**CITY OF CORAL GABLES V. QUANTUM LEAP NETWORK, INC.**

**Circuit court – General Jurisdiction Division – Case No. 09-17991 CA 27**

In March of 2009, the City filed its complaint for specific performance of a license agreement for failure of Quantum Leap Network to complete the process to transfer the domain name, [www.venetianpool.com](http://www.venetianpool.com), to the City of Coral Gables. The City has amended its complaint to include claims that a new domain name used by Quantum Leap, [www.coralgablesvenetianpool.com](http://www.coralgablesvenetianpool.com), violates the City's trademark rights and constitutes unfair competition. The City has also added as individual defendants Robert Burr and Robin Burr for their participation in these wrongful acts which include the use of the City's service marks to promote their individual businesses. The defendants have retained Joel Hirschhorn and Bennett Hirschhorn to represent them. The depositions of David Brown, Robert Burr and Robin Burr have been taken. A settlement proposal, subject to Commission approval, has been communicated to the defendants and we await their

response. The defendants have asked the court to refer the case to non-binding mediation.

**CITY OF TAMPA V. MICHAEL C. ADDISON and RICHARD T. PETITT**

**13<sup>th</sup> Judicial Circuit in and for Hillsborough County – Case No. 03-5425; Florida Supreme Court – Case No. SC 07-2198; Second District Court of Appeal – Case No. 06-3168; Second District Court of Appeal – Case No. 09-2059**

The Second District Court of Appeal certified a defendant class of all cities and counties in the State with an occupational license tax. Tampa filed an appeal challenging the certification of the defendant class on the basis that significant differences between different cities' and counties' occupational license fee ordinances make it inappropriate for a court to treat all ordinances alike. The Florida League of Cities put together a consortium of cities and retained an appellate attorney, with Coral Gables participating as a named party in the filing of an amicus brief to insure that the City's interests are properly represented in this case. The amicus brief was filed October 9, 2006. Oral Argument was heard April 10, 2007. An opinion was rendered by the 2<sup>nd</sup> District Court of Appeal affirming the order of class certification. Tampa sought further review from the Florida Supreme Court on the class certification. Since the Florida Supreme Court refused to hear the appeal, the matter is back at the trial court level. The City will continue to defend Coral Gables' interests and support the on-going litigation along with the League and other municipalities which stand to be adversely affected in this decision. The Second District Court of Appeal ruled in our favor in the Addison "attorney/business tax" putative class action case pending in Hillsborough County. Plaintiffs' class counsel tried to sue all cities and counties in Florida in a "non-opt out" defendant class in Hillsborough County and to obtain a res judicata judgment that each local government's business tax against attorneys was unconstitutional. The trial judge had granted our motion and had dismissed all non- Hillsborough local governments from the defendant class and the appeal ensued. The 2<sup>nd</sup> DCA affirmed in all respects the trial court's order dismissing the non-Hillsborough defendant class members. Following the logic of our brief and argument, the Court held that: (a) the Home Venue Privilege is absolute and does not have a "defendant class action" exception unless created by the Supreme Court or Legislature; (b) each putative member of the defendant class (i.e. your city) is a "party" for the purposes of interposing its individual Home Venue Privilege and has a due process right to assert it. Plaintiff counsel will likely file a request for rehearing (perhaps en banc) and reconsideration within the next 15 days. After that, we expect them to attempt to appeal to the Florida Supreme Court. But the well-reasoned 9 page opinion by the Second DCA renews our confidence that our arguments will prove equally persuasive to the Florida Supreme Court should it take up the appeal. Supreme Court has been asked to take jurisdiction.

**KUVIN V. CITY OF CORAL GABLES**

**Third District Court of Appeal – Case No. 3D05-2845 Circuit Court – Appellate Division – Case No. 03-8911-AP;**

Petitioner filed a Petition for Writ of Certiorari seeking a permanent injunction and damages to prohibit the City from enforcing the provisions of its code, arising from a citation which Petitioner received for parking his truck in violation of the Coral Gables Zoning Code Section 8-11 and 8-12. The Court, in a ruling rendered October 14, 2005, granted the City's motion for summary judgment and upheld the constitutionality of the City's truck ordinance. The Plaintiff filed a Notice of Appeal with the Third District Court of Appeal, and the City has filed a Motion to Dismiss. The Court dismissed the appeal for failure of Kuvin to comply with the court's November 10, 2005 order. Upon payment of the filing fee, the appeal was reinstated. Kuvin has filed his initial brief in the district court of appeal, and the City filed its answer brief on Sept. 28. Kuvin has to file his reply brief. The court heard oral argument on Tuesday, November 14, 2006 before JJ. Schwartz, Cortinas and Rothenberg. Decision entered August 22, 2007, reversing with directions to enter declaratory judgment for appellant and to vacate the guilty determination of the hearing officer, with J. Rothenberg dissenting with a comprehensive separate opinion. The City has filed with the Third District Court of Appeal a Motion for Rehearing En Banc and a Motion requesting the Court to certify this case to the Florida Supreme Court as a matter of great public importance. **The City has**

Upon consideration of the Petitioner's Request for Temporary Injunction, the Court denied the request on February 8, 2006. The three-judge panel on March 2, 2006 granted City's Motion to Dismiss petitions for certiorari and to transfer the case to the trial court. **As this case challenges the same ordinance on essentially the same grounds as Kuvin, the case is awaiting resolution of the Kuvin appeal.**

**MARIA THORNHILL VS. CITY OF CORAL GABLES**

**Case No.: 04-10-0884-8**

Maria Thornhill has filed a new complaint with the Federal HUD claiming she has a mental and physical disability. The complainant alleged she filed a previous Fair Housing Complaint (Case #04-05-0089-8) against The City of Coral Gables (the respondent). As a result of filing this complainant, both parties signed a Conciliation Agreement. In the Conciliation Agreement the respondent agreed not to discriminate against the complainant again under Act or retaliate against her in any way. Recently, the complainant alleges a City Official has made some derogatory remarks against her and recently she has been falsely accused of "Grand Theft Charges" by the City of Coral Gables. The complainant believes the City of Coral Gables has breached the Conciliation Agreement and is being retaliated and discriminated against based on her physical and mental disabilities. The Federal HUD is investigating this matter. This office is working with HUD to resolve the issues.

**LOTS 17-19 RIVIERA, LLC V. CITY OF CORAL GABLES**

**Case No. 10-24259 CA 30**

On 4/22/2010, Plaintiff, Riviera, LLC ("Riviera") sued the City for declaratory relief and injunctive relief regarding the City Commission's denial of a requested land use designation and the future land use Map Amendment for a vacant parcel of real property located on Riviera Drive and South Dixie Highway. Riviera seeks a declaration that its Application for relief pursuant to Article 3, Division 17, Zoning Code, entitled, "Protection of Landowner's Rights; Relief from Inordinate Burdens," is complete, and should be heard and considered by the City Commission. Riviera further seeks an injunction requiring the City to process the Application without the payment of any

additional fees and without requiring additional documents to be presented with the Application. The City filed its Motion to Stay or, in the alternative, a Motion to Dismiss the Complaint on May 13, 2010. The City believes that any civil action should be stayed or dismissed until the final administrative review process is complete. Furthermore, the City posits that the Complaint should be dismissed as it is seeking a de novo review of the City Commissions' decision to deny the requested land use designation. The City's Motion to Stay/Dismiss has not been scheduled for hearing.

**SOMERSET ACADEMY, INC. V. CITY OF CORAL GABLES**

**Case No. 10-36228 CA 40, Circuit Court of the Eleventh Judicial Circuit, Miami-Dade County, Florida**

This lawsuit was served on the City on July 2, 2010. Plaintiff Somerset Academy filed a complaint for temporary and permanent injunctive relief and for declaratory judgment. Somerset Academy seeks to operate a charter school in the City at the University Baptist Church at 624 Anastasia Avenue. Somerset has submitted an application to the City for a certificate of use to operate a charter school for up to 675 students at the Church. (Somerset has already been issued a CU for the operation of a 110 student charter school there). The existing land use designation on the property is Religious/Institutional, and it is zoned "S". Accordingly, the City is requiring Plaintiff to undergo the requisite processes, including obtaining a change in land use and zoning designations, filing a conditional use and site plan as well as a certificate of use application. Plaintiff claims that Florida Statute § 1002.33(18)(c) exempts charter schools from complying with these municipal requirements other than the Florida Building Code and Florida Fire Prevention Code. Plaintiff is seeking to have the Court require the City to issue a CU (and all other necessary approvals) for a charter school up to 675 students and to prevent the City from applying the City's Comprehensive Plan and Zoning Code to deny the operation of the charter school. Finally, Somerset is seeking to have the Court declare that Fla. Stat. § 1002 preempts and supersedes any provisions of the City's Zoning Code and City's Comprehensive Plan. We anticipate that the Biltmore Neighborhood Association will seek to intervene in this action to oppose any charter school from operating on the Church Property. In addition, the Biltmore Neighborhood Association and Carlos Carta have filed an appeal of the issuance of the Certificate of Use to the Board of Adjustment.
