Tax Gross Up:	If interest on the Bond is determined to be taxable for any reason, then the interest on the Bond will increase from the effective date of such taxability to the taxable equivalent rate per annum.

Change In Tax Rate:

In the event of a change in the Corporate Tax Rate (as hereinafter defined) during any period where interest is accruing on a tax-exempt basis causes a reduction in the tax equivalent yield on the Bond, the interest payable on the Bond shall be increased to compensate for such change in the effective yield to a rate calculated by multiplying the bond interest rate by the ratio equal to (1 minus A) divided (1 minus B), where A equals the Corporate Tax Rate in effect as of the date of the corporate tax rate adjustment as announced by the IRS and B equals the Corporate Tax Rate in effect on the date of the original issuance of the Bonds. (e) No Defaults. No event has occurred and no condition exists that constitutes an Event of Default, or which, upon the execution and delivery of this Agreement and/or the passage of time or giving of notice or both, would constitute an Event of Default. The Borrower is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been in writing specifically consented to by the Commission and the Bank and (ii) do not, and shall not, have any material adverse effect on the transactions herein contemplated and the compliance by the Borrower with the terms hereof), of any terms of any other agreement or other instrument to which it is a party or by which it, its properties or operations may be bound, which may materially adversely affect the ability of the Borrower to perform hereunder.

(5) The Borrower covenants that the Borrower shall neither take any action nor fail to take any action or to the extent that it may do so, permit any other party to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Series 2014 Bond.

Subject to the provisions of Section 2.02(k) hereof, the Borrower covenants and agrees to appropriate in its annual budget, by amendment, if required, and to pay when due under this Loan Agreement as promptly as money becomes available directly to the Bank, amounts of Non-Ad Valorem Revenues of the Borrower sufficient to satisfy the Loan Repayment as required under this Loan Agreement. Such covenant and agreement on the part of the Borrower to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all required Loan Repayments, including delinquent Loan Repayments, shall have been budgeted, appropriated and actually paid to the Bank. The Borrower further acknowledges and agrees that the obligations of the Borrower to include the amount of any deficiency in Loan Repayments in each of its annual budgets and to pay such deficiencies from Non-Ad Valorem Revenues may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein. Notwithstanding the foregoing or any provision of this Loan Agreement to the contrary, the Borrower does not covenant to maintain any services or programs now maintained by the Borrower which generate Non-Ad Valorem Revenues or to maintain the charges it presently collects for any such services or programs.

The Borrower agrees that its covenant to budget and appropriate Non-Ad Valorem Revenues shall be deemed entered into for the benefit of the Bank.

During such time as the Loan is outstanding hereunder, the Borrower agrees that, as soon as practicable upon the issuance of debt by the Borrower which is secured by its Non-Ad Valorem Revenues, it shall deliver to the Commission and the Bank an Anti-Dilution Certificate in the form of Exhibit E attached hereto.

(c) Information. (d) Litigation. The Borrower covenants to provide to the Commission and the Bank notice as soon as is reasonably possible of any litigation pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower, in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Borrower not in a manner which would adversely affect its ability to make the payments under this Agreement when and as the same become due and payable, or the existence or powers or ability of the Borrower to perform its duties and obligations hereunder.

(e) Further Assurance. The Borrower shall execute and deliver to the Bank and the Commission all such documents and instruments and do all such other acts and things as may be reasonably necessary to enable the Bank to exercise and enforce its rights under this Loan Agreement and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by the Bank to validate, preserve and protect the Bank's security under this Loan Agreement.

(f) Keeping of Records and Books of Account. The Borrower shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred in by the Borrower's Accountant) reflecting all of its financial transactions.

(g) Payment of Taxes, Etc. The Borrower shall pay all legally contracted obligations when due and shall pay all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings, which shall operate to stay the enforcement thereof.

(h) Compliance with Laws, Etc. The Borrower shall comply with the requirements of all applicable laws, the terms of all grants, rules, regulations and lawful orders of any governmental authority, non-compliance with which would, singularly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(i) Tax-Exempt Status of Series 2014 Bond. The Commission and the Borrower understand that it is the intention hereof that the interest on the Series 2014 Bond not be included within the gross income of the holders thereof for federal income tax purposes. In furtherance thereof, the Borrower and the Commission each agree that they will take all action within their control which is necessary in order for the interest on the Series 2014 Bond or this Loan to remain excluded from gross income for federal income taxation purposes and shall refrain from taking any action which results in such interest becoming included in gross income.

The Borrower and the Commission further covenant that, to the extent they have control over the proceeds of the Series 2014 Bond, they will not take any action or fail to take any action with respect to the investment of the proceeds of the Series 2014 Bond, with respect to the payments derived from the Series 2014 Bond or hereunder or with respect to the issuance of other Commission obligations, which action or failure to act may cause the Series 2014 Bond to be "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code and the regulations promulgated thereunder. In furtherance of the covenant contained in the preceding sentence, the Borrower and the Commission agree to comply with the Tax Certificate as to Arbitrage and the provisions of Section 141 through 150 of the Code, as amended, including the letter of instruction attached as an exhibit to the Tax Certificate, delivered by Bond Counsel to the Borrower and the Commission simultaneously with the issuance of the Series 2014 Bond, as such letter may be amended from time to time, as a source of guidelines for achieving compliance with the Code.

(j) Information Reports. The Borrower covenants to provide the Commission with all material and information it possesses or has the ability to possess necessary to enable the Commission to file all reports required under Section 149(e) of the Code to assure that interest paid by the Commission on the Series 2014 Bond shall, for purposes of the federal income tax, be excluded from gross income.

(k) Limited Obligations. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Borrower hereunder shall be payable only from Non-Ad Valorem Revenues budgeted and appropriated as provided for hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets or property owned by the Borrower and no Bondholder or any other person, including the Commission, may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Borrower. The obligations hereunder do not constitute an indebtedness of the Borrower within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Commission or the Bondholders or any other person shall have the right to compel the exercise of the ad valorem taxing power of the Borrower or taxation of any real or personal property therein for the payment by the Borrower of its obligations hereunder. Except to the extent expressly set forth in this Loan Agreement, this Loan Agreement and the obligations of the Borrower hereunder shall not be construed as a limitation on the ability of the Borrower to pledge or covenant to pledge said Non-Ad Valorem Revenues or any revenues or taxes of the Borrower for other legally permissible purposes. Notwithstanding any provisions of this Agreement or the Series 2014 Bond to the contrary, the Borrower shall never be obligated to maintain or continue any of the activities of the Borrower which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues or the rates for such services or regulatory fees. Neither this Loan Agreement nor the obligations of the Borrower hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the Borrower, but shall be payable solely as provided in Section 2.02(a) hereof and is subject in all respects to the provisions of Section 166.241, Florida Statutes, and is subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Borrower.

The Commission and the Borrower understand that the amounts available to be budgeted and appropriated to make Loan Payments hereunder is subject to the obligation of the Borrower to provide essential services; however, such obligation to make Loan Repayments is cumulative and would carry over from Fiscal Year to Fiscal Year.

(l) Reporting Requirements. The Borrower covenants to provide annually to the Commission and the Bank audited financial statements and dilution tests as provided by Exhibit E hereof and such other reports, documents or information as the Commission may require.

SECTION 5.03. Obligations of Borrower Unconditional. Subject in all respects to the provisions of this Loan Agreement, including but not limited to Section 2.02(a) and (k) hereof, the obligations of Borrower to make the Loan Repayments required hereunder and to perform and observe the other agreements on its part contained herein, shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever, while the Series 2014 Bond remains outstanding or any Loan Repayments remain unpaid, regardless of any contingency, act of God, event or cause whatsoever. DEFEASANCE

This Loan Agreement shall continue to be obligatory and binding upon the Borrower in the performance of the obligations imposed by this Loan Agreement and the repayment of all sums due by the Borrower under this Loan Agreement shall continue to be secured by this Loan Agreement as provided herein until all of the indebtedness and all of the payments required to be made by the Borrower shall be fully paid to the Commission or the Bank. Provided, however, if, at any time, the Borrower shall have paid, or shall have made provision for payment of, the principal amount, prepayment premium, if any, and interest of the Loan and the Series 2014 Bond and shall have paid all amounts due pursuant to Section 5.02 hereof, then, and in that event, the covenant regarding the Non-Ad Valorem Revenues and the lien on the revenues pledged, if any, to the Commission for the benefit of the holders of the Series 2014 Bond shall be no longer in effect and all future obligations of the Borrower under this Loan Agreement shall cease, except to the extent that such obligations are payable solely from the deposit provided in the next succeeding sentence. For purposes of the preceding sentence, deposit of sufficient cash and/or Governmental Obligations in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bank, on which the principal and interest received will be sufficient (as reflected in an Accountant's verification report) to make timely payment of the principal, interest and prepayment premiums, if any, on the Outstanding Loan and Series 2014 Bond, shall be considered "provision for payment."

If the Borrower shall make advance payments in an amount sufficient to retire the Loan of the Borrower, including any redemption premium and accrued interest to the next succeeding redemption date of the Series 2014 Bond, all future obligations of the Borrower under this Loan Agreement shall cease, including the obligations under Section 5.02 hereof, except as provided in Section 4.02 hereof.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.01. Events of Default Defined. The following shall be "Events of Default" under this Loan Agreement and the term "Event of Default" shall mean (except where the context clearly indicates otherwise), whenever they are used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to timely pay any Loan Repayment, within three (3) Business Days after the date due, so long as the Series 2014 Bond is outstanding;

(b) Failure by the Borrower to timely pay any other payment required to be paid hereunder on the date on which it is due and payable, provided the Borrower has prior written notice of any such payments being due;

(c) Failure by the Borrower to observe and perform any covenant, condition or agreement other than a failure under (a), on its part to be observed or performed under this Loan Agreement, for a period of thirty (30) days after notice of the failure, unless the Commission and the Bank shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Commission or the Bank, but cannot be cured within the applicable 30-day period, the Commission and the Bank will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the failure is corrected;

(d) Any warranty, representation or other statement by the Borrower or by an officer or agent of the Borrower contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement, is false or misleading in any material respect when made;

(e) A petition is filed against the Borrower under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within 60 days of such filing;

(f) The Borrower files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law;

(g) The Borrower admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the Borrower or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 60 days;

(h) Any material provision of this Loan Agreement shall at any time for any reason cease to be valid and binding on the Borrower, or shall be declared to be null and void, or the validity or enforceability of this Loan Agreement shall be contested by the Borrower or any governmental agency or authority, or if the Borrower shall deny any further liability or obligation under this Loan Agreement;

(i) Final judgment for the payment of money in the amount of \$250,000 or more is rendered against the Borrower, the payment of which would materially adversely affect the Borrower's ability to meet its obligations hereunder (it being agreed that, if insurance or adequate reserves are available to make such payment or the Borrower is not obligated with respect to such judgment pursuant to the provisions of Chapter 768, Florida Statutes, a covenant not to execute, or other applicable law, such judgment would not materially affect the Borrower's ability to meet its obligations hereunder) and at any time after 90 days from the entry thereof, unless otherwise provided in the final judgment, (i) such judgment shall not have been discharged, or (ii) the Borrower shall not have taken and be diligently prosecuting an appeal therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, and have caused the execution of or levy under such judgment, order, decree or process of the enforcement thereof to have been stayed pending determination of such appeal, provided that such execution and levy would materially adversely affect the Borrower's ability to meet its obligations hereunder.

(j) The Borrower or the Legislature of the State shall terminate the corporate existence of the Borrower unless, in the opinion of the Bank, adequate provision is made by law for the obligations of the Borrower hereunder.

SECTION 8.02. Notice of Default. The Borrower agrees to give the Bank and the Commission prompt written notice if any petition, assignment, appointment or possession referred to in Section 8.01(e), 8.01(f) or 8.01(g) is filed by or against the Borrower or of the occurrence of any other event or condition which constitutes a Default or an Event of Default, immediately upon becoming aware of the existence thereof.

SECTION 8.03. Remedies on Default.

(a) If an Event of Default exists under Section 8.01(a), the Bank may declare the principal of the Loan and the interest accrued thereon to be due and payable immediately, by a notice in writing to the Borrower and the Commission, and upon any such declaration such

principal and the interest accrued thereon to the date of declaration shall become immediately due and payable.

(b) At any time after such a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Bank, by written notice to the Borrower and the Commission may rescind and annul such declaration.

(c) Whenever any Event of Default referred to in Section 8.01 hereof shall have happened and be continuing, the Commission or the Bank shall, in addition to any other remedies herein or by law provided, have the right, at its or their option without any further demand or notice, to take whatever other action at law or in equity which may appear necessary or desirable to collect amounts then due and thereafter to become due hereunder or to enforce any other of its or their rights hereunder. Notwithstanding any other provisions hereof, in an Event of Default referenced in Section 8.01(a), the Bank shall have the sole authority to determine whether to exercise any remedies provided herein or by law and in what matter.

(d) If any Loan Payment is not paid when due, any amount so in default shall bear interest at the Default Rate until such default is cured. Anything provided herein or in the Series 2014 Bond to the contrary notwithstanding, in no event shall this Loan bear interest in excess of the Maximum Rate.

SECTION 8.04. [Reserved].

SECTION 8.05. No Remedy Exclusive; Waiver, Notice. No remedy herein conferred upon or reserved to the Commission or the Bank is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Commission or the Bank to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice other than such notice as may be required in this Article VIII.

SECTION 8.06. Application of Moneys. Any moneys collected by the Commission or the Bank pursuant to Section 8.03 hereof shall be applied (a) first, to pay interest due on the Loan, (b) second, to pay principal due on the Loan, (c) third, to pay any attorney's fees or other expenses owed by the Borrower pursuant to Section 5.02(b)(3) and (4) hereof, (d) fourth, to pay any other amounts due hereunder, and (e) fifth, to pay interest and principal on the Loan and other amounts payable hereunder but which are not due, as they become due (in the same order, as to amounts which come due simultaneously, as in (a) through (d) in this Section 8.06).

OPINION OF BORROWER'S COUNSEL

[Letterhead of Counsel to Borrower]

____, 2014

Sunshine State Governmental Financing Commission
Tallahassee, Florida

Bryant Miller Olive P.A.
Miami, Florida

JPMorgan Chase Bank, N. A.
Miami, Florida

Gentlemen:

We are counsel to City of Coral Gables, Florida (the "Borrower"), and have been requested by the Borrower to give this opinion in connection with the loan by the Sunshine State Governmental Financing Commission (the "Commission") to the Borrower of funds to finance the cost of certain projects (the "Projects") as defined in, and as described in Exhibit A of the Loan Agreement, dated as of _____ 1, 2014 (the "Loan Agreement"), among JPMorgan Chase Bank, N.A. (the "Bank"), the Commission and the Borrower.

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, and ordinances adopted by the City Commission of the Borrower, the Loan Agreement and Resolution No. 2014-____ adopted by the Borrower on _____, 2014 (the "Resolution"). Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a municipality duly organized and validly existing under the Constitution and laws of the State of Florida and under the provisions of the Constitution and laws of the State of Florida. The Borrower has the legal right and all requisite power and authority to enter into the Loan Agreement, to adopt the Resolution and to consummate the transactions contemplated thereby, including the financing of the Project, and otherwise to carry on its activities and own its property.

(b) The Borrower has duly authorized, executed and delivered the Resolution and the Loan Agreement, and such instruments are legal and binding obligations of the Borrower enforceable against the Borrower in accordance with their terms, except to the extent that the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(c) The execution and delivery of the Resolution and the Loan Agreement, the consummation of the transactions contemplated thereby, purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the Loan (as defined in the Loan Agreement) and the fulfillment of or compliance with the terms and conditions of the Loan Agreement do not and will not conflict with or result in a material breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or it or its properties is otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(d) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened or to which the Borrower is a party or of which any property of the Borrower is subject, which has not been disclosed in writing to the Commission and the Bank and which, if determined adversely to the Borrower, would individually or in the aggregate materially and adversely affect the validity or the enforceability of the Loan Agreement, or the properties or conditions (financial or otherwise) of the Borrower, or the ability of the Borrower to enter into and perform its obligations under the Loan Agreement.

(e) Any indebtedness being refinanced, directly or indirectly, with the proceeds of the Loan was initially incurred by the Borrower, and the proceeds of such indebtedness have been fully expended, to finance the cost of the Project described in the Loan Agreement.

(f) No authorization, approval, consent, license or other action of any court or public or governmental or regulatory authority having jurisdiction over the Borrower that has not been obtained is or will be required for adoption of the Resolution, the issuance and sale of the Series 2014 Bond (as defined in the Loan Agreement) or the valid and lawful authorization, execution and delivery of, or consummation by the Borrower of the other transactions contemplated by, the Loan Agreement and the Resolution.

Very truly yours,

Provided, however, that if any principal of or interest on this Bond is not paid

when due, this Bond and any amount so in default shall bear interest at the Default Rate until such default is cured. Anything provided herein or in this Bond to the contrary notwithstanding, in no event shall this Bond bear interest in excess of the Maximum Rate.

For purposes of this Bond, the term "Default Rate" means the lesser of the (i) Base Rate plus 4.0% and (ii) 12%.

"Base Rate" means higher of (i) Prime Rate and (ii) the "One-Month LIBOR Rate" plus 2.5%.

"Prime Rate" means a rate of interest equal to the announced prime commercial lending rate per annum of JPMorgan Chase Bank, N.A. The Prime Rate is a reference rate for the information and use of the Bank in establishing the actual rate to be charged to the Borrower. The Prime Rate shall be adjusted from time to time without notice or demand as of the effective date of any announced change thereof.

The principal of, premium, if any, and interest on this Bond are payable in lawful money of the United States of America. Interest due hereon shall be calculated on the basis of a 360-day year of twelve 30-day months.

[Redemption provisions]

This Bond is issued to finance the costs of the acquisition and construction of the Project, as described in the Loan Agreement, under the authority of and in full compliance with the Constitution and Statutes of the State of Florida, including particularly Chapter 163, Part I, Florida Statutes, Chapter 166, Part II, Florida Statutes, as amended, and other applicable provisions of law, Resolution No. _____ adopted by the Board of Directors of the Commission on June 2, 2014, (the "Resolution"), and pursuant to a Loan Agreement among JPMorgan Chase Bank, N.A., the Commission and the City of Coral Gables, Florida (the "Borrower"), dated _____ 1, 2014 (the "Loan Agreement"), to which reference should be made to ascertain those terms and conditions.

This Bond is payable from and secured solely by a lien upon and pledge of the Loan Repayments, as defined and described in the Loan Agreement, all in the manner provided in, and subject to the terms and conditions of the Resolution and the Loan Agreement.

The principal of and interest on this Bond do not constitute a general obligation or indebtedness of the Commission or the Borrower, and the Registered Owner shall never have the right to require or compel the levy of taxes on any property of or in the Commission or the Borrower for the payment of the principal of and interest on this Bond. The issuance of this Bond shall not directly, indirectly or contingently obligate the Borrower, the State or any political subdivision or municipal corporation thereof to levy or pledge any form of ad valorem taxation for its payment but shall be payable solely from the funds and revenues pledged under and pursuant to the Loan Agreement.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of the State of Florida to be performed, to exist and to happen precedent to and in the issuance of this Bond, have been performed, exist and have happened in regular and due form and time as so required.

IN WITNESS WHEREOF, the Sunshine State Governmental Financing Commission has caused this Bond to be executed by the Chair or Vice-Chair, and attested by the Secretary-Treasurer, either manually or with their facsimile signatures, and its seal or a facsimile thereof to be affixed, impressed, imprinted, lithographed or reproduced hereon, all as of the Date of Issue above.

In the event a Determination of Taxability shall have occurred, the rate of interest on this Bond shall be increased to the Taxable Rate, effective retroactively to the date on which the interest payable on this Bond is includable for federal income tax purposes in the gross income of the Registered Owner thereof. In addition, the Registered Owner or any former owners of this Bond, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States of America by the Registered Owner or any former owners of this Bond as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by the Borrower within sixty (60) days following the Determination of Taxability and demand by the Registered Owner. A “Determination of Taxability” shall mean (i) the issuance by the Internal Revenue Service of a statutory notice of deficiency or other written notification which holds in effect that the interest payable on this Bond is includable for federal income tax purposes in the gross income of the Registered Owner, which notice or notification is not contested by either the Issuer or any Registered Owner of this Bond, or (ii) a determination by a court of competent jurisdiction that the interest payable on this Bond is includable for federal income tax purposes in the gross income of the Registered Owner, which determination either is final and non-appealable or is not appealed within the requisite time period for appeal, or (iii) the admission in writing by the Borrower to the effect that interest on this Bond is includable for federal income tax purposes in the gross income of the Registered Owner thereof.

In the alternative, in the event that interest on this Bond during any period becomes partially taxable as a result of a Determination of Taxability applicable to less than all of this Bond, then the interest rate on this Bond shall be increased during such period by an amount equal to: $(A-B) \times C$ where:

- (A) “A” equals the Taxable Rate (expressed as a percentage);
- (B) “B” equals the interest rate on this Bond (expressed as a percentage); and
- (C) “C” equals the portion of this Bond the interest on which has become taxable as the result of such tax change (expressed as a decimal).

In addition, the Registered Owner or any former owner of this Bond, as appropriate, shall be paid an amount equal to any additions to tax, interest and penalties, and any arrears in interest that are required to be paid to the United States by the Owner or former Owners of this

Bond as a result of such Determination of Taxability. All such additional interest, additions to tax, penalties and interest shall be paid by the Borrower within sixty (60) days following the Determination of Taxability and demand by the Registered Owner.

In the event that the highest marginal statutory rate of federal income tax imposed on corporations and applicable to the Registered Owner (the "Maximum Corporate Tax Rate") during any period with respect to which interest shall be accruing on this Bond on a tax-exempt basis, changes from the Maximum Corporate Tax Rate then in effect, which causes a reduction in the tax-equivalent yield on this Bond, the interest rate on this Bond that is bearing interest on a tax-exempt basis shall be increased to compensate for such change in the effective yield to a rate calculated by multiplying the interest rate then in effect on this Bond by a fraction equal to $(1-A \text{ divided by } 1-B)$, where A equals the Maximum Corporate Tax Rate in effect as of the date of adjustment and B equals the Maximum Corporate Tax Rate in effect on the date of the original issuance of this Bond.

EXHIBIT E

SPECIAL COVENANTS AND FINANCIAL RATIOS

Pursuant to Section 2.02(a) hereof, the Borrower has covenanted and agreed to budget and appropriate in its annual budget, by amendment, if required, and to pay when due directly to the Bank, sufficient amounts of Non-Ad Valorem Revenues or other legally available funds sufficient to satisfy the Loan Repayment as required hereunder. The obligation of the Borrower pursuant to Section 2.02(a) includes an obligation to make amendments to the budget of the Borrower to assure compliance with the terms and provisions thereof.

ADDITIONAL DEBT

As certified in the Anti-Dilution Certificate in the form attached hereto, the Borrower may incur additional debt payable from or secured by Non-Ad Valorem Revenues only if the average total amount of Non-Ad Valorem Revenues for the two most recent prior Fiscal Years was at least 2.00 times the maximum annual debt service on all outstanding debt of the Borrower payable from or secured by Non-Ad Valorem Revenues and the debt proposed to be issued (including all long-term financial obligations appearing on the Borrower's most recent audited financial statements) (collectively, the "Debt").

For purposes of calculating maximum annual debt service if the terms of the Debt are such that interest thereon for any future period of time is to be calculated at a rate which is not then susceptible of precise determination ("Variable Rate Debt"), interest on such Variable Rate Debt shall be computed as follows:

(a) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is less than or equal to 25% of the principal amount of all Debt (including the Debt proposed to be incurred), an interest rate equal to the higher of 12% per annum or The Bond Buyer 40 Index shall be assumed; or

(b) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is more than 25% of the principal amount of all Debt (including the Debt proposed to be incurred), the maximum rate which could be borne by such Variable Rate Debt shall be assumed.

For purposes of any loan, including the Loan, where the lender obtains the right to put the loan back to the Borrower at a specific date, the Borrower shall assume that the loan is amortized over the full term (put is not exercised) when calculating maximum annual debt service. In the event that the Borrower is required to fund a reserve fund, the funding of such reserve fund shall be included in the calculation of debt service. For the purposes of calculating maximum annual debt service, the Variable Rate Debt with a bullet maturity shall be assumed to amortize in up to 20 years on a level debt service basis.
