E-1

ITEM TITLE:

Ordinance on Second Reading. An Ordinance of the City Commission of Coral Gables, Florida amending the Zoning Code, Article 5, Division 19, entitled, Signs, and Article 8 providing for provisions for monument signs; and providing for severability, repealer, codification, and an effective date.

RECOMMENDATION OF THE CITY MANAGER:

Approval.

PLANNING DEPARTMENT RECOMMENDATION:

Recommend approval of the proposed text amendment. See attached Ordinance in ~~striketru~~/underline format (See Exhibit A).

PLANNING AND ZONING BOARD RECOMMENDATION:

The Planning and Zoning Board at their 01.13.2010 meeting recommended approval (vote: 6-0) of the Zoning Code text amendment.

BRIEF HISTORY:

The City Commission on 02.10.2010 recommended approval (vote: 3-0).

Presently the zoning code allows monument signs on US Highway One and SW 8th Street as a detached sign, however, the term, "monument sign" is not listed within the provisions nor does a definition exist. This request clarifies that monument signs are permitted pursuant to the detached signs provisions of the Zoning Code and provides a definition.

This proposal also allows up to three tenant names on monument signs whereas the current code only allows one tenant. This provides additional flexibility for multitenant buildings and also encourages monument signs which is aesthetically more appealing.
