CITY COMMISSION MEETING
July 9, 2024

ITEM TITLE:

Resolution.

A Resolution of the City Commission authorizing the placement of an additional flagpole on the Biltmore Way Side of City Hall. (Sponsored by Mayor Lago)

BRIEF HISTORY:

There are currently two flagpoles located at City Hall: one flagpole on the Coral Way side, and another flagpole on the Biltmore Way side. The Biltmore Way flagpole displays the American flag, as well as any specialty flags on special occasions or commemorative months. The Coral Way flagpole displays the City of Coral Gables flag. The proposed resolution directs the placement of an additional flagpole located on the Biltmore Way side of City Hall to display specialty flags on special occasions or commemorative months so that the existing flagpole can be used to solely to display the American flag.
