CITY BOARDS

- Landscape Beautification Advisory Board, with no conditions
- Planning Advisory Board, with conditions as stated on the attached synopsis
- Economic Development Board, with conditions as stated on the attached synopsis
- Parking Advisory Board, with conditions as stated on the attached synopsis

AGENCIES

- Miami-Dade County Public Works Department,
- NOTE: Prior to the development of the raised landscape median in Miracle Mile, the Florida Department of Transportation turned over maintenance responsibilities to the City of Coral Gables since it would not change the existing on-street parking to parallel parking. The records to confirm this statement have not yet been located.
