September 26, 2024

Driver Engineer John Jensen
C Shift

Dear Driver Engineer Jensen:

Congratulations! You have been selected September's Firefighter of the Month for your meritorious display of job performance, specifically for your dedication and hard work to the department.

When the call goes out, our personnel continually step up when needed and you are no exception. You consistently go above and beyond what is required in your position, taking pride and ownership in the new squad. You have been an exemplary role model for all coworkers.

Your decision to spear-head the creation of the truck check sheet has been instrumental in teaching many of your colleagues the ins and outs of the cascade system has been incredible.

Your value was especially evident during the high-angle rescue call on San Remo. You were instrumental in that rescue and have been described as the MVP of the call, from setting up the grip hoist, to configuring the hauling and lowering system, to gearing up and standing ready in case of a fire, you have excelled in every aspect.

You are responsible, dependable, and have such a positive attitude. The Fire Department has recognized you for your inspiring efforts and selected you as Firefighter of the Month for September 2024.

You will be formally presented as Firefighter of the Month for September at our Commission Meeting scheduled for October 22, 2024. Please plan to arrive at City Hall by 8:30 a.m.

As Firefighter of the Month, you will receive 12 additional annual leave hours.

Once again, the City of Coral Gables and the Firefighter of the Month Selection Committee congratulate you on being chosen the Firefighter of the Month for September 2024.

Sincerely,

Marcos De La Rosa
Fire Chief
