Re: The one-story apartment building ("Structure"), built in 1954, located at 108 Menores Avenue, Coral Gables, FL 33134-4024, legally described as East 1/2 of Lot 9 and all of Lot 10, Block 36, of CORAL GABLES DOUGLAS SECTION, according to the Plat thereof, as recorded in Plat Book 25, Page 69, of the Public Records of Miami-Dade County, Florida ("Property").

CITY'S

EXHIBIT

The City of Coral Gables ("City") Building Official has inspected the records relating to the Structure in accordance with Article III, Chapter 105 of the City Code, pertaining to unsafe structures, and Section 8-11 of the Miami-Dade County Code, as applicable in the City, pertaining to existing buildings. The Structure is hereby declared unsafe by the Building Official and is presumed unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code as follows:

On April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code ("Report").

The Report, submitted to the City on September 4, 2014, revealed that the Structure did not meet the minimum requirements to be recertified as structurally and electrically safe. The Report revealed that the following items required repair or modification: **Electrical:** 1) original stack main breaker has been impermissibly modified with breakers – note that photograph of main disconnects shows them with closed lids which must be opened for review, and 2) branch circuit labels have to be revised.

On September 5, 2014, the City notified the Owner that it must complete the repairs and submit a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements ("Compliance Report").

To date, the Owner has not completed the required repairs and has not submitted a Compliance Report ("Required Action").

Therefore, this matter is set for hearing before the City's Construction Regulation Board ("Board") in the Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida 33134, on September 14, 2015, at 2:00 p.m.

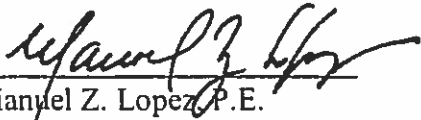

You may appeal the decision of the Building Official to the Board by appearing at the hearing. You have the right to be represented by an attorney and may present and question witnesses and evidence, however, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Please be advised that, if someone other than an attorney will be attending the hearing on your behalf, he or she must provide a power of attorney from you at the time of the hearing. Requests for continuance must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134, bgarcia@coralgables.com, tel: (305) 460-5229.

If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and recover the costs incurred against the Property and the Owner of record.

If the Property Owner or other interested party does not take all Required Action or appeal the decision of the Building Official, the Construction Regulation Board may enter an order of demolition and assess all costs of the proceedings and demolition and other Required Action for which the City shall have a lien against the Property and the Property Owner.

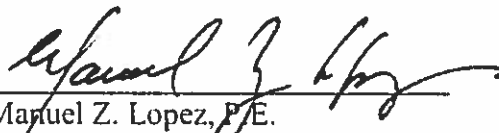

Please address any questions to Virginia Goizueta, Building Services Coordinator, tel: (305) 460-5250, or Manuel Z. Lopez, P.E., Building Official, tel: (305) 460-5242, Monday through Friday, 7:30 a.m. to 3:30 p.m.

Section 21. That in the event of the occurrence of any one or more of the following events, which occurrence shall constitute an event of default hereunder ("Default" or "Event of Default"):

(b) Mortgagor's failure, neglect or refusal to fully and promptly pay any amounts required to be paid under this Mortgage, the Note or any other Loan Documents including principal and interest thereon, or any of the other sums of money referred to or specified therein, which failure, neglect or refusal shall continue for a period of five (5) days after the due date of such payment.

Section 22. It is further covenanted and agreed by said parties that in the event of a suit being instituted to foreclose this Mortgage, the Mortgagee shall be entitled

to apply at any time pending such foreclosure suit to the court having jurisdiction thereof for the appointment of a receiver of all and singular the Mortgaged Property, an of all rents, income, profits, issues and revenues thereof, from whatsoever source derived; and thereupon it is hereby expressly covenanted and agreed that the court shall forthwith appoint such receiver with the usual powers and duties of receivers in like cases; and said appointment shall be made by the court as a matter of strict right to the Mortgagee and without reference to the adequacy of the value of the Mortgaged Property, or to the solvency or insolvency of the Mortgagor or any other party defendant to such suit. The Mortgagor hereby specifically waives the right to object to the appointment of a receiver as aforesaid and hereby expressly consents that such appointment shall be made as an admitted equity and as a matter of absolute right to the Mortgagee and that the same may be done without notice to the Mortgager.

No remedy conferred upon or reserved to the Mortgagee herein or in the Mortgage Note or the Loan Documents is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given to the Mortgagee now or hereafter existing at law or in equity or by statute. No delay or omission of the Mortgagee to exercise any right or power accruing upon any Event of Default herein or in the Mortgage Note or the Loan Documents shall impair any such right or power, or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by the Mortgage herein, or in the Mortgage Note or the Loan Documents to the Mortgagee may be exercised from time to time as often as may be deemed expedient by the Mortgagee. Nothing in this Mortgage or in the Note or in the Loan Documents shall affect the obligation of the Mortgagor to pay the principal of and interest on, the Note in the manner and at the time and place therein respectively expressed.

Section 26. The Mortgagor shall not at any time insist upon or plead, or in any manner whatever claim to take any benefit or advantage of, any stay or extension or moratorium law, any exemption from execution or sale of the Mortgaged Property or any part thereof, wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Mortgage, nor claim, take or insist upon any benefit or advantage of any law now or hereafter in force providing for the valuation or appraisal of the Mortgaged Property, or any part thereof, prior to any sale or sales

thereof which may be made pursuant to any provision herein, or pursuant to the decree, judgment, or order of any court of competent jurisdiction; nor, after any such sale or sales, claim or exercise any right under any statute heretofore or hereafter enacted by any governmental authority or otherwise to redeem the property so sold or any part thereof; and the Mortgagor hereby expressly waives all benefit or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Mortgagee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted. The Mortgagee, for itself and all who claim under it, waives, to the extent that it lawfully may, all right to have the Mortgaged Property marshalled upon any foreclosure hereof.

Section 27. To the extent of the indebtedness of the Mortgagor to the Mortgagee described herein or secured hereby, the Mortgagee is hereby subrogated to the lien or liens and to the rights of the owners and holders thereof of each and every mortgage lien or other encumbrance on the land described herein which is paid and/or satisfied, in whole or in part, out of the proceeds of the loan described herein or secured hereby, and the respective liens of said mortgages, liens or other encumbrances shall be and the same and each of them is hereby preserved and shall pass to and be held by the Mortgagee herein described or hereby secured, to the same extent that it would have been preserved and would have been passed to and been held by the Mortgagee herein described or hereby secured, to the same extent that it would have been preserved and would have been passed to and been held by the Mortgagee had it been duly and regularly assigned, transferred, set over and delivered unto the Mortgagee by separate deed of assignment, notwithstanding the fact that the same may be satisfied and cancelled of record, it being the intention of the parties hereto that the same will be satisfied and cancelled of record by the holders thereof at or about the time of the recording of this Mortgage.

Section 28. In the event any one or more of the provisions contained in this Mortgage or in the Mortgage Note or in the Loan Documents shall for any reason be held to be inapplicable, invalid, illegal or unenforceable in any respect, such inapplicability, invalidity, illegality or unenforceability shall, at the option of the Mortgagee, not effect any other provision of this Mortgage, but this Mortgage shall be construed as if such inapplicable, invalid, illegal or unenforceable provision had never been contained herein or therein.

Section 29. All notices hereunder shall be in writing and shall be deemed to have been sufficiently given or served for all purposes when presented personally or sent by telegraph or by registered or certified mail with return receipt requested to any party hereto at the addresses set forth in the Preamble hereof or at the such other address of which notification has been given to the other party.

Additionally, with respect to any and all notices to be given to Mortgagee, a copy thereof shall be given to Alvaro Castillo B., 1390 Brickell Avenue, Suite 200, Miami, Florida, 33131.

Section 30. All of the grants, covenants, terms, provisions, warranties and conditions herein shall run with the land and shall apply to and be binding upon the personal representatives, heirs, successors and assigns of the Mortgagee and the Mortgagor, and shall inure to the benefit of the personal representatives, heirs, successors and assigns of the Mortgagee, and except as limited herein or in the Loan Documents, to the personal representatives, heirs, successors and assigns of the Mortgagor.

Section 31. That, until the Note is fully paid, the Mortgagee may require that Mortgagor pays to the Mortgagee, in addition to and with the monthly payment of principal and interest due under the terms of the Mortgage and Note, a sum equal to the total amount of taxes and assessments next due under the terms of the Mortgage and Note, a sum equal to the total amount of taxes and assessments next due on the Mortgaged Property plus premiums next due on fire, hazard, flood and other insurance, all as estimated by the Mortgagee in its sole discretion, less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such premiums, taxes and assessments will become due, such sums to be held by the Mortgagee in trust to pay said taxes, assessments and premiums. Any deficiency in the amount of such aggregate monthly payment as aforesaid, unless paid by the Mortgagor prior to the due date of the next such payment, shall constitute an Event of Default under this Mortgage. If the total of the payments made by the Mortgagor under the aforesaid terms shall exceed the amounts of payments actually made by the Mortgagee for taxes, insurance premiums and assessments, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency. Such payment shall be made within fifteen (15) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee in accordance with the provisions of the Note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any credit balance remaining under the provisions hereof. If there shall be a Default under any of the provisions of this Mortgage resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the Property otherwise after Default, the Mortgagee shall apply, at the time of the commencement of such proceedings or at the time the Property is otherwise acquired, the amount then remaining to the credit of Mortgagor as aforesaid, as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid on the Note.

Section 32. That the Mortgagor shall, on the request of the Mortgagee, furnish a written statement of the amount owing on the obligation which the Mortgage secures and therein state whether or not Mortgagor claims any defenses or offsets thereto.

Section 33. In the event a conveyance, sale or transfer shall be made by the Mortgagor of the Property or any interest therein then the Mortgagee shall have the right, at its option, without notice to Mortgagor or its grantee or transferee, to declare a Default hereunder and proceed in accordance with the provisions set forth herein for Events of Default and Mortgagee's remedies therefor. Notwithstanding anything to the contrary contained herein, no Mortgagor shall be released or relieved of its liability or obligations created by this Mortgage, the Note or other Loan Documents because of such sale or transfer of the Property unless the said Mortgagor is expressly released in writing by the Mortgagee of such obligations and liabilities.

Section 34. The Mortgagor covenants that in the event the ownership of said Property or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this Mortgage and the debt hereby secured in the same manner as with the Mortgagor, and may forbear to sue or may extend time for payment of the debt secured hereby, without discharging or in any way affecting the liability of the Mortgagor hereunder or upon the debt hereby secured, and without waiving the right of Mortgagee to declare a Default hereunder in the event such change in ownership has occurred through a conveyance without the consent of the Mortgagee.

Section 35. That this Mortgage shall not be changed orally and that any modification or waiver hereunder by the Mortgagee shall be in writing and shall be executed by the duly authorized officer or agent of the Mortgagee.

Section 36. Mortgagor acknowledges that any payments made by it in partial or complete discharge of the Note secured hereby to any agent other than the owner and holder of record of the Mortgagee and Note shall constitute a payment to the Mortgagor's agent and not to the owner and holder of said Note or its agent. In this regard, it is understood that until said payment is actually in the possession of the Mortgagee or its assigns, as the case may be, who at that time is the owner and holder of record of said Mortgage and Note, said payment shall be deemed not to have been properly made and Mortgagee shall not be required to release or discharge the Mortgage in satisfaction of the obligation pursuant to the provisions of this Mortgage and Note.

Section 37. The Note and indebtedness secured by this Mortgage shall not be prepayable except as may otherwise be provided in the Note or Loan Documents.

Section 38. If foreclosure proceedings should be instituted against the Mortgaged Property upon any other lien or claim, whether alleged to the superior or junior to the lien of this Mortgage, the Mortgagee may at its option immediately upon institution of such suit or during the pendency thereof, declare this Mortgage and the indebtedness secured hereby due and payable forthwith and may at its option proceed to foreclose this Mortgage.

Section 39. The Note, together with such other instruments executed in connection with the making of this loan, evidenced by the Note and secured by this Mortgage, including, but not necessarily limited to, the Security Agreement the Collateral Assignment of Leases, Rents, Licenses, Permits and Contracts the Financing Statements of even date herewith, and the Guarantees, if any, executed in connection herewith for the purpose of guarantying the loan indebtedness, and this Mortgage are herein referred to collectively as the "Loan Documents". Any default by Mortgagor or guarantors under the terms and conditions, covenants and warranties of the said Loan Documents shall constitute and be a Default of this Mortgage and of each Loan Document.

Section 40. That no representation, statement, certificate or other documents, including, but not limited to, financial statements, furnished or to be furnished by Mortgagor to the Lender pursuant to the Loan Documents, or in connection with the making of this loan, contains or will contain any untrue statement of material fact or omits or will omit to state a material fact a material fact necessary to make the statements contained in it not misleading.

Section 41. The Mortgagee and the Mortgagor, and any endorser or guarantor of the Note and loan secured hereby, recognize and agree that it is the intention of the Mortgagee that, notwithstanding any provisions contained herein or in the Loan Documents to the contrary, the interest which may be charged by the Mortgagee or paid to the Mortgagee and the total liability for payment in the nature of interest due under the Note secured hereby and under the Loan Documents shall not exceed the maximum limits and rate of interest permitted to be charged and paid under the laws of the State of Florida; and the Mortgagee shall have the right, from time to time during the term of the Note secured hereby and until any final judgment on collection thereof is obtained, to compute the amount of interest which it has charged and collected and/or which it may charge and collect under the terms thereof and of the Loan Documents, and if it appears to the Mortgagee or to a court of competent jurisdiction, if so requested to determine same, that the Mortgagee may charge or collect or has charged or collected interest exceeding the maximum rate permitted under the laws of the State of Florida, then the Mortgagee shall refund same to the Mortgagor without any penalty or additional charge against the Mortgagee for so doing, so that in no event shall the total amount of interest charged and/or collected by the Mortgagee exceed the maximum rate permitted under the laws of the State of Florida.

The provisions of this Section 41 shall apply to each and every Note or other evidence of indebtedness which may be given by the Mortgagor to the Mortgagee from time to time pursuant to the Mortgage and Loan Documents.

Section 42. Mortgagor and Mortgagee agree that this Mortgage shall constitute a Security Agreement within the meaning of the Uniform Commercial Code (hereinafter in this Section 41 referred to as the "Code") with respect to the property mortgaged hereunder which may not be deemed to form a part of the Land or may not constitute a "fixture" (within the meaning of Section 9-313 of the Code) and all replacements of such property, additions to such property and the proceeds thereof (all of said property described above and the replacements, substitutions and additions thereto and the proceeds thereof being hereinafter collectively referred to as the "Collateral"); and that a security interest in and to the Collateral is hereby granted to the Mortgagee and the Collateral and all right, title and interest of Mortgagor therein are hereby assigned to the Mortgagee, all to secure payment of the indebtedness and to secure performance by the Mortgagor of the terms, covenants and provisions hereof. Upon occurrence of a default under this Mortgage the Mortgagee, pursuant to the appropriate provisions of the Code, shall have the right, in addition to all other rights, to proceed with respect to the Collateral in accordance with its rights and remedies as a "Secured Party" under the Code. The parties agree that, in the event the Mortgagee shall elect to proceed with respect to the Collateral separately from the Land, five (5) days notice of the sale of the Collateral shall be reasonable notice. The reasonable expenses of retaking, holding, preparing for sale, selling and the like incurred by the Mortgagee shall include, but not be limited to, reasonable attorneys' fees and legal expenses incurred by Mortgagee. Mortgagor agrees that, without the written consent of the Mortgagee, it will not remove or permit to be removed from the Land any of the Collateral except that, so long as there is no default hereunder or under the Loan Documents, Mortgagor shall be permitted to sell or otherwise dispose of the Collateral when obsolete, worn out, inadequate, unserviceable or unnecessary for use in the operation of the Land, upon replacing the same or substituting for the same other unnecessary for use in the operation of the Land, upon replacing the same or substituting for the same other collateral at least equal in value to the initial value of that disposed of and in such a manner so that said Collateral shall be subject to the security interest created hereby, it being expressly understood and agreed that all replacements of the Collateral and any additions to the Collateral shall be and become immediately subject to the security interest of this Mortgage and covered thereby. Mortgagor shall, from time to time, on request of the Mortgagee, deliver to Mortgagee an inventory of the Collateral in reasonable detail. Mortgagor covenants and represents that all Collateral now is, and that all replacements thereof, substitutions therefore or additions thereto, unless the Mortgagee otherwise consents, will be free and clear of superior liens, encumbrances or the security interests of others.

Section 43. Mortgagee has made or may make additional loans to Mortgagor. Mortgagor covenants and agrees that any defaults by Mortgagor of the terms

and conditions of any loan documents executed by Mortgagor in favor of Mortgagee in connection with such prior or additional loans shall constitute and be a default under the terms and conditions of each and every other loan document evidencing and securing any such loans. Furthermore, the Mortgaged Property shall constitute and be security not only for the loan secured by the Loan Documents but shall also be additional security (which Mortgagor does hereby assign and grant to Mortgagee) for the payment of any indebtedness evidenced and secured by any other loan document executed by Mortgagor in favor of Mortgagee or the Loan Documents, Mortgagee shall have the right, at its option, to excise the remedies available to it under the terms of the Loan Documents and any other loan documents executed by Mortgagor in favor of Mortgagee, including, but not necessarily limited to, the right to foreclose the Mortgage and other security instruments securing the Note and any other loan documents, mortgages and security instruments executed by Mortgagee in favor of Mortgagor securing any other promissory notes executed by Mortgagee in favor of Mortgagor.

The total amount of indebtedness that may be secured by this Mortgage may decrease or increase from time to time, but the total unpaid balance so secured at any one time shall not exceed the maximum principal sum permitted by the laws of the State of Florida PLUS interest thereon and any and all disbursements made by the Mortgagee for the payment of taxes, levies or insurance on the Property covered by the lien of this Mortgage with interest on such disbursements at the rate specified in the Note referred to in this Mortgage, and for reasonable attorneys' fees and court costs incurred in the collection of any or all of such sums of money. Such further or future advance shall be wholly optional with the Mortgagee and the same shall bear interest at the same rate as specified in the Note referred to herein, unless said interest rate shall be modified by subsequent agreement.

Section 45. The lien of this Mortgage and the Note secured hereby and such other security instruments executed in connection herewith shall be a first lien upon the Property.

Section 46. Mortgagor and Mortgagee hereby knowingly, voluntarily and intentionally waive the right either may have to a trial by jury in respect to any litigation based hereon, or arising out of, under or in connection with this Mortgage, the Note secured hereby and the Loan Documents and any agreement contemplated to be executed in conjunction therewith, or any course of conduct, course of dealing,

 - (b) lease any part or parts thereof for such periods of time, and upon such terms and conditions as the Lender may, in its reasonable discretion, deem proper;
 - (c) enforce, cancel or modify any such Leases covering the Property or any part thereof;
 - (d) demand, collect, sue for, attach, levy, recover, receive, compromise and adjust, and make, execute and deliver receipts and releases for all Rents that may then be or may thereafter become due, owing or payable with respect to the Property or any part thereof from any present or future lessees, tenants, subtenants or occupants thereof;
 - (e) institute, prosecute to completion or compromise and settle, all summary proceedings, actions for rent or for removing any and all lessees, tenants, subtenants or occupants of the Property or any part or parts thereof;
 - (f) enforce, or enjoin or restrain the violation of any of the terms, provisions and conditions of any Lease or Leases, now or hereafter affecting the Property or any part thereof;
 - (g) make such repairs and alterations to the Property as Lender may, in its reasonable discretion, deem proper;
 - (h) pay, from and out of Rents collected in respect of the Property or any part thereof, or from or out of any other funds, the rent and all other charges required to be paid under any ground lease on which the Mortgage may constitute a lien, any taxes, assessments, water

rates, sewer rates, or other government charges levied, assessed or imposed against the Property, or any portion thereof, and also any and all other charges, costs and expenses which it may be necessary or advisable for the Lender to pay in the management or operation of the Property, including (without limiting the generality of any rights, powers, privileges and authority herein before or hereinafter conferred) the costs of such repairs and alterations, commissions for renting the Property or any portions thereof and legal expenses in enforcing claims, preparing papers or for any other services that may be required; and

- (i) continue any pending construction in the subject Property until final completion; and
- (j) generally do, execute and perform any other act, deed, matter or thing whatsoever that ought to be done, executed and performed in and about or with respect to the Property, as fully as the Assignor might do.

Provided however, that so long as the Assignor is not in default in the payment of any installment of principal or interest or other charges due under the terms of the Note or under any of the terms and conditions or covenants contained in the Mortgage or the Loan Documents, or in default of any of the terms, conditions or covenants contained in said Note, Mortgage or other Loan Documents, or this Assignment, the Assignor shall be entitled to collect the Rents under any Lease, but not for more than one month in advance, and shall be entitled to the use and possession of all Licenses, Contracts and Permits.

- 2. So long as the indebtedness evidenced by the Note, or any portion thereof, remains unpaid, the Assignor shall not alter, modify, change, surrender or cancel any Lease or make any other assignment, pledge or other disposition of any Lease, License, Contracts or Permits without first having obtained the prior written consent of the Lender.
- 3. That a demand by the Lender for the payment of any Rent due under any Lease shall be sufficient authority for any lessee thereunder to make future payments of rent to the Lender without the necessity of said lessee's obtaining the consent or approval of the Assignor.
- 4. The Assignor hereby agrees to indemnify and hold the Lender harmless against and from any and all liability, loss, damage, and expense, including reasonable attorneys' fees, which it may or shall incur under any of said Leases, Contracts or Permits or by reason of this Assignment, or by reason of any action taken by the Lender hereunder, and against and from any and all claims and demands whatsoever which may be asserted against the

Lender by reason of any alleged obligation or undertaking on its part to perform or discharge any of the terms, covenants and conditions contained in any of the said Leases. Should the Lender incur any such liability, loss, damage or expense, the amount thereof, together with interest thereon at the maximum rate permitted by law, shall be payable by the Assignor to the Lender immediately upon demand, or at the option of the Lender, the Lender may reimburse itself therefor out of any Rents of and from the Property collected by the Lender. Nothing contained herein shall obligate or be construed to obligate the Lender to perform any of the terms, covenants or conditions contained in any Lease or otherwise to impose any obligation upon the Lender with respect to any of said Leases, including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained, in the event that any Lessee shall have been joined as a party defendant in any action to foreclose the Mortgage and the estate of such lessee shall have been thereby terminated. Prior to actual entry into and taking possession of the Property by the Lender, this Assignment shall not operate to place upon the Lender any responsibility for the operation, control, care, management or repair of the Property, and the execution of this Assignment by the Assignor shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Property is and shall be that of the Assignor, prior to such actual entry and taking of possession.

5. The Assignor represents and warrants that the Assignor shall duly and punctually perform all and singular the terms, conditions and covenants of the Leases, Contracts and/or Permits on Assignor's part to be kept, observed and performed; that the Assignor has not sold, assigned, transferred, mortgaged or pledged any of the Rents, Contracts and/or Permits of and from the Property or any part thereof, whether now due or hereafter to become due, to any encumbrances which may be expressly permitted by the Mortgage; and that the Assignor shall not sell, assign, transfer, mortgage or pledge any of the Rents, Contracts and/or Permits of and from the Property or any part thereof, whether now due or hereafter to become due, to any person, firm or corporation other than the Lender, without the prior written consent of the Lender. The Assignor agrees that so long as no default shall exist under the Mortgage or this Assignment, the Assignor will enforce or secure the performance of each and every obligation, covenant, condition and agreement to be performed by each lessee under each Lease, now or hereafter affecting the Property.
6. The Assignor agrees to execute and deliver to the Lender, at any time or times during which this Assignment shall be in effect, such further instruments as the Lender may deem necessary to make effective this Assignment and the several covenants of the Assignor herein contained.

7. Failure of the Lender to avail itself of any of the terms, covenants and conditions of this Assignment for any period of time, or at any time or times, shall not be construed or deemed to be a waiver of any of its rights hereunder. The rights and remedies of the Lender under this instrument are cumulative and are not in lieu of but are in addition to any other rights and remedies which the Lender shall have under or by virtue of the Mortgage. The rights and remedies of the Lender hereunder may be exercised from time to time and as often as such exercise is deemed expedient by Lender.
8. The Lender shall have the right to assign to any subsequent holder of the Mortgage, or to any person acquiring title to the Property, the Assignor's rights, title and interest in any Lease hereby or hereafter assigned, subject, however, to the provisions of this Assignment. After the Assignor shall have been barred and foreclosed of all right, title, interest and equity of redemption in said Property, no assignee of the Assignor's interest in said Leases shall be liable to account to the Assignor for any Rents.
9. Upon payment in full of all the indebtedness secured by the Mortgage, as evidenced by a recorded satisfaction or release of Mortgage, as well as payment in full of any sums which may be payable hereunder, this Assignment shall become and be void and of no effect and, in that event, upon the request of the Assignor, the Lender covenants to execute and deliver to the Assignor instruments effective to evidence the termination of this Assignment and/or the reassignment to the Assignor of the rights, power and authority granted herein, provided, however, that as to any lessee of any portion of the Property, any affidavit, certificate or other written statement of any officer of the Lender, stating that any part of said indebtedness remains unpaid, shall be and constitute conclusive evidence of the then validity, effectiveness and continuing force of this Assignment and any person, firm or corporation receiving any such affidavit, certificate or statement may, and is hereby authorized to, rely thereon. As against the Lender, at all times during which this Assignment shall be in effect, there shall be no merger of the Leases assigned hereunder or the leasehold estates created thereby with the fee estate in the Property by reason of the fact that said Leases or any interest therein may be held by or for the account of any person, firm or corporation which may be or become the owner of said fee estate, unless the Assignee shall consent in writing to said merger.
10. In connection with any litigation arising out of this Assignment, if the Lender is the prevailing party in such litigation, the Lender shall be entitled to recover all costs incurred, including reasonable attorneys' fees and attorneys' fees and costs incurred on appeal.

11. Any waiver or modification of the terms of this Assignment by the Lender shall be in writing and signed by a duly authorized officer or agent of the Lender.
12. In the event any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall, at the option of Lender, not affect any other provision hereof, and shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
13. No delay or omission on the part of Lender in exercising any right hereunder shall operate as a waiver of that right or of any other right hereunder or under the Mortgage, Note and other Loan Documents.
14. This Assignment shall be binding upon and inure to the benefit of the Lender and the Assignor, their heirs, personal representatives, successors and assigns.
15. In the event there is any conflict between the terms and provisions of the Mortgage and the terms and provisions of this Assignment, the terms and provisions of this Assignment shall prevail.
16. The terms "Assignor" and "Lender" as used herein shall in every instance include said parties' heirs, executors, administrators, successors, legal representatives and assigns and shall denote the singular and/or plural, and the masculine and/or feminine and natural and/or artificial persons, whenever and wherever the context so requires or admits.
17. Any default under the terms, conditions and provisions of this Collateral Assignment shall constitute and be a default under the terms, conditions and provisions of each and every other Loan Document.
18. Except as prohibited by law, neither the Lender nor the Assignor shall seek a jury trial or any lawsuit, proceeding or counterclaim based upon or arising out of this Assignment, the Collateral or the relationship between the Lender and the Assignor. If the subject matter of any such lawsuit, proceeding or counterclaim is one in which the waiver of a jury trial is prohibited, neither the Lender nor the Assignor shall present as a non-compulsory counterclaim to such lawsuit, proceeding or counterclaim any claim arising out of this Assignment. Furthermore, neither the Lender nor the Assignor shall seek to consolidate any such action in which a jury trial has been waived with any such action in which a jury trial cannot be waived.

Dear Virginia and Belkys:

I just spoke to Luis Marquez. He says that they had some delays in getting the demolition permits and that he called FPL last Wednesday who said that they will remove their equipment within 3 weeks, after which demolition can begin. Please advise whether the City would prefer to place him on the agenda for 12-14-15 at 2p.m. for a request for extension from the Board or if the City will agree to grant him an extension or place him on the agenda for the January hearing.

Thanks!
