INSPIRING, ENGAGING, AND ENHANCING OUR COMMUNITY
THROUGH THE POWERFUL, UNIVERSAL MEDIUM OF FILM.

LETTERS FROM OUR LEADERSHIP

Dear Friends of Coral Gables Art Cinema,

I have always loved the movies! My very first memory of going to a theater was with my father when he took me to see "Calamity Jane" in the 1950s and it's been a love affair ever since! Fast forward many years and I find myself chairing the Board of Directors of the Coral Gables Art Cinema and it is by far the best volunteer position that I have ever held!

2023 was an important year at our Cinema – for us it was the transitional year that finally erased the doubt of whether or not our small movie theater would survive after the pandemic. We showed a total of 221 different titles and had an attendance of 38,000 which marked our best numbers since the pandemic began.

Our wonderful executive director, Brenda Moe, along with her talented right hand, Michelle Acosta Humphreys, brought us some of the most innovative programming in the entire southeast in 2023! National Theater Live, the excellent "Exhibition on Screen" series, the Kaplan/Krams Sunday matinees of their favorite films, the Perrin/Slesnick musicals for members, the Friday evening opening events, the superb line-up of guest speakers and panelists, the monthly children's programming introducing our youth to films from around the world, the "After Hours" movies on Saturday night, the opportunity to view films on 70mm and in 3D - there truly is "something for everyone" at our Cinema!

And it is YOU, our members and our audiences, who have made this such a successful year for us! It is your faithful and loyal attendance plus your enthusiasm and generosity that has kept the doors open and has allowed us to move forward! Please never stop!

I jokingly say that I should hide a cot behind the curtain covering the screen – many weeks I am there on multiple evenings – the Cinema truly has become my second home!

I hope to see you at the movies!

LETTERS FROM OUR LEADERSHIP

Dear Friends,

I feel immense joy and gratitude reflecting on the cinematic journey we embarked on throughout 2023, and it is with great pleasure that we present our annual impact report. In 2023, Coral Gables Art Cinema continued its tradition of offering an eclectic array of films representing diverse voices and narratives from around the globe. From captivating documentaries to timeless classics and thought-provoking indie gems to breathtaking blockbusters, our screens were alive with the magic of cinema in all its forms. One highlight of the year was the resounding success of the Oppenheimer film, run entirely on 70mm, which captivated our loyal patrons and welcomed hundreds of new faces through our doors. The enormous undertaking underscored our commitment to pushing the boundaries of cinematic excellence and creating unforgettable moments for our community.

Despite the challenges posed by the pandemic, which we still feel today, I am thrilled to report that we are only 30% under pre-pandemic attendance numbers, a testament to the unwavering support of our dedicated patrons. Looking ahead, we anticipate even greater strides in 2024, with projections indicating that we will be less than 20% under our pre-pandemic attendance levels. One of the most heartening aspects of the past year has been the tremendous growth of our membership program. With membership numbers booming, we anticipate a remarkable 20% increase in the first quarter of 2024, bringing our total membership count to nearly 2,000. This surge in membership not only speaks to the enduring appeal of Coral Gables Art Cinema but also reaffirms our role as a vital cultural hub within the community.

As we gaze into the future, we remain steadfast in our commitment to preserving the magic of analog cinema. Our monthly screenings of movies from film reels serve as a poignant reminder of the timeless artistry and craftsmanship that continue to captivate audiences across generations. We take great pride in bridging the gap between those who grew up with the flicker of celluloid and younger audiences who are experiencing it for the very first time.

Furthermore, I am delighted to announce that our second screen expansion project is progressing, with the completion of our construction documents poised for submission to the building department. This exciting development heralds a new chapter in our journey, one that promises to enhance the cinematic experience for our patrons and further solidify our place as a beacon of cultural excellence.

None of this would have been possible without the unwavering support of our cherished patrons, the visionary leadership of our generous and dedicated board of directors, and the tireless efforts of our invaluable staff. Together, we have built a community bound by a shared love of cinema, and for that, we are eternally grateful. As we embark on another year filled with possibility and promise, I invite you to join us in celebrating the power of film to inspire, enlighten, and unite us all. Together, let us continue to write the next chapter of our cinematic journey—one frame at a time.

With warmest regards,

B Moe

COMMITMENT
TO SUSTAINABILITY

FUTURE IN FOCUS

Coral Gables Art Cinema is certified as a green business at the Silver level by the City of Coral Gables and the Coral Gables Chamber of Commerce. The cinema reduces its environmental footprint by being a bike-friendly business, implementing a comprehensive recycling program, using sustainable straws, purchasing materials comprising recycled content, using environmentally friendly cleaning products, going paperless, and selling cans of water instead of plastic bottles. The cinema is also a proud partner of the city's Keep Coral Gables Beautiful program and the first retail partner in the city's Reverse Vending Machine program.

BUILDING COMMUNITY

Gables Cinema on the Move

Launched in 2023, this mobile cinema program brings celebrated films to unorthodox venues and underserved communities with a goal to increase access, encourage interesting discussion, nurture community, and tap into the power of storytelling. This program is made possible by funding from PNC Arts Alive.

Florida Film Institute

Every year, the cinema hosts the Florida Film Institute's summer film camp. This highly competitive course gives teenage filmmakers the opportunity to gain experience with the essential and practical aspects of commercial motion picture production, including script preparation, cinematography, lighting, sound recording, directing, editing, acting and music. The camp runs for six weeks and all classes are held onsite at the cinema.

Haitian Heritage Celebration

The cinema presented its 2nd annual multisensory, day-long celebration of Haitian culture. In partnership with Black Lounge Films, Ayiti Images, and NOULA Worldwide, this event featured Haitian food, refreshments, live performances, and a film screening of Kafe Negro: Cuba & The Haitian Revolution followed by a virtual Q&A with director Mario Delatour.

Miami Film Lab

The cinema partnered with the nonprofit film production company Miami Film Lab to present two exciting new series.

Test Screenings - give local filmmakers the opportunity to present their work in progress films to audiences for feedback before finalizing their edits and submitting their films to film festivals and distributors.

Filmcraft Series - Miami's leading filmmakers discuss their careers, what it takes to make a splash on the film festival circuit, how to get distribution, and what role filmmakers should play in making sure their releases are a success. Speakers included Oscar® winner Phil Lord, Ruben Rabasa (Amigos, Father Of The Bride), Victoria Collado (The Amparo Experience, Love Asterisk), Danny Davila (Burn Notice, The Baker and the Beauty, and Impractical Jokers: The Movie), Roberto Requejo Ramos and Pedro Gomez (South Beach Shark Club).

"The Overtown Optimist Club is incredibly proud to celebrate the work of the Coral Gables Art Cinema 'On the Go' programming in Miami. Our children and families were able to benefit from a wonderful Friday Night family-bonding experience with a screening of Night at the Museum, inside our neighborhood basketball gym. The partnership afforded us another opportunity to activate an amazing public community space for the residents and neighboring communities. We look forward to partnering again in the future."

AUDIENCE ENGAGEMENT

Coral Gables Art Cinema enriches its global arthouse programming by pairing films with introductions and discussions that invite our audiences to engage with films on a deeper level. Filmmakers, industry leaders, educators, and experts lead conversations that shed light on the filmmaking process, spark meaningful conversation, provide new perspectives, and foster connection long after the credits roll.

EXPANSION COMING SOON

Coral Gables Art Cinema is more than a cinema; it is a vital community asset and has served as a gathering place for all to share a love of great films, ideas, cultural expressions, community values, and pride. Our single screen cinema has an overriding need to expand.

THE REASON FOR EXPANSION Surrounded by 7 competing cinemas and 58 screens in a 3-mile radius, our single screen is simply not sustainable over time. Building an additional auditorium will increase our seating capacity, support a broader schedule, and enable us to provide more varied programs.

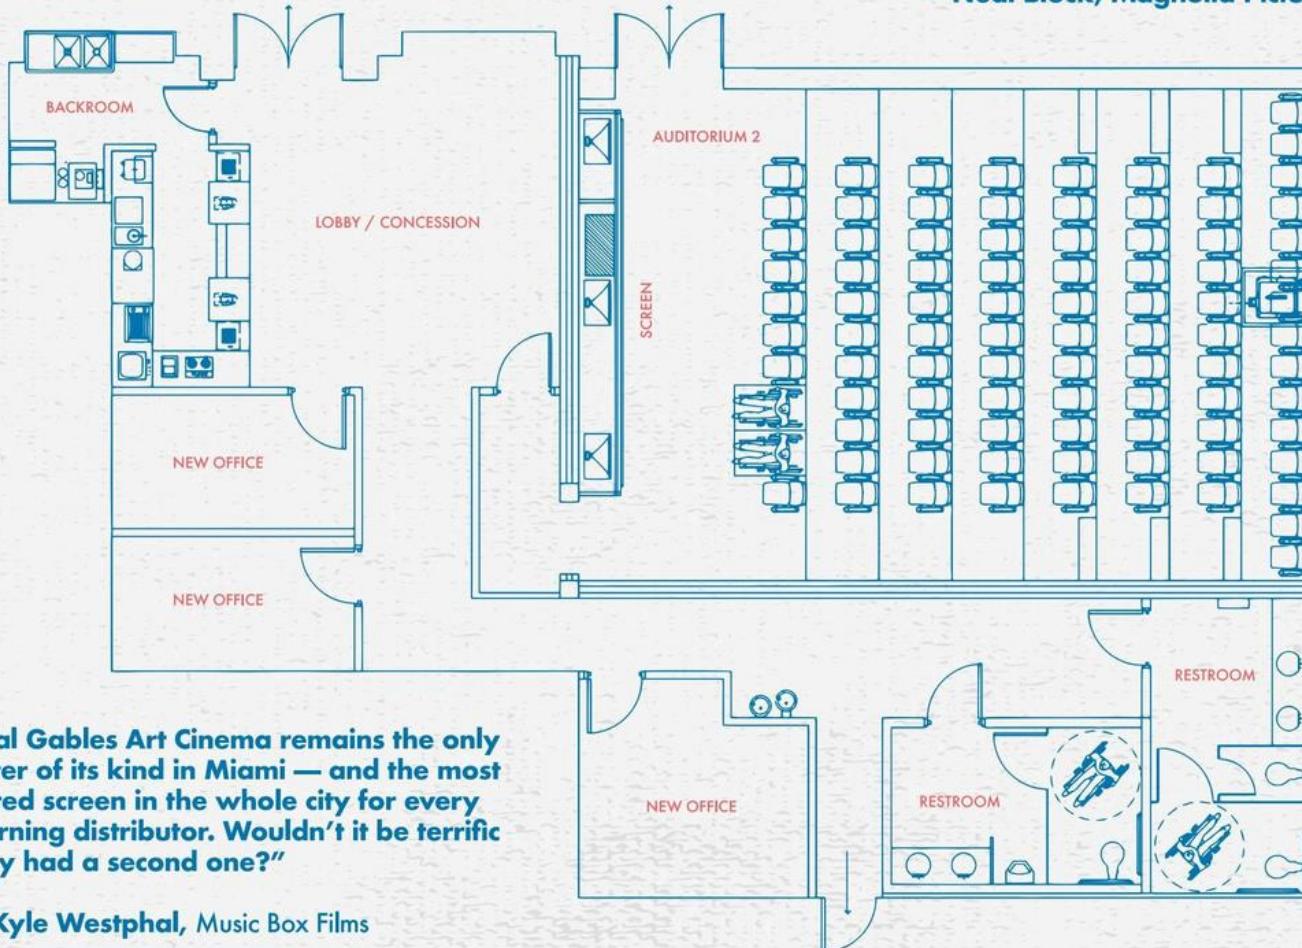

IMPACT Expansion will dramatically affect the cinema's annual attendance increasing it to 80,000 with an expected economic impact of nearly \$3 million. We will reach wider underserved audiences, using the additional space to further our community investments.

OUR BEAUTIFUL EXPANSION WILL FEATURE:

- A new large **MODERN LOBBY** with a carefully curated café featuring beer, wine, local food specialties and a stunning display wall
- A **92-SEAT** state-of-the-art auditorium and screen
- The **INTERIOR DESIGN** will pay tribute to The City Beautiful and Miami
- Public Restrooms and additional **ADMINISTRATIVE OFFICES** will address critical demands.
- A re-envisioned store front at 240 Aragon will feature a **VISUALLY MERCANDISED WINDOW** displaying late nineteenth through twentieth century museum items —enhancing the cultural beautification of Aragon Avenue.

"Miami can be a difficult market for arthouse and specialty films. Unlike most cities its size, Miami lacks a central multiplex arthouse, instead relying on smaller theaters to exhibit the best independent and foreign-language films. The jewel of that group is the Coral Gables Art Cinema – I wish they weren't a single-screen."

—Neal Block, Magnolia Pictures

"Coral Gables Art Cinema remains the only theater of its kind in Miami — and the most coveted screen in the whole city for every discerning distributor. Wouldn't it be terrific if they had a second one?"

— Kyle Westphal, Music Box Films
