Mortgagee, execute, acknowledge and deliver, and request each tenant under the Leases to execute, acknowledge and deliver to Mortgagee a written statement, in form and substance reasonably satisfactory to Mortgagee, certifying to certain matters relating to the Leases, including without limitation: (i) the commencement and expiration dates of the Leases and the dates when any rents, charges and other sums commenced to be payable thereunder; (ii) that the Leases are unmodified and in full force and effect (or, if modified, stating the nature of such modifications and that the Leases as so modified are in full force and effect); (iii) the amount of Rents payable under the Leases and the dates to which the Rents and other charges under the Leases have been paid in advance; and (iv) whether there are any uncured defaults by Mortgagor or such tenant or any setoffs or defenses against enforcement of any terms or conditions under any Lease.

4.6 Notwithstanding any legal presumption to the contrary, Mortgagee shall not be obligated by reason of its acceptance of this assignment or of any Rent to perform any obligation of Mortgagor under any of the Leases, and Mortgagee shall not, prior to taking title thereto or entry upon and actually taking physical possession of the Property, be deemed a mortgagee in possession.

4.7 Neither this assignment nor collection by Mortgagee of Rents is intended, nor shall it be construed, at any time prior to taking title thereto or entry upon and actually taking physical possession of the Property, to operate to place responsibility upon Mortgagee for: (i) the control, care, operation, management or repair of the Property; (ii) the performance of any of the terms or conditions of the Leases; (iii) any waste committed on, or any dangerous or defective condition at the Property; or (iv) any negligence in the control, care, operation, management or repair of the Property, resulting in loss or injury or death to any tenant, licensee, employee or other person or loss of or damage to the property of any of the foregoing; it being the intent of the parties that the responsibility and liability for the aforesaid matters shall remain solely with Mortgagor. Mortgagee assumes no liability for any security deposited with Mortgagor by any tenant unless and until such deposits are specifically transferred and delivered to Mortgagee.

4.8. Notwithstanding the privilege and license granted by Mortgagee herein, during the existence of an Event of Default, Mortgagee, and not Mortgagor, shall be deemed to be the creditor of each tenant in respect of any assignment for the benefit of creditors, bankruptcy, reorganization, insolvency, dissolution or receivership proceedings affecting such tenant. Mortgagee shall have the option to have any money received by Mortgagee as such creditor applied to reduce the Liabilities or paid over to Mortgagor. During the existence of an Event of Default, Mortgagee shall have the right to file claims in any such proceedings and to otherwise pursue creditor's rights therein. If Mortgagor learns that any tenant under a Major Lease has become the subject of such a proceeding, Mortgagor shall give Mortgagee prompt notice thereof.

4.9. The assignment of Rents contained in this Section 4 is intended to, and does, constitute an assignment of rents as contemplated in Florida Statutes, Section 697.07 ("**Section 697.07**"). If an Event of Default then exists, Mortgagee shall be entitled to the remedies provided in said Section 697.07, in addition to all rights and remedies, whether procedural or substantive, in effect at the time of execution or enforcement of this Mortgage. Nothing contained in this Section 4 shall diminish, alter, impair, or affect any other rights and remedies of Mortgagee, including but not limited to, the appointment of a receiver, nor shall any provision herein, diminish, alter, impair or affect any rights or powers of the receiver in law or equity or as set forth elsewhere in this Mortgage. In addition, this assignment of Rents shall be fully operative without regard to value of the Property or without regard to the adequacy of the Property to serve as security for the obligations owed by Mortgagor to Mortgagee, and shall be in addition to any rights arising under Section 697.07.

5. **DECLARATION OF NO OFFSET**. To Mortgagor's knowledge, Mortgagor represents to Mortgagee and the Lenders that as of the date hereof, Mortgagor has no knowledge of any offsets, counterclaims or defenses to the Liabilities either at law or in equity.

6. **INTENTIONALLY OMITTED**.

7. **EVENTS OF DEFAULT**. Any Event of Default (as defined in the Loan Agreement) shall constitute an Event of Default under this Agreement.

8. **REMEDIES**. Upon the occurrence of an Event of Default that continues beyond applicable notice, grace and/or cure periods, Mortgagee may take any of the following actions (for the benefit of Mortgagee and the Lenders):

8.1. **Acceleration**. Mortgagee may declare the entire amount of the Liabilities immediately due and payable, without presentment, demand, notice of any kind, protest or notice of protest, all of which are expressly waived, notwithstanding anything to the contrary contained in any of the Loan Documents. Mortgagee may charge and collect interest from the date of default on the unpaid balance of the Liabilities, at the Default Rate (as defined in the Notes).

8.2. **Possession**.

(a) Mortgagee may enter upon and take possession of the Property, with or without legal action, lease the Property, collect therefrom all rentals and, after deducting all reasonable

and actual costs of collection and administration expense, apply the net rentals to any one or more of the following items in such manner and in such order of priority as Mortgagee, in Mortgagee's sole discretion, may elect: the payment of any sums due under any prior lien, taxes, water and sewer rents, charges and claims, insurance premiums and all other carrying charges, to the maintenance, repair or restoration of the Property, or on account of the Liabilities. Mortgagee is given full authority to do any act which Mortgagor could do in connection with the management and operation of the Property. Mortgagee may notify the tenants under the Leases, or any property manager or rental agent under any Contract, to pay all Rents directly to Mortgagee. Mortgagor shall pay to Mortgagee on demand any Rents collected by Mortgagor after the revocation of the license granted to Mortgagor. Mortgagor hereby irrevocably authorizes and directs the tenants under the Leases, and any property manager or rental agent under any Contract, upon receipt of written notice from Mortgagee, to pay all Rents due to Mortgagee without the necessity of any inquiry to Mortgagor and without any liability respecting the determination of the actual existence of any Event of Default claimed by Mortgagee or any claim by Mortgagor to the contrary. Mortgagor further agrees that it shall facilitate in all reasonable ways Mortgagee's collection of the Rents and will, upon Mortgagee's request, execute and deliver a written notice to each tenant under the Leases, or any property manager or rental agent under any Contract, directing such parties to pay the Rents to Mortgagee. Mortgagor shall have no right or claim against any parties to any Lease or Contract who make payment to Mortgagee after receipt of written notice from Mortgagee requesting same. This covenant is effective either with or without any action brought to foreclose this Mortgage and without applying for a receiver of such rents.

(b) Mortgagee may: (i) endorse as Mortgagor's attorney-in-fact the name of Mortgagor or any subsequent owner of the Property on any checks, drafts or other instruments received in payment of the Rents, and deposit the same in bank accounts, which power of attorney is coupled with an interest and shall be irrevocable; (ii) give proper receipts, releases and acquittances in relation thereto in the name of Mortgagor; (iii) institute, prosecute, settle or compromise any summary or legal proceedings in the name of Mortgagor for the recovery of the Rents, or for damage to the Property, or for the abatement of any nuisance thereon; and (iv) defend any legal proceedings brought against Mortgagor arising out of the operation of the Property. Any reasonable and actual out of pocket charges, expenses or fees, including reasonable attorneys' fees and costs, incurred by Mortgagee in connection with any of the foregoing shall be included in the Liabilities, and shall be due and payable on demand, together with interest at the Default Rate (as defined in the Notes), such interest to be calculated from the date of such demand to the date of repayment thereof.

(c) Mortgagee may apply any Rents to the payment of: (i) the Liabilities, together with all actual and reasonable costs and reasonable attorneys' fees; (ii) all taxes, charges, claims, assessments, water rents, sewer rents and any other liens which may be prior in lien or payment to the Liabilities, and premiums for insurance, with interest on all such items; and (iii) the cost of all alterations, repairs, replacements and expenses incident to taking and retaining possession of the Property and the management and operation thereof; all in such order or priority as Mortgagee in its sole discretion may determine, any statute, law, custom or use to the contrary notwithstanding.

(d) Mortgagee may, at its election, but shall not be obligated to: (i) perform any of Mortgagor's obligations under the Leases (provided, however, that Mortgagor shall remain liable for such obligations notwithstanding such election by Mortgagee); (ii) exercise any of Mortgagor's rights, powers or privileges under the Leases; (iii) modify, cancel or renew existing Leases or make concessions to the tenants thereto; (iv) execute new Leases for all or any portion of the Property; and (v) take such other action as Mortgagor may have taken with respect to the Leases.

8.3. **Foreclosure**. Mortgagee (for the benefit of Mortgagee and the Lenders) may institute any one or more actions of mortgage foreclosure against all or any part of the Property, or take such other action at law, equity or by contract for the enforcement of this Mortgage and realization on the security herein or elsewhere provided for, as the law may allow, and may proceed therein to final judgment and execution for the entire unpaid balance of the Liabilities. The unpaid balance of any judgment shall bear interest at the Default Rate (as defined in the Notes). Without limiting the foregoing, Mortgagee may foreclose this Mortgage and exercise its rights as a secured party for all or any portion of the Liabilities which are then due and payable, subject to the continuing lien of this Mortgage for the balance not then due and payable. In case of any sale of the Property by judicial proceedings, the Property may be sold in one parcel or in such parcels, manner or order as Mortgagee in its sole discretion may elect. Mortgagor, for itself and anyone claiming by, through or under it, hereby agrees that Mortgagee shall in no manner, in law or in equity, be limited, except as herein provided, in the exercise of its rights in the Property or in any other security hereunder or otherwise appertaining to the Liabilities or any other obligation secured by this Mortgage, whether by any statute, rule or precedent which may otherwise require said security to be marshalled in any manner and Mortgagor, for itself and others as aforesaid, hereby expressly waives and releases any right to or benefit thereof. The failure to make any tenant a defendant to a foreclosure proceeding shall not be asserted by Mortgagor as a defense in any proceeding instituted by Mortgagee to collect the Liabilities or any deficiency remaining unpaid after the foreclosure sale of the Property.

8.4. **Appointment of Receiver**. Mortgagee may petition a court of competent jurisdiction to appoint a receiver of the Property. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagor at the time of application for such receiver, without regard to the then value of the Property or whether the Property shall be then occupied as a homestead or not, and without regard to whether Mortgagor has committed waste or allowed deterioration of the Property, and any agent of Mortgagee may be appointed as such receiver. Mortgagor hereby agrees that Mortgagee has a special interest in the Property and absent the appointment of such receiver the Property may suffer waste and deterioration and Mortgagor further agrees that it shall not contest the appointment of a receiver and hereby so stipulates to such appointment pursuant to this paragraph. Such receiver shall have the power to perform all of the acts permitted Mortgagee pursuant to Section 8.2 above and such other powers which may be necessary or customary in such cases for the protection, possession, control, management and operation of the Property during such period.

8.5. **Rights as a Secured Party**. Mortgagee shall have, in addition to other rights and remedies available at law or in equity, the rights and remedies of a secured party under the Code.

Mortgagee may elect to foreclose such of the Property as then comprise fixtures pursuant either to the law applicable to foreclosure of an interest in real estate or to that applicable to personal property under the Code. To the extent permitted by law, Mortgagor waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect.

8.6. **Excess Monies.** Mortgagee may apply on account of the Liabilities any unexpended monies still retained by Mortgagee that were paid by Mortgagor to Mortgagee under the Loan Documents: (a) for the payment of, or as security for the payment of taxes, assessments or other governmental charges, insurance premiums, or any other charges; or (b) to secure the performance of some act by Mortgagor.

8.7. **Other Remedies.** Mortgagee shall have the right, from time to time, to bring an appropriate action to recover any sums required to be paid by Mortgagor under the terms of this Mortgage, as they become due, without regard to whether or not any other Liabilities shall be due, and without prejudice to the right of Mortgagee thereafter to bring an action of mortgage foreclosure, or any other action, for any default by Mortgagor existing at the time the earlier action was commenced.

9. **MISCELLANEOUS.**

9.1. **Notices.** All notices and communications under this Mortgage shall be in writing and shall be given in accordance with the notice provisions of the Loan Agreement.

9.2. **Remedies Cumulative.** The rights and remedies of Mortgagee and the Lenders as provided in this Mortgage or in any other Loan Document shall be cumulative and concurrent, may be pursued separately, successively or together, may be exercised as often as occasion therefor shall arise, and shall be in addition to any other rights or remedies conferred upon Mortgagee and the Lenders at law or in equity. The failure, at any one or more times, of Mortgagee to assert the right to declare the Liabilities due, grant any extension of time for payment of the Liabilities, take other or additional security for the payment thereof, release any security, change any of the terms of the Loan Documents, or waive or fail to exercise any right or remedy under any Loan Document shall not in any way affect this Mortgage or the rights of Mortgagee and the Lenders.

9.3. **No Implied Waiver.** Mortgagee shall not be deemed to have modified or waived any of its rights or remedies hereunder unless such modification or waiver is in writing and signed by Mortgagee, and then only to the extent specifically set forth therein. A waiver in one event shall not be construed as continuing or as a waiver of or bar to such right or remedy on a subsequent event.

9.4. **Partial Invalidity.** The invalidity or unenforceability of any one or more provisions of this Mortgage shall not render any other provision invalid or unenforceable. In lieu of any invalid or unenforceable provision, there shall be added automatically a valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

9.5. **Binding Effect.** The covenants, conditions, waivers, releases and agreements contained in this Mortgage shall bind, and the benefits thereof shall inure to, the parties hereto and their respective heirs, executors, administrators, successors and assigns and are intended and shall be held to be real covenants running with the land; provided, however, that this Mortgage cannot be assigned by Mortgagor without the prior written consent of Mortgagee, and any such assignment or attempted assignment by Mortgagor shall be void and of no effect with respect to Mortgagee.

9.6. **Modifications.** This Mortgage may not be supplemented, extended, modified or terminated except by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.7. **Commercial Loan.** To Mortgagor's actual knowledge, Mortgagor represents and warrants that the loans or other financial accommodations included as Liabilities secured by this Mortgage were obtained solely for the purpose of carrying on or acquiring a business or commercial investment and not for residential, consumer or household purposes.

9.8. **Governing Law.** This Mortgage shall be governed by and construed in accordance with the substantive laws of the State of Florida without reference to conflict of laws principles.
