A Resolution of the City Commission of Coral Gables approving the general form and language of a surface parking lot invoice.

Mayor Valdes-Fauli: City Attorney Items.

City Attorney Ramos: So, if the City Commission remembers when the ordinance was adopted about the fake parking tickets that were being issued by Metered Surface Lots owned by private providers. One of the requirements was that the Commission was going to approve the form of the invoice that they were permitted to place on vehicles when they exceeded the time that they had paid for. That's being submitted by Mr. De Yurre on behalf of his client and Mr. Ceballos will present what it looks like. If you all have it, you may want to pull it up if you are able to see it.
