Regarding Item E-2:

With all due respect to the existing nominee for this Board, I would like to suggest to the City Commission that other nominees be considered to fill this Board position. It would behoove our City to support more diversity on all our City Boards and provide others a chance to serve our community. I am uncertain if and how this position was "advertised" to the public, but I ask that the Commission defer Mr. Behar's appointment for now until other nominations are presented and considered.

Thank you very much,  
Dr. Gordon Sokoloff

GM Billy

I may not be available to speak today on item E2. Please advise the commission that I would appreciate it if they could add one more woman to the panel.

Thanks so much
