Thank you for taking the time to share your thoughts on this resolution.

Please note that the email address you used for the Mayor has a typo in it. The Mayor's email address is vlago@coralgables.com; not valago@coralgables.com.

Best regards,

Dear Mayor Lago,

The purpose of this letter is to express my strong support for agenda item G-25. Public ownership of the 142 SW 37th Street lot would prevent the encroachment of new townhouses on our historic and predominantly single-story residential neighborhood and allow for a greenway entry as envisioned by residents and promised at recent neighborhood meetings.

Our neighborhood is already experiencing the adverse effects of encroachment, with customers of the medical complexes near 8th Street regularly occupying parking spaces meant for residents. The purchase of the lot would demonstrate to us that although our neighborhood is humble by Coral Gables standards, the City truly cares about preserving its unique and charming character and prioritises the well-being of its long-time residents over the financial gains of new developers.

Thank you for allowing me to express my point of view.

Respectfully,

Theresa Rice
