Having experienced this personally, it has touched the lives of everyone, and the devastating effect of the disease takes away the essence of life in those you love. He complimented the efforts of the City Commission, administration, staff, and the community to not allow anyone dealing with this disease to experience it alone, and that's the message, they cannot be alone. Ms. Stephens from "Walk to End Alzheimer's" thanked Commissioner Menendez, City Commission, and the city for bringing awareness to this disease also known as "the

long goodbye” and expounded on the background of it with statistics, impact on the individual and family support.
