Ms. Birdsill brought the meeting to order at 4:07 p.m.

The panelists had previously reviewed the artist submissions, and had scored them individually. They discussed their thoughts on various artists, and decided to begin by eliminating all applicants who had received unanimous “No” votes. Discussion about the remaining applicants followed and the panel decided to leave a total of 55 submissions active for further review. It was agreed that the panel would take another 2 – 2 ½ weeks to continue to evaluate the first round pool remotely using the CaFE website, and would re-convene. The next meeting will be scheduled once all panelists have confirmed that their scoring is complete.

There being no further business, the meeting adjourned at 6:00 p.m.

Respectfully submitted by,
Megan Cross Schmitt, Economic Sustainability Special Projects & Cultural Coordinator
