Good evening everyone,

I have submitted the recovery permit application for the awning of 73 Edgewater Dr Coral Gables FL 33133 and am pending approval from the city. This is in response to Code Violation Warning #NOVI-22-10-1443.

The permit # is 98030189.

I believe I filled everything out correctly and will let everyone know as soon as I hear from CG regarding the status of the permit.

Gerardo, could you please take a look at the application since you work in the permitting department as well? Thank you in advance!

I have attached a screenshot confirming the submitted permit application.

Have a great evening,

Rachel Ranum
