

CITY OF CORAL GABLES, FLORIDA

RESOLUTION 2023-_____

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, EXPRESSING ITS SUPPORT FOR PUBLIC SAFETY RESPONSES TO DECLARED STATES OF EMERGENCY

WHEREAS, from time to time, the State of Florida experiences mass destruction from weather-related natural disasters, as well as from other incidents that require a public safety response that exceeds the capability of the affected jurisdiction; and

WHEREAS, the State of Florida has a comprehensive Emergency Response Plan initiated and executed through the Florida Division of Emergency Management when needed to respond anywhere in the State; and

WHEREAS, the Governor of the State can declare a “State of Emergency” statewide or locally to activate many different agencies through the Florida Division of Emergency Management to respond prior to and well after the said emergency occurs; and

WHEREAS, the City of Coral Gables historically has been part of these responses both locally and nationally through its Police Department, Fire Department, and other resources to assist in the recovery and continuity of public safety in those affected communities throughout the State and nation.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF CORAL GABLES:

SECTION 1. That the foregoing “Whereas” clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

SECTION 2. That the City Commission supports this ongoing participation and partnership of mutual aid throughout Florida and other states for the sole purpose of a response to manmade and natural disasters during a local, state, or national declaration of a state of emergency.

SECTION 3. That the City Commission directs the City Manager to exercise his authority to consult with the Fire and Police Chiefs, and any other City resources, to evaluate appropriate requests for assistance and to respond, as the City Manager deems appropriate, to such requests for assistance via the Florida Division of Emergency Management or its network of Emergency Operations Centers (through the Miami-Dade Emergency Operations Center).
