CITY COMMISSION MEETING
March 10, 2026

ITEM TITLE:

An Ordinance of the City Commission of the City of Coral Gables, Florida, amending Chapter 74, "Traffic and Vehicles," of the City Code, creating Article X – "Golf Carts"; authorizing and regulating the operation of golf carts on designated city streets; providing for severability, repealer, codification, and an effective date.

BRIEF HISTORY:

Pursuant to Chapter 316, Florida Statutes, local governments are authorized to regulate traffic and designate certain streets for the operation of golf carts within their municipal boundaries.

The City Commission recognizes that golf carts, when properly regulated, may serve as a limited, low-speed mobility option for short trips within residential neighborhoods. The proposed ordinance creates a section in the City Code to regulate the operation and inspection of golf carts for use on local streets with a posted speed limit of 25 miles per hour or less.

On 2nd reading additional enforcement language and insurance requirements were added. (Blue is new and Red was removed.)
