**ARTICLE 4  
COMPENSATION**

4.1 **Basic Compensation.** In full consideration of the services of the Supplier hereunder, the Supplier shall be paid an amount as described in the Pricing Schedule in Exhibit “B”. 4.4 **Most Favored Public Entity.** The Supplier represents that the prices charged to City in this Agreement do not exceed existing prices to other customers for the same or substantially similar items or services for comparable quantities under similar terms and conditions. If Supplier’s prices decline, or should Supplier, at any time during the term of this Agreement, provide the same goods or services to any other customer at prices below those set forth herein, then such lower prices shall be immediately extended to the City.

**ARTICLE 5  
TERMINATION**

5.1 **Termination for Cause.**

If the Supplier breaches the conditions and obligations imposed by the Contract Documents, or if it makes a general assignment for the benefit of his creditors, or if a receiver is appointed on account of its insolvency, or if it persistently or repeatedly refuses or fails, except in cases for which an extension of time is granted, to supply properly skilled workmen, or proper materials in accordance with the Contract Documents, or if it fails to make prompt payment to sub-Suppliers or for materials or labor, or disregards laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, or otherwise is guilty of a violation of any provision of the Contract Documents, then the City may, without prejudice to any right or remedy and after giving the Supplier five calendar days’ written notice, terminate this Agreement and secure the goods contemplated herein by whatever method the City deems expedient. In such case, if applicable, the Supplier shall not be entitled to receive any further payment until the City receives, through alternate means, the goods and services contemplated herein. If any unpaid contract balance due and owing to the Supplier exceeds the costs of securing the goods and services contemplated herein (which costs shall include expenses made necessary thereby and all other damages incurred by the City), such excess shall be paid to the Supplier. If such costs and damages exceed the unpaid balance, the Supplier shall promptly pay the difference to the City. This provision shall in no way limit the City’s right to claims for any additional damages, including but not limited to, liquidated damages, damages for defective or nonconforming goods, and all damages and setoffs allowable to the City in accordance with this Agreement, for which the Supplier shall be liable. If, after notice of termination for cause, it is determined for any reason that the Supplier was not in default, the rights and obligations of the City and Supplier shall be the same as though the termination had been a Termination for Convenience, as set forth herein.

Agreement #IFB – 2020-007 Mobile Command Center for the Coral Gables Police  
Department

5.2 **Termination for Convenience.**

The City may also terminate this Agreement for the City's convenience and without cause upon thirty (30) calendar days' written notice to the Supplier; except where the Supplier anticipatorily repudiates the Agreement, the City may immediately, without prior notice, terminate this Agreement for the City's convenience and without cause. If the Supplier is terminated for convenience, the Supplier shall be paid for actual and documented expenditures for labor, materials, sub-Suppliers, and the goods received and accepted by the City to the date of termination less payments made and damages for any defective or non-conforming goods, and less any amounts that the City is entitled to withhold pursuant to the terms of this Agreement and by law. The City shall not be liable to the Supplier for lost profits on any goods not provided and accepted by the City or any other type of consequential, special or indirect damages and Supplier hereby waives same. All costs must be fully supported by the Supplier's invoices and other documentation acceptable to the City, and shall be subject to the City's audit.

5.3 **Duty to Cure and/or Remedy Defective Goods.**

The Supplier shall, within three (3) working days of written notice from City, proceed to commence and diligently proceed to provide the goods requested as specified in the City's purchase order and shall correct or remedy said goods as requested by the City including the correction of defects or damage from whatever cause. The Supplier shall bear all costs of correcting such defective goods. This obligation shall survive termination of this Agreement. If the Supplier fails to commence to correct defective or nonconforming goods within three (3) business days from written Notice to Supplier, the City may correct such defective or nonconforming goods and the City may deduct such costs from any monies due, or if the defective or nonconforming goods are discovered after final payment, then Supplier shall pay such cost and expense, including attorney's fees incurred, within fourteen (14) days of receipt of a written demand from the City for reimbursement.

5.4 Nothing contained in this Agreement shall be construed to establish a period of limitation with respect to any other obligation which the Supplier might have under the Contract Documents or law. The establishment of the time periods set forth above relates only to the specific obligation of the Supplier to correct defective goods, and has no relationship to the time within which its obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Supplier's liability with respect to its obligations and any damages caused by the Supplier, including but not limited to any action commenced by the City for negligence, strict liability, breach of this Agreement or any warranties.

5.5 **Termination by Supplier.**

If the City fails to issue a payment for a period of thirty (30) days through no fault of the Supplier and there are no deficiencies with the invoice for payment as set forth in the Contract Documents, the Supplier may, after fourteen (14) calendar days' written notice to the City, terminate this Agreement and recover from the City, payment for actual and documented expenditures for labor, materials, and subcontractors to the date of termination, but which sum shall never exceed the amount due under the Contract Documents, less payments made, less the cost to complete any remaining, less the cost to correct any damaged, defective, or non-conforming goods, and any setoffs to which the City is entitled to under this Agreement. This sum shall be Supplier's sole remedy under this Agreement.

The City shall not withhold from sums payable to the Supplier, any amount whatsoever for Federal Income Taxes, FICA, Unemployment Insurance Taxes or any similar fees or taxes. The parties expressly agree that this provision shall be construed broadly, and Supplier's obligations to pay for the City's legal defense hereunder shall arise and be fully enforceable when Supplier (or any subconsultant or subcontractor or any person or organization directly or indirectly employed by Supplier) is alleged to have acted willfully, intentionally, recklessly, or negligently in the performance of this Agreement. Any failure of Supplier to comply with the terms of this provision shall be deemed a material breach of this Agreement and may subject Supplier to debarment from consideration for future award of city contracts pursuant to Section 2-912(4) of the City of Coral Gables Code of Ordinances. This provision shall survive termination of the Agreement.

- a. Damages awarded to any person or party.
