SECTION 1 – INTRODUCTION TO REQUEST FOR PROPOSAL

Request for Proposals (RFP) No. 2024-041

1.1. Invitation

Thank you for your interest in this Request for Proposals (“RFP”). The City of Coral Gables (the “City”), through its Procurement Division invites responses (“Proposals” / “Responses”) from Firms (“Proposers”) which offer to provide the services described in Section 2.0 “Scope of Work”.

Throughout this RFP, the terms “must”, “shall”, and “will” denote mandatory requirements. Any response that does not meet the mandatory requirements is subject to immediate disqualification.

1.2. Contract Terms and Conditions

The Proposer(s) selected to provide the service(s) requested herein (the “Successful Proposer(s)”) shall be required to execute a Contract or a Professional Services Agreement (“Agreement” / “Contract”) with the City in substantially the same form as the Agreement included as part of this RFP, if applicable.

The term(s) of the Agreement shall be from the date the Agreement is fully executed until the Special Assessment District is approved, members of the district Board are selected/elected and the new district Board has held their first meeting in which they adopt items such as bylaws, initial budget, and mission and goals. If at any point in the process the Property Owners or Commission votes down the special assessment district, the contract is considered terminated. The agreement will be in effect until otherwise notified by the City or the conclusion of the project and all related tasks.

The City shall have the right to terminate this contract pursuant to Section 1.13 of this solicitation. Continuation of the Contract beyond the initial period is a City prerogative; not a right of the Proposer. This prerogative will be exercised only when such continuation is clearly in the best interest of the City.

A. CONDITIONS FOR RENEWAL

Each renewal of this contract is subject to the following:

- (1) Continued satisfactory performance compliance with the specifications, terms and conditions established herein.
- (2) Availability of funds

B. CONTRACT EXTENSION

The City reserves the right to exercise its option to extend a contract for up to one hundred-eighty (180) calendar days beyond the contract period and will notify the Professional in writing of the extension.

1.3. Additional Information or Clarification

The Proposer must thoroughly examine each section of this RFP. If there is any doubt or obscurity as to the meaning of any part of the RFP, the Proposer may request clarification at the pre-proposal conference or by WRITTEN REQUEST to INFOR [Supplier Services webpage](#) prior to the Deadline for Written Questions. Proposer is responsible for downloading and bringing a copy of the RFP for the pre-proposal conference as copies will not be provided by the City.

Interpretations or clarifications in response to such questions will be issued in the form of a **WRITTEN ADDENDUM** which shall be released through INFOR. Proposers must register via INFOR to ensure receipt of any addendum issued to this solicitation. Failure to acknowledge receipt of an addendum may result in disqualification of proposal submitted.

No person is authorized to give oral interpretations of or make oral changes to the RFP. The issuance of a written addendum shall be the only official method whereby such an interpretation or clarification will be

made. Where there appears to be conflict between the RFP and any addenda issued, the last addendum issued shall prevail.

Proposers should not rely on any representations, statements or explanations other than those made in this RFP or in any written addendum to this RFP.

1.4. Method of Award

Award of this project will be made highest ranked responsive and responsible proposer(s), based on the criteria outlined in this solicitation. The City in its sole discretion will determine if it is in the best interest of the City to move forward with the award.

1.5. Award of an Agreement

An Agreement may be awarded to the Successful Proposer by the City Commission or City Manager, as applicable, to the most responsible, responsive Proposer, meeting all specifications, and not necessarily to the highest ranked Proposer. Should the award be made to the highest ranked Proposer, the City will strictly enforce all the provisions of the resulting Contract, including penalty clauses for any service or quality problems. The Successful Proposer shall not be permitted rate increases as a result of an artificial low-price Proposal submitted in anticipation of the contract. Non-performance shall result in cancellation of the contract with the Proposer. The City reserves the right to execute or not execute an Agreement with the Successful Proposer if it is determined to be in the best interest of the City.

1.6. Agreement Execution

By submitting a Response, the Proposer agrees to be bound to and execute the Agreement for this solicitation. Without diminishing the foregoing, the Proposer may request clarification and submit comments concerning the Agreement for City's consideration. Only comments and proposed revisions included within the Response will be considered by the City. Any comments identified after the Response has been received may not be considered by the City. Furthermore, any requests to negotiate provisions of the Agreement not identified in the Response after the Response has been received, may be grounds for removal from further consideration for award. None of the foregoing shall preclude the City from seeking to negotiate changes to the Agreement during the negotiations process.

Failure of the Successful Proposer to execute a contract within thirty (30) days after the notification of award may, at the City's sole discretion, constitute a default. However, the Agreement must be executed no later than one hundred twenty (120) days, based upon the requirements set forth in the RFP through action taken by the City Commission at a duly authorized meeting. If the Proposer first awarded the Agreement fails to enter into the contract as herein provided, the award may be declared null and void, and the Agreement awarded to the next most responsible, responsive Proposer, or re-advertised, as determined by the City.

1.7. Unauthorized Work

Any unauthorized work performed by the Successful Proposer(s) shall be deemed non-compensable by the City.

1.8. Changes/Alterations

Proposers may change or withdraw a Response at any time **prior to the Submittal Deadline through INFOR**. Modifications will not be allowed after the Response Submittal date.

1.9. Discrepancies, Errors, and Omissions

Any discrepancies, errors, or ambiguities in the RFP or addenda (if any) should be reported in writing to the City's Procurement Division in the manner prescribed in the RFP. Should it be necessary, the City will issue a written addendum via **INFOR** to the RFP clarifying such conflicts or ambiguities.

1.10. Disqualifications

The City reserves the right to disqualify Responses before or after the submission date, upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer. It also reserves the right to waive any immaterial defect or informality in any Response; to reject any or all Responses in whole or in part, or to reissue a Request for Proposals.

Any Responses submitted by a Proposer who is in arrears (money owed) to the City or where the City has an open claim against a Proposer for monies owed the City at the time of Proposal submission, will be rejected as non-responsive and shall not be considered for award.

1.11. Proposer Expenditures

Proposer understands and agrees that any expenditure they make in preparation and submittal of Responses or in the performance of any services requested by the City in connection with the Responses to this RFP are exclusively at the expense of the Proposers. The City shall not pay or reimburse any expenditure, or any other expense incurred by any Proposer in preparation of a Response or anticipation of a contract award or to maintain the approved status of the Successful Proposers if an Agreement is awarded.

1.12. Financial Stability and Strength

The Proposer must be able to demonstrate a good record of performance and have sufficient financial resources to ensure that they can satisfactorily provide the goods and/or services required herein.

In determining a Proposer's responsibility and ability to perform the Contract, the City has the right to investigate and request information concerning the financial condition, experience record, personnel, equipment, facilities, principal business location and organization of the Proposer, the Proposer's record with environmental regulations, and the claims/litigation history of the Proposer. The City reserves the right to consider third party information (e.g., Dun & Bradstreet's Supplier Reports or similar) in determination of capacity.

Proposers **may** be required to submit financial statements for each of their last two (2) complete fiscal years within five (5) calendar days, upon written request. Such statements should include, at a minimum, Balance Sheets (Statements of Financial Position) and Statements of Profit and Loss (Statement of Net Income). When the proposal submittal is from a joint venture, each Proposer involved in the joint venture must submit financial statements as indicated above. Statements shall be certified by an independent Certified Public Accountant.

Any Proposer may be declared non-responsive who, at the time of proposal submission, is involved in an ongoing bankruptcy as a debtor; or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law, or any state insolvency.

1.13. Contract Termination

The City, by written notice, may terminate in whole or part any Contract resulting from this competitive solicitation, when such action is in the best interest of the City. If the Agreement is so terminated, the City shall be liable only for payment for services rendered prior to the effective date of termination. The City may, by written notice to the Successful Proposer, terminate the Agreement if the Successful Proposer has been found to have failed to perform his/her services in a manner satisfactory to the City. The City may terminate the Agreement for convenience at any time by providing thirty (30) days written notice to the Successful Proposer. In the event the Successful Proposer is found to be in default, the Successful Proposer will be paid for all labor and materials provided as of the termination date only after City has completed the work called for by this Agreement with other forces, and has deducted the cost of such work, and any other damages payable to City, from any contract balance otherwise due and owing to the Professional under this Agreement. No consideration will be given for anticipated loss of revenue on the canceled portion of the Contract.

If the contract is terminated prior to the start of work or the conclusion of the project based on the default of the successful Proposer, the Proposer will be subject to re-procurement costs associated with the re-award or completion of the project.

1.16. Contract Administrator

The issuing Department shall be responsible for administering the Agreement, monitoring, and evaluating the service. The Successful Proposer will report to the City's authorized representative.

SECTION 2 – SCOPE OF SERVICES

Request for Proposals (RFP) No. 2024-041

2.1 Background

The City of Coral Gables, located in Miami-Dade County, Florida, is a community with a population of approximately 50,000 residents. The population doubles during the day as employees come to work in its commercial districts. The City's founder, George E. Merrick, envisioned a "City Beautiful"—a coveted residential community and vibrant downtown. He drew inspiration from the Garden City and City Beautiful movements of the 19th and early 20th century. Coral Gables is one of Florida's first fully planned communities. The city's downtown has several noteworthy characteristics which include a safe, pedestrian-friendly commercial district, concentration of premier shopping and dining options, more than 100 multinational companies with a focus on LATAM, and an international community with more than 20 consulates and foreign government offices.

In 1995, the City adopted a resolution creating the Business Improvement District (BID) of Coral Gables and approved the levying of special assessments pursuant to Chapter 170, Florida Statutes, to stabilize and improve the retail business district within the BID's borders through promotion, management, marketing, and other similar services. A majority of the affected property owners approved the creation of the district by the City in a vote held in 1997. In September 2022, after 25 years of existence, the Business Improvement District of Coral Gables failed to receive the necessary approval of a majority of affected property owners to renew the organization for another five-year term. In January of 2023, the Coral Gables City Commission voted to dissolve the BID as a special assessment district.

In September 2022, with the understanding that some BID-run events and programs were in jeopardy for the holiday season - events the community had grown to love and expect - the City's Economic Development Department took control of those projects. It organized and funded a Fall/Halloween event that attracts thousands of children in costume to the downtown, procured holiday decorations for Miracle Mile and Giralda Plaza, and held several events to bring customers to the downtown.

2.2 Purpose

The City of Coral Gables recognizes the important role the downtown plays in the City's overall economy. As such, the City believes this area would benefit from additional services and enhancements above and beyond the baseline of services already provided by the City to attract businesses, visitors and residents to live, work, and enjoy the downtown. To that end, the City is seeking proposals to successfully establish a Retail Business District for the purpose of improving such district through promotion, management, marketing, and other similar services. The creation of this district will be subject to approval of the majority of affected property owners, pursuant to Section 170.01(3), *Florida Statutes* - [Statutes & Constitution :View Statutes : Online Sunshine](#). The City is seeking to establish the Retail Business District as a dependent special district; therefore, successful proposals will demonstrate compliance with Chapter 189, *Florida Statutes* - [Statutes & Constitution :View Statutes : Online Sunshine](#) .

The proposer will create a business plan to effectuate the creation of a dependent special district; provide guided, hands-on, on-the-ground support to create the district; and otherwise implement the business plan. The proposer will assist the City with development of informational webpages and printed materials, and with hosting a public forum. All work contemplated in the business plan shall be in accordance with Florida Statute

§ 106.113 - [Statutes & Constitution :View Statutes : Online Sunshine](#) . The proposer will remain on board until the City undertakes a vote of the affected property owners, approves the creation of the dependent special district and selects the members of the district Board, and the new district Board has held its first meeting in which it adopts items such as bylaws, initial budget, and mission statements and goals. Should the dependent special district not receive approval through either the property owner vote or City Commission vote, the contract is terminated immediately. The business plan will include, among other things, the assessment methodology, a budget for the proposed district, and public meetings to discuss the proposed dependent special district. The proposer will obtain input from various sources including City leadership and affected property and business owners. The City has retained a law firm that will provide legal guidance on the project. The selected proposer will work closely with the legal team.

2.3 Scope

The project will include the creation of a business plan to include assessment methodology, budget, public engagement, and an implementation plan.

The Proposer shall coordinate the project, review data, make recommendations, coordinate with staff's assistance meetings/workshops/presentations. The proposer must be available to start work on this project immediately after the contract is approved. The awarded proposer will work with the City's legal team to establish a timeline of critical dates, for example: public hearings, advertising deadlines, resolutions, ordinances, property owner voting and distribution of assessment bills.

The proposer will assume responsibility for the coordination of work produced by any sub-consultants.

2.3.1. Business Plan shall include, but is not limited to:

- Background on Downtown Coral Gables
- Reason for a dependent special district, i.e. for the purposes of improving such district through promotion, management, marketing, and other similar services
