

**City of Coral Gables
COMMISSION MEETING
March 24, 2009**

ITEM TITLE:

Presentation of 20 years service pin to Michael L. Johnson, Public Works Department

BRIEF HISTORY:

Michael joined the City in January 1989 as a Maintenance Worker I in Public Service. He transferred to Public Works in August 1999. Michael accepted the additional responsibilities of Maintenance Worker II in March of 2005 and was promoted to Maintenance Repair Worker in March 2006.

Evaluations portray Michael as a very productive employee who does an excellent job in reading and interpreting storm water and sewer blue prints. Through the years Michael has completed numerous classes and seminars to keep his skills current.

He is an excellent team player and works well on his own with very little supervision. He is a hard worker and takes pride in his job. The City is grateful for his 20 years of service and looks forward to many more.
