Subject: Re: 800 Ortega

Dear Ms. Cabrera:

Thank you for taking the time to help me with my property situation.

As explained, I am currently working on my roof replacement.

The permit I would appreciate an extension on is #BL-08-01-0997. This is an old permit. As soon as my roof is completed, I intend to replace all my original windows and the doors of my home to hurricane impact. This requires vendors to come to my home, measure, provide me with estimates etc. Finding contractors to come for estimates is a mission at the moment and everything is 3 times as expensive and takes months.

I thank you for your patience and consideration.

Warmest regards,

Ana L. Lam
