. . . . I heard Mayor Lago address the accountability needed to improve the esthetics of the downtown area and I totally agree.

Yesterday, I walked through the Coral Gables museum plaza and by the entrance and was shocked to see the neglect of maintenance and landscaping. As a destination for visitors to our city it is not a good image to project for tourists and residents alike, it is in dire need of some TLC. Maybe code enforcement needs to pay a visit there as well as The Palace.

Rant over

Jane Maranos.
