

STATE FINANCIAL ASSISTANCE AGREEMENT

DEP AGREEMENT NO. 15DA2

STATE OF FLORIDA GRANT ASSISTANCE PURSUANT TO LINE ITEM 1668A OF THE 2014-2015 GENERAL APPROPRIATIONS ACT CITY OF CORAL GABLES WATERWAY BANK STABILIZATION

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 2600 Blair Stone Road, MS 3554, Tallahassee, Florida, 32399-2400 (hereinafter referred to as the "Department") and the City of Coral Gables, whose address is 2800 South West 72 Avenue, Miami, Florida, 33115 (hereinafter referred to as "Grantee"), a local government under the laws of the State of Florida, to provide funds for the City of Coral Gables Waterway Bank Stabilization Project. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party."

In consideration of the mutual benefits to be derived from this Agreement, the Department and the Grantee do hereby agree as follows:

1. The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A** (Project Work Plan), and all attachments and exhibits named and attached hereto, which are incorporated by reference.

2. This Agreement shall be effective on July 1, 2014 and shall end no later than December 1, 2015, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after the effective date through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. A. As consideration for the services satisfactorily rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis an amount not to exceed \$200,000 toward the total estimated project cost of \$200,000. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee. If the Grantee finds, after receipt of competitive bids, that the work described in **Attachment A** cannot be accomplished for the current estimated project cost, the parties hereto agree to modify the Project Work Plan described in **Attachment A**, by amendment of this Agreement, to provide for the work that can be accomplished for the funding identified above.

B. The Grantee shall request reimbursement for all eligible project costs upon receipt and acceptance of the deliverable(s) identified in **Attachment A**, utilizing a properly completed Disbursement Request Package (provided as **Attachment B**). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final Disbursement Request Package must be submitted to the Department no later than December 31, 2015, to assure the availability of funds for payment. The Disbursement Request Package must include:

(1) A completed Disbursement Request Form submitted by the Grantee's Grant Manager. Such requests must be accompanied by sufficiently itemized summaries of the

materials, labor, or services to identify the nature of the work performed; the amount expended for such work; and the person providing the service or performing the work and proof of payment of the invoices; and,

(2) A certification signed by the Grantee's Grant Manager as to the current cost of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased or performed and applied to the project; that all funds expended to date have been applied toward completing the Project; and,

(3) If construction is included in **Attachment A**, a certification by the Engineer responsible for overseeing construction is necessary. The certification must state that equipment, materials, labor and services represented by the construction invoices have been satisfactorily invoiced, purchased, received, approved and applied to the Project, as described in the Project Work Plan (**Attachment A**), in accordance with construction contract documents; state that payment is in accordance with construction contract provisions; state that construction, up to the point of the request, is in compliance with the contract documents; and identify all additions or deletions to the Project which have altered the Project's performance standards, scope, or purpose since the issue of the Department construction permit; and,

(4) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

C. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. In accordance with the **Attachment C, Contract Payment Requirements**, the Grantee shall comply with the minimum requirements set forth therein. The Disbursement Request Package Form in **Attachment B** shall be accompanied by supporting documentation and other requirements as follows:

(1) Salaries/Wages –The Grantee shall not be reimbursed for direct salaries or multipliers (i.e., fringe benefits, overhead, and/or general and administrative rates) for Grantee's employees.

(2) Contractual (Subcontractors) - Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries of the subcontractor's employees shall clearly identify the personnel involved, salary rate per hour, and hours/time spent on the project. All multipliers used (i.e. fringe benefits, overhead, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse overpayments resulting from use of these excessive multipliers to the Department within thirty (30) days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. For fixed price (vendor) subcontracts, the following provisions shall apply:

a. The Grantee may award, on a competitive basis, fixed price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the

tabulation form for the competitive procurement process (Invitation to Bid or Request for Proposals) resulting in the fixed price subcontract.

b. The Grantee may request approval from the Department to award a fixed price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed price amount, the Grantee may proceed in finalizing the fixed price subcontract.

c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

(4) Travel –The Grantee will not be reimbursed for travel expenses under the terms and conditions of this Agreement.

(5) Equipment –The Grantee will not be reimbursed for the purchase of non-expendable equipment costing \$1,000 or more under the terms and conditions of this Agreement.

(6) Rental/Lease of Equipment – Include copies of invoices or receipts to document charges.

(7) Other Expenses – e.g., Materials, supplies, non-excluded phone expenses, reproduction, mailing, and other expenses must be documented by itemizing and including copies of receipts or invoices. Additionally, independent of the Grantee's contract obligations to the Subcontractor, the Department shall not reimburse any of the following types of charges: cell phone usage, attorney's fees, civil or administrative penalties, handling fees, such as set percent overages associated with purchasing supplies or equipment.

D. In addition to the invoicing requirements contained in paragraph 3.B. and 3.C. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information when requested must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits).

E. State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The Parties understand that this Agreement is not a commitment of future appropriations.

5. Progress Reports (**Attachment D**) shall be submitted quarterly describing the work performed, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Reports shall be submitted to the Department's Grant Manager no later than twenty (20) days following the completion of the reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Final Project Report shall be submitted no later than the completion date of the Agreement. The Department's Grant Manager shall have ten (10) calendar days to review the required reports and deliverables submitted by the Grantee.

- A. In accordance with Section **216.181(16)(b), Florida Statutes** the Department, upon written request from the Grantee and written approval from the Chief Financial Officer, may provide an advance to the Grantee. The Grantee must temporarily invest the advanced funds, and return any interest income to the Department, within thirty (30) days of each calendar quarter or apply said interest income against the Department's obligation to pay, if applicable, under this Agreement. Interest earned must be returned to the Department within the timeframe identified above or invoices must be received within the same timeframe that shows the offset of the interest earned.
 - B. Unused funds, and interest accrued on any unused portion of advanced funds which has not been remitted to the Department, shall be returned to the Department within sixty (60) days of Agreement completion.
 - C. The parties hereto acknowledge that the Chief Financial Officer may identify additional requirements which must be met in order for advance payment to be authorized. If additional requirements are imposed by the Chief Financial Officer, the Grantee shall be notified, in writing, by the Department's Grant Manager regarding the additional requirements. Prior to releasing any advanced funds, the Grantee shall be required to provide a written acknowledgement to the Department's Grant Manager of the Grantee's acceptance of the terms imposed by the Chief Financial Officer for release of the funds.
 - D. In accordance with Section 216.181(16)(b), Florida Statutes, the Department may, upon written request from the Grantee utilizing the **Advance Payment Justification Form** (attached hereto and made a part hereof as **Attachment F**) and written approval from the State's Chief Financial Officer, provide an advance payment to the Grantee. If advance payment is authorized, the Grantee shall report and document as required on the Advance Payment – Interest Earned Memorandum (attached hereto and made a part hereof as **Attachment E**) the amount of funds expended during the reporting period, the Agreement expenditures to date, interest earned during the quarter and clearly indicate the method for repayment of the interest to the Department.
6. Each Party agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity or the provisions of representatives of the Grantee or subcontractor to the extent allowed by law.
7. A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and

shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.

B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.

8. No payment will be made for deliverables deemed unsatisfactory by the Department. If a deliverable is deemed unsatisfactory, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) days after notification that the deliverable was unsatisfactory. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate the Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under the Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) days after approval by the Department.

A. A CAP shall be submitted within ten (10) business days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) business days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) business days from receipt of the Department's letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department's approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.

B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not alter or amend the Grantee's obligations under this Agreement. If the CAP fails to correct or eliminate performance deficiencies by the Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall serve to condone, forgive or estop the Department from asserting subsequent deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.

C. Failure to respond to the Department's request for a CAP or failure to correct a deficiency in the performance of the Grantee as specified by the Department may result in termination of this Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above.

9. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt pursuant to Section 24(a) of Article I of the State Constitution, Section 119.07(1), Florida Statutes, or other statute.

10. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following Agreement completion. If any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.

11. A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment G, Special Audit Requirements**, attached hereto and incorporated herein by reference. **Exhibit 1** to **Attachment G** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment G**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Manager identified in paragraph 17 of this Agreement.

B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment G, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section ____210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. The Grantee may subcontract, assign, or transfer any work under this Agreement without the written consent of the Department's Grant Manager, except as provided in paragraph 3.C.(3)b. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee shall submit a copy of the executed subcontract to the Department within ten (10) business days after execution. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be responsible to any subcontractor for any expenses or costs incurred under the subcontract and that the Grantee shall be solely responsible to the subcontractor for all expenses and costs incurred under the subcontract.

13. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

14. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.

15. The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

Any self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide, and cause each subcontractor to

provide, adequate insurance satisfactory to the Department, for the protection of those employees not otherwise protected.

20. The Grantee shall secure and maintain Commercial General Liability insurance including bodily injury and property damage. The minimum limits of liability shall be \$100,000 each occurrence and \$300,000 aggregate. 22. The Department may at any time, by written order designated to be a change order, make any change in the Grant Manager information or task timelines within the current authorized Agreement period. All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change, which causes an increase or decrease in the Grantee's cost or time, shall require formal amendment to this Agreement.

23. The employment of unauthorized aliens by any Grantee/vendor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/vendor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

B. If the Department finds that these grant funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated.
