COMMISSION MEETING

**ITEM TITLE:**

Presentation of 25 years service pin to Daniel V. Acosta, Automotive Department

**BRIEF HISTORY:**

This morning we have the opportunity to recognize two members of the Automotive Department for twenty five years of service to the City. Together these two men personify the kind of employees who contribute daily to making the City run well.

Daniel Acosta has been with the City since July 1984 as an Auto Mechanic. With his knowledge and experience, he is a very valued employee.

Danny is also known to be very dependable, with a good attitude, attendance and performance. He is very consistent in his work and accomplishes very difficult jobs in the mechanical field including repairs and maintenance to police vehicles, garbage trucks and just about everything else that requires service. He is a very quiet and humble man who ultimately is an unsung hero. The City greatly appreciates his loyalty and performance for the last 25 years and looks forward to a continued relationship in the future.
