ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board (“Board”) of the City of Coral Gables (“City”), on October 19, 2015, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing (“Notice”). The Board, having heard the arguments of the parties and having considered the evidence presented, hereby enters this Order Declaring Structure Unsafe (“Order”) and finds, concludes, and orders as follows:

Findings of Fact

1. The City properly served the Notice on the owner, 217 Madeira, LLC (“Owner”), and any lienholders of record of the two-story multifamily building (“Structure”) built in 1944 and located at **217 Madeira Avenue**, Coral Gables, FL 33146-3924, legally described as: Lots 15 and 16, in Block 2, of CORAL GABLES SECTION K, according to the Revised Plat thereof, as recorded in Plat Book 30, at Page 60, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-005-0240 (“Property”).
2. The Notice alleges that the Structure is unsafe because on April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code (“Report”).
3. On July 22, 2014 and June 2, 2015, the City sent the Property Owner notices that the Report was past due.
4. To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating

that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

Conclusions of Law

5. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Order

It is, therefore, ORDERED:

6. *Required Action.* The Owner shall take the Required Action as follows: a) the Owner shall submit the Report within 30 days of the date of this order; b) the Owner shall apply for all required permits to meet the minimum requirements as noted in the Report ("Permits") within 30 days of the date the Report is submitted, and, in any event, no later than 60 days of the date of this Order; c) the Owner shall obtain all Permits within 30 days from the date that the application is complete and, in any event, no later than 90 days from the date of this Order; and d) the Owner shall pass final inspection on all Permits and shall submit a Compliance Report within 30 days from the date that the Permits are issued and, in any event, no later than 120 days from the date of this Order.

7. *Demolition by Owner.* If the Owner elects instead to demolish the Structure: a) the Owner shall apply for all required permits to totally demolish the Structure within 15 days of the date of this Order ("Demolition Permit"); b) the Owner shall obtain the Demolition Permit within 15 days from the date that the application is complete and, in any event, no later than 30 days from the date of this Order; and c) the Owner shall pass final inspection on the Demolition Permit, including by laying sod on the Property and removing the construction fence, within 15 days from the date that the Demolition Permit is issued and, in any event, no later than 45 days from the date of this Order.

8. *Request for compliance inspection.* It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order.

9. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure.

10. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in

interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

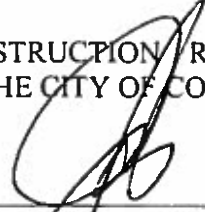

11. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

12. **NOTICE:** If the Respondent does not comply with the terms of this order, the City may issue an Affidavit of Non-Compliance ("Affidavit"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, bgarcia@coralgables.com, tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Affidavit shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

DONE AND ORDERED at the City of Coral Gables, Miami-Dade County, Florida, on this 19th day of October, 2015.

ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on October 19, 2015, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered the evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

Findings of Fact

1. The City properly served the Notice on the owner, 217 Madeira, LLC ("Owner"), and any lienholders of record of the two-story multifamily building ("Structure") built in 1944 and located at 217 Madeira Avenue, Coral Gables, FL 33146-3924, legally described as: Lots 15 and 16, in Block 2, of CORAL GABLES SECTION K, according to the Revised Plat thereof, as recorded in Plat Book 30, at Page 60, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-005-0240 ("Property").
2. The Notice alleges that the Structure is unsafe because on April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code ("Report").
3. On July 22, 2014 and June 2, 2015, the City sent the Property Owner notices that the Report was past due.
4. To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating

that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

Conclusions of Law

5. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Order

It is, therefore, ORDERED:

6. *Required Action.* The Owner shall take the Required Action as follows: a) the Owner shall submit the Report within 30 days of the date of this order; b) the Owner shall apply for all required permits to meet the minimum requirements as noted in the Report ("Permits") within 30 days of the date the Report is submitted, and, in any event, no later than 60 days of the date of this Order; c) the Owner shall obtain all Permits within 30 days from the date that the application is complete and, in any event, no later than 90 days from the date of this Order; and d) the Owner shall pass final inspection on all Permits and shall submit a Compliance Report within 30 days from the date that the Permits are issued and, in any event, no later than 120 days from the date of this Order.

7. *Demolition by Owner.* If the Owner elects instead to demolish the Structure: a) the Owner shall apply for all required permits to totally demolish the Structure within 15 days of the date of this Order ("Demolition Permit"); b) the Owner shall obtain the Demolition Permit within 15 days from the date that the application is complete and, in any event, no later than 30 days from the date of this Order; and c) the Owner shall pass final inspection on the Demolition Permit, including by laying sod on the Property and removing the construction fence, within 15 days from the date that the Demolition Permit is issued and, in any event, no later than 45 days from the date of this Order.

8. *Request for compliance inspection.* It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order.

9. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure.

10. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in

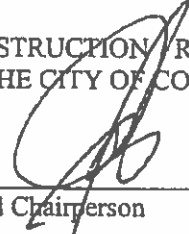

interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

11. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

12. **NOTICE:** If the Respondent does not comply with the terms of this order, the City may issue an Affidavit of Non-Compliance ("Affidavit"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, bgarcia@coralgables.com, tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Affidavit shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

(Wherever used herein, the terms "Mortgagor" and "Mortgagee" include all parties to this instrument and the heirs, legal representatives and assigns of individuals and the successors and assigns of corporations.)

A. MORTGAGOR is indebted to MORTGAGEE in the aggregate sum of One Hundred Sixty-Five Thousand and 00/100 Dollars (\$165,000.00) Dollars, as evidenced by a certain Commercial Promissory Note dated June 2, 2011, executed by MORTGAGOR, and payable to the order of MORTGAGEE, which Note bears interest at the rate provided therein, said interest and principal being payable in the manner set forth in the Commercial Promissory Note.

B. The parties hereto wish to secure payment of the Commercial Promissory Note, with interest, and to secure the performance of the hereinafter covenants, agreements and conditions by the execution of this Mortgage Deed and Security Agreement.

WITNESSETH:

That for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by MORTGAGOR, and to induce MORTGAGEE to make loans or advances to MORTGAGOR in the sum of One Hundred Sixty-Five Thousand and 00/100 Dollars (\$165,000.00), the said MORTGAGOR does grant, bargain, sell, alien, remise, release, convey and confirm unto the said MORTGAGEE, its successors, legal representatives or assigns in fee simple, all of the following lots, tracts, pieces and parcels of land, situated in Miami-Dade County, Florida, and more particularly described on Exhibit "A" attached hereto and made a part hereof ("hereinafter referred to as "Premises or Property").

TOGETHER WITH all the right, title and interest of the MORTGAGOR in and to any and all buildings, improvements and appurtenances now standing or at any time hereafter constructed or placed on said lands, or any part or parts thereof, including all partitions, screens, awnings, window shades, dynamos, motors, engines, elevators, call systems, fire apparatus, plumbing, ventilating, gas and electric light fixtures, machinery, appliances,

ih

a sum equal to one-twelfth (1/12th) of the annual amount necessary to pay all taxes and assessments against the said mortgaged premises, said monthly sum to be estimated solely by MORTGAGEE and calculated to be an amount not less than the amount of taxes assessed against said mortgaged premises for the previous year, and if further required by MORTGAGEE to pay all insurance premiums in manner and form as provided herein for the payment of taxes and assessments.

16. If any time, in the opinion of the MORTGAGEE, a receivership may be necessary to protect the mortgaged property or its rents, income, issues, profits, or revenues, whether before or after maturity of the indebtedness hereby secured, or at the time of or after the institution of suit to collect such indebtedness, or to enforce this Mortgage Deed and Security Agreement, the MORTGAGEE shall, as a matter of strict right, and regardless of the value of the mortgage security for the amounts due hereunder or secured hereby, or of the solvency of any party bound for the payment of such indebtedness, have the right to the appointment, on ex parte application, and without notice to anyone, by any court having jurisdiction, of a Receiver to take charge of, manage, preserve, protect and operate said property, to collect the rents, issues, profits, income and revenues thereof, to make all necessary or needful repairs, and to pay all taxes and assessments against said property and insurance premiums for insurance thereof, and all other necessary or required expenses and after the payment of the expenses of the receivership and management of the property, to apply the net proceeds in reduction of the indebtedness hereby secured, or in such manner as the court shall direct. Such receivership shall, at the option of the MORTGAGEE, continue until full payment of all sums hereby secured, or until title to said property shall have passed by sale under this Mortgage Deed and Security Agreement.

17. This Mortgage Deed and Security Agreement secures payment and performance of all obligations of MORTGAGOR to MORTGAGEE, however or whenever created, including the Promissory Note executed by MORTGAGOR to MORTGAGEE. Any default, beyond any applicable grace period, in any of the terms and provisions of any Note or Loan Agreement shall constitute a default in this Mortgage Deed and Security Agreement, and entitle MORTGAGEE to all the rights and remedies provided herein.

18. Any notice, demand or communication required or permitted to be given hereunder shall be in writing, and shall be sufficiently given if delivered or sent by Registered or Certified Mail (and Air Mail, if the distance is in excess of 300 miles), Return Receipt Requested, postage prepaid, addressed as follows:

ATTN: BUILDING OFFICIAL

RE: 40 YEAR CERTIFICATION INSPECTION
217 MADEIRA AVENUE, CORAL GABLES, FLORIDA

Dear Sir:

This letter is to verify that the structural inspection for the 40 year re-certification was completed. The building requires repair of the tie-beam at the second floor; at the entire perimeter of the building.

In order to avoid possible misunderstanding, nothing in this report should be construed directly or indirectly as guaranty for any portion of the structure.

To the best of my knowledge and ability, this report represents an accurate appraisal of the present condition of the building based upon careful evaluation of observed conditions, to the extent reasonable possible.

If you have any questions, please call.

Respectfully,

Juan Fernandez-Barquin, P.E.
