B. PUBLIC COMMENTS

Marlin Ebbert: Stated that she was one of the first members of the School Community Relations Committee during the 90's. Inquired about the percentage of residents that attend Coral Gables Preparatory Academy; there has been information indicating it's thirteen (13) percent. Board Member Goodman will provide written details of amounts. According to Board Member Goodman, the percentage rate is incorrect. The correct amount is twenty-two (22) percent. Interest in investigating the percentage of families sending their children to private schools versus to public schools. The Villagers organization might be able to provide a grant to Coral Gables Preparatory Academy. Ms. Ebbert requested to be added to the mailing list.

Sam Joseph: Fourteen (14) percent is still an accurate number for Coral Gables Senior High. This will be true for the majority of schools in the feeder pattern that are part of the magnet program. Somerset Academy is part of the schools in this committee's overview and it's important to include them for funding purposes. Almost all public schools within Coral Gables feeder pattern are Title 1 thus receiving free lunch.

C. NEW BUSINESS

The school year is off to a good start; there are 600 new teachers, however, this number is still short. There is a need for additional teachers. Items C-5 and D-1 are related.

C-5 Discussion regarding possible workshop to discuss supplemental funding for area schools in more detail (Facilitated by Winnie Chang, Chairperson)

Board Member Goodman requests school enrollment numbers from the past ten (10) years.

A discussion takes place on scheduling a possible workshop or if this item should simply be the only item of the next SCRC meeting agenda. Timing is a factor as members will already need to attend the mandatory ethics training scheduled for Sept. 29.

Aillette Rodriguez-Diaz, Miami-Dade Administrative Director provided additional feedback regarding various funding programs offered by other municipalities. These include grants, Memorandum of Understanding (MOU's), and donations.

Estelle Lockhart from GW Carver Elementary PTA stated that she is supportive of the workshop/meeting during October; this will encourage transparency and enough notice to allow the public to participate. Important to think big and consider a five (5) to ten (10) year strategic plan in terms of what education can look like in schools.

Board Member Goodman motion to cancel the Oct. 13 meeting and hold a workshop on the strategic vision for education in Coral Gables during that date instead. Board Member Lam second, motion passed.
