CITY COMMISSION MEETING
July 1, 2025

ITEM TITLE:

A Resolution of the City Commission of Coral Gables, Florida directing the City Manager to display the United States flag and the City of Coral Gables flag on their own poles at City Hall

BRIEF HISTORY:

The City of Coral Gables acknowledges the powerful symbolism carried by flags flown on public property and the responsibility to display them with decorum and consistency.

The City Commission, on July 9th, 2024, adopted Resolution 2024-155 directing City staff to install an additional flagpole at City Hall for special flags on special occasions or commemorative months, consistent with flag etiquette.

The City supports the recognition of other flags that reflect cultural, historic, and ceremonial significance to the community, provided they are displayed in a manner that does not diminish the honor accorded to the national and municipal flags and therefore this resolution seeks to require the United States flag and the City of Coral Gables flag on their own poles at City Hall.

This proposed change shall apply to the display of flags in the future and not to any flags currently displayed.
