I. CULTURAL GRANTS

- I.-1. **25-9106** A Resolution of the City Commission approving Fiscal Year 2025-2026 Cultural Grant recipients and setting in place a funding mechanism contingent on the City's approved budget. (Unanimously recommended by the Cultural Development Board approval/denial vote: 6 to 0).

Chair Pantin called the FY2025-2026 Cultural Grant Review & Scoring meeting to order at 9:00 a.m. and welcomed guests and cultural grant applicants participating via Zoom.

Ms. Cathers stated that the purpose of the meeting is for the Board to discuss each Cultural Grant application and make a final recommendation on the scoring and method of fund distribution that will move forward to the City Commission.

On behalf of the city, Ms. Cathers thanked the Board for their time and the attention given to thoroughly review each grant application. It was noted that the Cultural Development Board is made up of volunteer appointees who are residents of Coral Gables and are great supporters of the arts. Board members were introduced, and the City Clerk's office and IT were thanked for their support.

Cultural grant applicants were thanked for attending and for choosing Coral Gables as a place to present the arts.

Applicants were reminded that funding is not guaranteed until the city budget is approved by October 1, 2025, and that the calculations used in the meeting will reflect a recommended funding estimate of \$228,228.00 plus \$50,000 dedicated to Youth Arts Programs.

The following additional comments and directions were provided to attendees:

- All meeting attendees on Zoom will be muted.
- Please edit participant name with the organization listed first, followed by the name. This is important for easily identifying the organization if a Board member has a question.
- Technical questions for staff may be entered in the chat box.
- In keeping with the grant review and scoring process, questions regarding an application itself, Board member comments, and scores, will not be addressed.
- Board members have read all grant applications and submitted scores prior to the meeting.
- Each applicant organization's name will be read out loud prior to discussion.
- A first and second reader has been assigned to give a brief overview of the grant request and offer initial comments. All Board members are welcome to follow up with additional remarks and engage in discussion.
- If a Board member has a question, a request will be made for the organization's representative to un mute.
- After discussion, Board members will be asked for any changes to their scores and will read their final overall score out loud.
- Once scores are verified, the highest and lowest scores are dropped prior to

calculating the final average score of the Board for each application, which will be read out loud.

- After all scores are submitted, scores will be verified and viewed in relationship to each other on a spreadsheet, which may be viewed on the shared screen.
- The Board will be asked to make a motion accepting the scores as presented.
- The Board will then discuss how the proposed funding will be distributed and make a recommending motion for the City Commission to consider.

Mr. Valdes-Fauli was not present during discussion and scoring of the Coral Gables Museum application, otherwise all members were in attendance throughout the meeting.

A multiplier and percentage formula were used to adjust proposed funding recommendations proportionately and for the purpose of discussion. (It was previously noted that bonus points were added to final scores).

The Coral Gables Museum receives funding through a separate budget line item and was therefore removed from calculations used to determine potential funding for the remaining fifty-one (51) applicants.

The Board took a short break after submitting all scores.

The Board was advised that they could make a motion to accept or revise the scores and propose a method of calculation. After a brief discussion, and minimal score adjustments, the following motion was made:

Ms. Burgos made a motion to accept the Board's FY2025-2026 Cultural Grant application scores as presented. Mr. Fliss seconded the motion, which passed unanimously.

After thoughtful deliberation and discussion, the following motion was made regarding the distribution of available funds:

Ms. Requena made a motion recommending Cultural Grant funding allocations equally distributed based on the use of a modified multiplier taking into consideration the scores and requested amounts with a higher percentage provided to the Coral Gables Core organizations. Mr. Fliss seconded the motion, which passed unanimously.

Ms. Burgos made a motion recommending any balance in the CGYAP category to be given to the top scorer. Mr. Fliss seconded the motion, which passed unanimously.
