CITY COMMISSION MEETING
March 10, 2026

ITEM TITLE:

Recognition of the Coral Gables Police Department for earning Reaccreditation with Excellence from the Commission on Accreditation for Law Enforcement Agencies on November 15, 2025, marking the department's tenth accreditation award.

BRIEF HISTORY:

The process of CALEA Accreditation begins with a rigorous self-assessment, requiring a review of policies, practices, and processes against internationally accepted public safety standards. This is followed with an assessment by independent assessors with significant public safety experience. Additionally, public feedback is received to promote community trust and engagement. Structured interviews are conducted with select agency personnel and others with knowledge to assess the agency's effectiveness and overall service delivery capacities. The decision to accredit is rendered by a governing body of twenty-one Commissioners following a public hearing and review of all reporting documentation.

CALEA Accreditation is a continuous process and serves as the foundation for a successful, well managed, transparent, community-focused public safety agency. To this end, an agency must maintain its accredited status by remaining in compliance with CALEA standards at all times.
