A RESOLUTION OF THE CITY OF CORAL GABLES, FLORIDA, RELATING TO THE COLLECTION AND DISPOSAL OF SOLID WASTE AND RECYCLABLE MATERIALS IN THE CITY OF CORAL GABLES, FLORIDA; ESTABLISHING THE RATE OF ASSESSMENT FOR RESIDENTIAL PROPERTY LOCATED WITHIN THE CITY; IMPOSING SOLID WASTE SERVICE ASSESSMENTS AGAINST RESIDENTIAL PROPERTY LOCATED WITHIN THE CITY FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2016; APPROVING THE SOLID WASTE ASSESSMENT ROLL; CONFIRMING THE AMENDED AND RESTATED INITIAL ASSESSMENT RESOLUTION; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Commission (the "City Commission") of the City of Coral Gables, Florida (the "City"), has enacted the Master Service Assessment Ordinance, Ordinance No. 2015-09 (the "Ordinance"), which authorizes the imposition of Service Assessments for Solid Waste and Recyclable Materials collection and disposal services, facilities and programs against certain Residential Property within the County;

WHEREAS, pursuant to Article III of Chapter 54 of the City of Coral Gables Code of Ordinances, the City has prescribed reasonable rules and regulations for the collection and disposal of Solid Waste and Recyclable Materials, including rates, fees, and charges, payment terms, and collection mechanisms.

WHEREAS, certain parcels of Residential Property within the City have become delinquent in payment of these rates, fees, and charges, which hinders the City's ability to efficiently and effectively provide Solid Waste and Recyclable Materials collection and

disposal services, facilities, and programs from both a financial and operational perspective; and

WHEREAS, the imposition of a Solid Waste Service Assessment for Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs, including any Delinquencies, is an equitable and efficient method of allocating and apportioning Solid Waste Costs among parcels of Residential Property;

WHEREAS, the City Commission desires to impose an assessment for Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs against Residential Property within all incorporated areas of the City using the tax bill collection method for the Fiscal Year beginning on October 1, 2016;

WHEREAS, the City Commission, on June 14, 2016, adopted Resolution No. 2016-149 (the "Amended and Restated Initial Assessment Resolution"), containing a brief and general description of the Solid Waste and Recyclable Materials collection and disposal services, facilities and programs to be provided to Residential Property, describing the method of apportioning the Solid Waste Cost to compute the Solid Waste Service Assessment for Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs against Residential Property, designating a rate of assessment, which includes any Delinquencies, and directing preparation of the Solid Waste Assessment Roll and provision of the notice required by the Ordinance;

WHEREAS the Amended and Restated Initial Assessment Resolution erroneously referred to Ordinance No. 2016-09 when the correct citation is Ordinance No. 2015-09, which scrivener's error is hereby corrected; and

WHEREAS, pursuant to the provisions of the Ordinance, the City is required to confirm or repeal the Amended and Restated Initial Assessment Resolution, with such amendments as the City Commission deems appropriate, after hearing comments and objections of all interested parties and adopt a Final Assessment Resolution;

WHEREAS, the Solid Waste Solid Waste Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and, as required by the terms of the Ordinance, mailed to each Owner of Residential Property proposed to be assessed notifying such Owners of their opportunity to be heard, an affidavit regarding the form of notice mailed to each Owner of Residential Property being attached hereto as Appendix A and the proof of publication being attached hereto as Appendix B; and

WHEREAS, a public hearing was held on September 13, 2016, and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA:

SECTION 1. AUTHORITY. (A) The parcels of Residential Property described in the Solid Waste Assessment Roll, which is hereby approved, are hereby found to be specially benefited by the provision of Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs described in the Amended and Restated Initial Assessment Resolution, in the amount of the Solid Waste Service Assessment set forth in the Solid Waste Assessment Roll, a copy of which was present at the above referenced public hearing and is incorporated herein by reference.

(B) It is hereby ascertained, determined and declared that each parcel of Residential Property within the City has been and will be benefited by the City's provision of Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs in an amount not less than the Solid Waste Service Assessment for such parcel, computed in the manner set forth in this Resolution, which shall include any Delinquencies attributable to that Tax Parcel.

(C) Adoption of this Amended and Restated Final Assessment Resolution constitutes a legislative determination that all parcels assessed derived a special benefit, as set forth in the Ordinance and the Amended and Restated Initial Assessment Resolution from the Solid Waste and Recyclable Materials collection and disposal services, facilities, and programs that were provided and will be provided and a legislative determination that the Solid Waste Service Assessments are fairly and reasonably apportioned among the

Residential Properties receiving the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(D) The method for computing Solid Waste Service Assessments described in the Amended and Restated Initial Assessment Resolution is hereby approved.

(E) For the Fiscal Year beginning October 1, 2016, the Solid Waste Cost of \$12,580,000.00 shall be allocated among all parcels of Residential Property, based upon each parcels' classification as Residential Property and the number and type of Dwelling Units for such parcels, plus any Delinquency allocated to that Tax Parcel. The following annual rates of assessment are hereby approved for the Fiscal Year beginning October 1, 2016:

Property Type	Rate

Solid Waste Service Assessments for Solid Waste and Recyclable Materials collection and disposal services, facilities and programs in the amounts set forth in the Solid Waste Assessment Roll, as herein approved, are hereby levied and imposed on all parcels of Residential Property described in the Solid Waste Assessment Roll.

(F) Any shortfall in the expected Solid Waste Service Assessment proceeds due to any reduction or exemption from payment of the Solid Waste Service Assessments required by law or authorized by the City Commission shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Solid Waste Service Assessments.

(G) As authorized in Section 2.13 of the Ordinance, interim Solid Waste Service Assessments are also levied and imposed against all Residential Property for which a Certificate of Occupancy is issued after adoption of this Amended and Restated Final Assessment Resolution based upon the rates of assessment approved herein.

(H) Solid Waste Service Assessments shall constitute a lien upon the Residential Property so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid.

(I) The Solid Waste Assessment Roll, as herein approved, shall be delivered to the Tax Collector for collection using the tax bill collection method in the manner prescribed by the Ordinance.
