Dear Mayor Valdés-Fauli,

I look forward to presenting at your commission meeting in the upcoming weeks to discuss the 2020 Census. As Chair of the Miami-Dade County 2020 Census Task Force, it is my goal to bring awareness about the importance of getting every person counted. While visiting your city, I will discuss the following topics:

- Miami-Dade County 2020 Census Task Force status;
- Children and immigrant undercount;
- Outreach strategies;
- Municipal and local partner participation; and
- County resources.

Elected officials, as yourself, know and understand the impact a complete count has on our community. The census is rapidly approaching and we must work together to ensure a complete and accurate count. Please feel free to contact me if you have any ideas or suggestions on this or any other topic of importance.

Respectfully,

Esteban L. Bovo, Jr.  
Miami-Dade County Commissioner – District 13  
Chairman, Miami-Dade County 2020 Census Task Force
